Tarot has long been revered for giving detailed and accurate forecasts. Doreen Virtue and Radleigh Valentine have created the first deck of tarot cards that is 100 percent gentle, safe, and trustworthy! All of the words in this deck, as well as the artwork by Steve A. Roberts, are positive and beautiful, while still retaining the magical effectiveness of traditional tarot. The accompanying guidebook explains the general meaning of each card and walks you through the steps of giving an accurate reading

"Staying here tonight. A beautiful motel as most of them are and there are so many." So wrote a traveler spending a night at a motel between Richmond and Petersburg, Virginia writing home on the motel's postcard in 1955. U.S. Highway 1, before the arrival of Interstate 95, was considered America's Main Street, the most heavily traveled highway on the east coast, running from the Canadian border in Maine to Key West, Florida. In 2010, Highway 1 was designated an Historic

Highway. The stretch of highway between Richmond and Petersburg, long known locally as the Richmond-Petersburg Turnpike, or "Pike" for short, was an important stopover for tourists driving to and from Florida and the number, and variety, of travel accommodations attest to the Pike's popularity. Using over 160 postcards along with over 55 other images including some provided by the Virginia Department of Historic Resources and the Chesterfield County Historical Society, the book provides a history of motels, tourist courts, tourist camps, etc. that flourished along Historic Highway 1 from 1920 to 1975. But

Spending the Night on the Pike is not a history of postcards. It is a history of what postcards tell us about travelers in the first half of the 20th century and of the evolution of the lodging that accommodated them. For many tourist courts and motels, postcards are the only record remaining of these once vibrant businesses and are the source of clues that help identify buildings that still remain but are hidden or disguised. For those motels still operating, their postcards give us a glimpse of their former glory, when they were new and polished, before the arrival of the interstates that siphoned off the tourist business.

File Type PDF Postcards From Spirit A 52 Card Oracle Deck

And they tell of the time when motels were family-owned “Mom and Pop's” and proudly advertised that fact on their postcards. It is also a nostalgic look back for those who remember the time when road trips required driving through towns instead of around them and of a time that seems less complicated, less stressful, and less rushed. And for those who take the time to look, the motels, tourist courts, and tourist cabins still standing provide us a reminder of that earlier time.

careful studio scenes, and exquisitely simple still lifes. Essays shed new light on the artist's most acclaimed images; themes of materiality, exile, and communication; his illustrious and bohemian social circle; and the changing identity of art photography. Playful yet refined, the book's design reflects the spirit of 1920s Paris while underscoring the modernity of the catalogue's more than 250 illustrated works. Kertész made his rigorously

composed prints on inexpensive but lush postcard stock, sharing them with friends and sending them back to family in Hungary. The works reveal the artist learning his craft as he encountered an international group of modernists--including Piet Mondrian, Fernand Léger, and Joseph Csáky--in the interwar metropolis. Prized by collectors as well as by Kertész himself, the cartes postales influenced his compositions and the intimate scale

Twelve-year-old Skyler is in for a summer of adventure in Venice, Italy, as she pursues a dream opportunity in the hilarious MIX novel that's a companion to The BFF Bucket List. Skyler is about to go on the biggest adventure of her life. Her mother has been relocated to Venice, Italy, and there is the possibility it could be a permanent move. While there, Skyler will be blogging and writing about the city as part of an informal internship that could lead to

bigger things for her if all goes well. One of her fellow interns, Logan is cool, cute, and Australian. But the other intern, Zara, isn't quite as nice, and seems determined to sabotage all of Skyler's suggestions. And with a big assignment coming up, Skyler is stumped as to what to write about. Skyler wishes she has someone to talk to, the first person who comes to mind isn't even on the continent: her BFF, Ella. Skyler knows that Ella would probably have the solution to a lot of her problems, especially the writer's block, but they didn't leave on the best of terms after a bucket list went a little awry. Thanks to technology, Skyler and Ella slowly begin to talk like old
