Amid political turmoil and threats of plague, young Tom Barton accepts the risks of helping William Tyndale publish and smuggle into England the Bible he has translated into English.

After all these years of thinking 69 was our lucky number, the perpetrators of Nerve.com's wildly popular "Position of the Day" have hand-picked 366 of their very best erotic scenarios into one gloriously chunky, deeply inspiring, and hilarious compendium. Yes, that's 366 – one for each day of the year plus a little something special for leap year! Illustrated with anatomically correct drawn figures, the positions run the lusty gamut from plausible to creative to Honey, get my weight belt, this is going to require some heavy lifting! For beginners and the acrobatically challenged, there are accessible suggestions such as the Corporate Merger, the Wet Blanket, and the TV Dinner. Meanwhile, the adept and adventurous can try their hand at The Snow Blower, The Papoose, and the Quasimodo, which field-testing suggests is best attempted only after a vigorous round of stretching and a can of Red Bull. Position of the Day is about not becoming a creature of habit, because even the Excuse Me, Do I Know You? can get boring if that's the only position in your repertoire... Em & Lo (Emma Taylor and Lorelei Sharkey) pen Nerve.com's sex and relationships advice column, "The Em & Lo Down (Advice from Near-Experts)."

This book is a helpful guide for couples curious about and trying Pegging; a.k.a. strap-on sex for the first time. Experts can also learn from my techniques. Also, I offer suggestions on how to interact sexually with the opposite sex before, during, and after a pegging session.

yes, yes, YES! It seems that readers do, in fact, want to have sex every day of the year. Picking up where its outrageously successful predecessor, um, got off is Position of the Day Playbook, featuring 366 erotic couplings packed into one chunky, inspiring, and hilarious compendium. Following the publication of Position of the Day, Nerve was bombarded with reader comments: Do any of the positions work better with equipmentsay, a six-pack and a helmet? And, hey, do I still need to go to the gym if I'm regularly having sex upside down with my head on a chair and my feet wrapped around my lover's neck? Nerve has tried to address these concerns and others in this latest edition. A team of nimble, limber, and extremely attractive volunteers selflessly ventured to the laboratory for months of researchthe results of those experiments are now available for only \$12.95! Each sexual position comes with an estimated caloric expenditure (for each person involved), a list of possible side effects (leg cramp, lawsuit), and equipment recommendations (hanging bar, stethoscope, cowboy hat). And no workbook, ahem, playbook, would be complete without a followup section for comments and rating boxes for the reader to fill out. Publisher's note: Should parties find themselves stuck in one of the positions, they are advised to contact 911 immediately and neither Chronicle Books nor Nerve directly.

"From the co-creator of the Occupy Wall Street movement, a refreshing manifesto that inaugurates the future of social activism and the end of protest as you know it. Intellectually ambitious and spiritually compelling, [this work] will be the most talked-about non-fiction book in 2016. Activism is broken. In recent years we have witnessed the largest protests in human history. And yet these mass mobilizations no longer change society. Now protest is at a crossroads: innovation or irrelevance. Drawing on his unique experience as a founder of Occupy Wall Street, in his first book, 'The End of Protest,' Micah White explores the theory, tactics and principles of social change."

Readers can banish boredom from the bedroom all year with this day-by-day guide to the most erotic foreplay and exciting sex imaginable.

After the overwhelming success of my first book, "69 Sex Positions. Essential Moves to Spice Up Your Sex Life (with illustrations). Book I", I decided to publish a second one for adventurous lovers. This is the perfect "sex positions" book for couples who are physically active and who love to experiment and challenge themselves. You won't need a lot of special equipment - only a willingness to learn, practice and experiment. While positions in this book are targeted toward physically active and flexible people, everyone can try them and build up slowly. You'll get stronger and fitter while you're having great sex - talk about additional motivation! You will learn 69 advanced sex positions that are challenging but easy to understand, as they are accompanied by explicit original illustrations. These sex positions are divided into the following categories: Lying-Down Positions. Sitting Positions. Standing Positions. Kneeling Positions. If you think you've done it all, try this book. You will find new moves that will take the routine out of your sex life and bring a new spark into your bedroom! Want to learn more to experience mind-blowing, satisfying sex? "Experienced West End actress Freddy Carlton takes on an Austen-inspired play, a scandal at a country estate, an enthusiastic search for a passion outside of acting, and the (some people might say icy) heart of London's most feared theater critic"--Back cover.

An action-packed, on-the-ground memoir of the Fort McMurray wildfire and the courage, resilience, and sacrifice of the firefighters who saved the city. In May 2016, what began as a remote forest fire quickly became a nightmare for the ninety thousand residents of Fort McMurray. A perfect combination of weather, geography and circumstance created a raging wildfire that devoured everything in its path. Winds drove the flames towards the town, forcing the entire population to evacuate. As the fire swept through neighbourhoods, it fell to the men and women of the fire department to protect the city. Born and raised in Fort McMurray, Damian Asher was a fifteen-year veteran and captain in the city's fire department. Day after day, Damian and his crew remained on the front lines of the burning city. As embers rained down around them, they barely slept, pushing their minds and bodies to the brink as they struggled to contain the fire. As he led his crew through the smoke and the flames, Damian had little time to worry about whether the house he had built for his family was still standing. With media unable to get into the locked-down city, the world watched in hope and fear, wondering what was happening on the fiery streets. Finally, after weeks of battling the wildfire, the firefighters managed to regain control. When the smoke cleared, much of the city had been destroyed. Would things ever be the same? How would the city reunite? What would it take to rebuild life in Fort McMurray?

Covers many aspects of adult human sexuality, with a brief historical and educational overview of the body and detailed descriptions of various techniques, acts, and fantasies.

Is It Worth \$15 To Learn How To Meet, Attract and Keep the Women You Most Desire? Is it worth \$15 to have access to a proven strategy that can help turn even the shyest man into an attractive social man capable of dating the women he really wants. Is it worth \$15 to learn how to turn your biggest obstacle (fear of rejection and not being enough) into your #1 asset? To eliminate your approach anxiety, increase your social confidence, and to develop the single most important trait (no it's not what you think) required to improve your dating life and relationships. Unlike the other "dating advice" books on the market, the Dating Playbook For Men isn't packed with fluff and filler content that leaves you even more confused before you picked up the book. No games. No rah rah motivation. No weird seduction tactics. It's just raw, actionable content designed to turn you into the strongest version of yourself capable of dating the women you truly desire. It's worked for 1000s of men already so there is no reason why it cannot work for you too. One word of warning: If you expect a magic "push of a button" formula that will require no effort on your part then you are completely mistaken and you may want to exit this page. What you will receive is a mindset shift and a Proven 7 Step Strategy that will give you the courage to take action and change not only your dating life - but who you are as a man, which will positively affect every other aspect of your life as a bonus. Inside this action packed book you're about to learn: How to deepen your masculine polarity to become a stronger Grounded Man. How to understand what women really want and desire at their core from men. How to build an adventurous social life that women can't get enough of. How to go out, meet women and get them to chase you without being needy. How to go from getting her phone number to the setting up the first date. How to have a perfect first, second and third date - and beyond. How to naturally transition from dating and into a relationship. How to have a happy and loving relationship and be the Grounded Man that she'll want to be with and won't cheat on. Now let me ask you a question... Where will you be in 30 days? Will you be in the same old situation, scared of talking to women, desiring the girl you saw at the coffee shop or gym, but being crippled by your approach anxiety. Or will you be a man of purpose. A man who doesn't hesitate when he sees a woman he desires, and has a calendar filled with exciting dates with beautiful women who are fighting for your attention? It's up to you. If you spent \$15 and all it did was finally... Make you a confident grounded man who goes after what he wants in life.... Would it be worth it? Help you overcome your fear of approaching women... Would it be worth it? Have weekends packed with adventurous social activities with fun and beautiful women.... Would it be worth it? Stop you from experiencing a heart wrenching breakup that steals years away from your life.... Would it be worth it? Join Andrew Ferebee now on the greatest adventure you'll ever have and one that every man must fully commit to at least once in their lives. This is your time. You're going to like the man you become after reading this book. 1000s of men live by it.

These ambitious moves encourage intimacy and help to promote love, trust and communication between partners to enhance the sexual experience.

Concise instructions accompany full-colour photographs of each position, leaving nothing unclear but making anything possible.

Is your sex life getting boring? Are you using the same old drab sex positions every time? Is your sex life not stimulating enough? If you are in the 'yes' to these questions bracket, you will be happy to know that this is not a new thing and most partners experience this all the time. Even so, you cannot be content with the same old thing because if you comply to this, your sex life will eventually be, you guessed it, nonexistent. This sex guide provides an illustrated roadmap to bedroom adventures because if we are being truthful, it never hurts to learn new tricks. As you may very well know (If you do not know, you can use your imagination), there are various categories of sexual positions. These include the following: Sitting positions, Kneeling positions, Man on top and woman on top positions, Tantric sex, Side by side sex position, Rear entry, Standing position, and Adventurous sex positions. This book delves into many of these sex positions categories and guides you through experimenting with each category. Get cozy as the guide takes you through surefire sexual positions that upon practicing will leave you satisfied beyond imagination.

Stories of government management failures often make the headlines, but quietly much gets done as well. What makes the difference? Ira Goldstein offers wisdom about how to lead and succeed in the federal realm, even during periods when the political climate is intensely negative, based on his decades of experience as a senior executive at two major government consulting firms and as a member of the US federal government's Senior Executive Service. The Federal Management Playbook coaches the importance of always keeping four key concepts in mind when planning for success: goals, stakeholders, resources, and time frames. Its chapters address how to effectively motivate government employees, pick the right technologies, communicate and negotiate with powerful stakeholders, manage risks, get value from contractors, foster innovation, and more. Goldstein makes lessons easy to apply by breaking each chapter's plans into three strategic phases: create an offensive strategy, execute your plan effectively, and play a smart defense. Additional tips describe how career civil servants and political appointees can get the most from one another, advise consultants on providing value to government, and help everyone better manage ever-present oversight. The Federal Management Playbook is a must-read for anyone working in the government realm and for students who aspire to public service. Get ready for the best year of your life! 365 Sex Moves offers couples hot and exciting positions for every day of the year. Filled with stunning photography and short technique descriptions that get right to the point, this book allows you to simply pick-up-and-play and do the position shown.
