A unique, international approach to optimal real estate financing
Property Finance is an authoritative guide to both the financial and legal issues surrounding real estate financing. Unique in its exclusive focus on the topic, this book builds from a solid theoretical foundation to provide practical tools and real-world solutions. Beginning with a discussion of the general issues encountered in real estate finance from an international perspective, the authors delve into country-specific information and set out the legal peculiarities of eight important countries (Germany, France, Italy, Spain, China, India, England and Wales) by asking questions of relevance to the leading local law firms specializing in real estate financing. The reader may thus consider in greater depth the problems relating to any given country and compare and contrast the positions under different legal systems. Examples with numerical calculations and contract excerpts enhance the explanations presented, and are immediately followed by practical case studies that illustrate the mechanisms at work. The companion website features downloadable spreadsheets used in the examples, power point presentations, as well as real estate news and more. Property financing entails many sources of capital, including both debt and equity resources as well as hybrid forms like preferred equity and mezzanine debt. Knowing how to work with these avenues is important to ensuring financial sustainability in real estate assets. Property Finance covers the most common issues encountered, helping readers prepare for and find a way around possible roadblocks. Consider the issues surrounding real estate lending at an international level Compare and contrast the positions under different legal systems Develop an international perspective on cash flows and financing agreements Use powerful tools to structure financing and gauge its effects on property financing The success of a real estate investment is dependent upon optimal financing, and a mere bird's eye view of the topic does not fully prepare investors for issues ahead: Property Finance provides a knowledge-based approach to real estate investment, detailed information and powerful tools.

In 1929, in the Criterion Miscellany, Viscount Brentford and D. H. Lawrence engaged in public debate on the question of censorship. Lord Brentford’s pamphlet appeared under the title of Do We Need a Censor?; D. H. Lawrence’s pamphlet was called Pornography and Obscenity, and he later continued his discussion of current conceptions of what is clean and what is dirty, and the problem of censorship in art and literature, in a further pamphlet called Nettles. Pornography and Obscenity was written in the autumm of 1929 at Rottach-am-Tegernsee, where Lawrence was the guest of Max Mohr. It was written as protest and rejoinder against the police raid in 1929 which seized 25 pictures on show, 4 books of reproductions, and Grosz, Ecce Homo, and even a volume of pictures by William Blake.Lawrence wrote to the Curtis Brown office in September that he was surprised Faber would risk the obscenity article, but he agreed to a suggestion that the name of Glasworthy and Barrie be omitted from the published version. The reference was to their novels being more pornographic than Boccaccio, who was wholesome. The publishers asked both Lawrence and Lord Brentford, Home Secretary at the time and prime mover in the action against Pansies and Lady Chatterley, to write essays giving their respective viewpoints on the question of censorship. Lawrence was apparently quite elated when his pamphlet sold better than that of his rival. The present volume consists of these two pamphlets, together with the kindred introduction which Lawrence wrote for the Introduction to his Paintings. It is the interesting and entertaining work on pornography and obscenity by the author of Lady Chatterly’s Lover, a book which was banned and censored into the 1960s. It has been said that, "When Lawrence got going, he almost always went too far, but hitting a nerve of truth on the way." This work discusses the problems of censorship in art and literature by one who knew firsthand, and shows the genius of Lawrence at his best: it begins with his quick start, and his surprise description, "What is pornography to one man is the laughter of genius to another. He also asserts that "Without secrecy there would be no pornography. But if pornography is the result of sneaking secrecy, what is the result of pornography? What is the effect on the individual?" It’s quite a ride, though, as Lawrence’s work usually is.

How the brutalities of working life are transformed into exhaustion, shame, and self-doubt: a writer’s account of her experience working in an Amazon fulfillment center. No longer able to live on the proceeds of her freelance writing and translating income, German novelist Heike Geissler takes a seasonal job at Amazon Order Fulfillment in Leipzig. But the job, intended as a stopgap measure, quickly becomes a descent into humiliation, and Geissler soon begins to internalize the dynamics and nature of the post-capitalist labor market and precarious work. Driven to work at Amazon by financial necessity rather than journalistic ambition, Heike Geissler has nonetheless written the first and only literary account of corporate flex-time employment that offers “freedom” to workers who have become an expendable resource. Shifting between the first and the second person, Seasonal Associate is a nuanced expose of the psychic damage that is an essential working condition with mega-corporations. Geissler has written a twenty-first-century account of how the brutalities of working life are transformed into exhaustion, shame, and self-doubt.

Unaware of his pirate ancestry and his clan’s long-standing rivalry with the Hood family, accountant Morgan Cooke is shanghaied by his estranged father and placed at the forefront of the families’ latest clash in the Caribbean, which is marked by the promise of a vast treasure. A first novel. 20,000 first printing.

Back in 1974, the sexual revolution was in full swing and the adult entertainment business was on the verge of becoming Big Business. Deep Throat had created America’s first porn star in 1972, but by 1974 Linda Lovelace was already retired and the industry was seeking the next big thing. Vanessa del Rio should have been that thing, except in 1974 there were no ethnic sex stars. Undeterred, Vanessa took any role they’d give her, because, amazingly, she was there for the sex more than the money. Fans, awed by her ferocious onscreen sexuality, made her a top box office draw and America’s first Latina star. Retired since 1986, Vanessa del Rio remains a sexual icon who cuts across all ethnic boundaries. What her fans don’t know is that her real life was, and is, as wild as anything she did on film. In this sumptuous over-sized volume, TASCHEN celebrates a remarkably candid, confident and exuberantly sexual woman. Presented through Vanessa’s own archive, in her own words, is a life at once shocking, titillating, amusing, and inspiring. And because paper and ink can’t do justice to a personality this big, an original 140 minute DVD documentary is included. If you aren’t already convinced, this book will end all doubt that there could ever be another woman like Vanessa del Rio. Vanessa del Rio is limited to a total of 1,500 numbered copies, each signed by Vanessa ? 1,300 copies in the Collector’s Edition ? 200 copies in the Art Edition, with a signed watercolor lithograph of Vanessa by acclaimed artist Robert Crumb * Bonus for one lucky reader: one of the 1,500 copies contains a Golden Ticket good for an all-expenses paid evening with Vanessa, to be documented by a world famous photographer!!)*She is a person I dreamed about having sex with. She should go in the hall of fame for best sex scenes in the ’80s.?-Snoop Dogg

The Art of Skin Health Restoration and Rejuvenation, Second Edition presents a comprehensive review of Dr. Zein Obagi’s renowned skin care regimens and his techniques for revitalizing skin. Fully demonstrated and explained are Dr. Obagi’s skin peels and his approach to correcting sun damage, control of the pigmentary system, the stimulation of skin collagen, and h elasticity. With more than 200 illustrations, a presentation of Dr. Obagi’s skin classification system, and a special section on combining laser skin resurfacing with other techniques, this volume is a valuable resource for the plastic surgeon, dermatologist, and cosmetic facial surgeon.

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionall

La Riforma medica

Pornography and So on

Tommaso Bernini è un trentenne di successo: un bel lavoro, una bella fidanzata, una bella casa. Eppure, un giorno qualcosa in lui si rompe. Tommaso impazzisce, tutte le sue certezze si sgretolano e finisce in un centro di igiene mentale, dove si rende conto che la sua vita non tornerà mai la stessa. Qui prende una decisione: non vuole tornare in una società che ignora e disprezza "quelli come lui". Ma davvero di vedere Tommaso, che vaga nudo e indisturbato per la città. Il suo punto di contatto col mondo è un altro "invisibile", Franco, un ragazzone affetto da disturbi mentali e ignorato dalla gente, l'unico che lo può vedere e che lo ospita a casa sua, instaurando con lui una bizzarra amicizia. A turbare la pace di Tommaso è però ancora la società, rappresentata dagli altri inquilini del condominio, rimanere bloccati in un'esistenza incolore e frustrante. Tra violenze, trasgressioni e tradimenti, quale sarà il destino di questi uomini e donne invisibili? "Storia di Uomini Invisibili", opera d'esordio del ventitreenne Giacomo Festi, è un romanzo che dietro a una patina fantastica racconta la crudeltà della nostra società e le sofferenze degli uomini dei nostri tempi. La storia di Tommaso, Franco e degli a siamo in fondo un po' tutti invisibili, a modo nostro?

Lately, Anviksha Punjabi can’t seem to get anything right. She is in the middle of ending her second marriage, is barely keeping any friends, and repeatedly getting into trouble at work. And as if all that weren’t enough, she must put up with her gregarious and over-bearing 67-year-old mother as a housemate. Afraid that if this goes on, she'll finally unravel completely, Anviksha decides that she ne Europe kind of break. What she doesn’t expect is that her mother, Smita Punjabi, will insist on coming along. The unlikely duo embarks on a journey complete with nudists, an unwelcome blast from the past, a British dog named Bhindi, and several eligible bachelors, and slowly, what was supposed to be a soul-searching journey for one, turns into a life-altering experience for two.

Internet intermediaries play a unique role in linking authors of content and audiences. They may either protect or jeopardize end user rights to free expression, given their role in capturing, storing, searching, sharing, transferring and processing large amounts of information, data and user-generated content. This research aims to identify principles for good practices and processes that are consistent with international standards for free expression that Internet intermediaries may follow in order to protect the human rights of end users online.
