This is the of the add-on voicing reference volumes for the 'Adventures in Harmony Music Course'. There is no instruction in this volume. The main instruction volume for this series is: The Handbook of Harmony - Gospel - Jazz - R&B - Soul Chords - ISBN - 1453700951. B&W - ISBN - 1453684093. This volume contains voicings for their patent pending melody harmonization system. These are the voicing for the melody notes corresponding to the tones I through Major VII. The voicings in this reference are beautiful two handed voicings that have that black gospel praise and worship feel. This reference volume is an add-on to the main voicing reference ISBN: 1453703551 and ISBN: 1453703535. The voicings in this reference are used in the patent pending system and technique created by Creative Music. Creative Music has developed a revolutionary method enabling keyboard musicians to quickly harmonize a line of notes with infinite chord changes. Imagine being able to play a different chord on every melody note! The system is such that no two musicians will come up with the same resulting harmonization. With this course you will be creating harmonies and progressions to go with music of your choice. There are no songs or progressions to memorize in this course. This is because you are going to be creating your own progressions and harmonies to go with the songs that you choose. This is a step-by-step that you can apply to any piece of music Gregory Moody Creative Music's founder is an accomplished musician and software engineer, who comes from a family lineage of musicians, i.e., his world famous cousin NEA jazz master and recording artist, James Moody. Music education has not changed in the last century, and Creative Music is on the forefront of turning that around. We are re-inventing how music has been taught for the last century. Our instructional method goes against the grain of all past music education teaching methodologies. This voicing reference is an add-on to the main course and contains new voicings.

Also many charts include unnecessary chords that get in the way and make it hard for most musicians to actually sound good playing the song. That is why I have written these simple, accurate, and easy-to-play charts. Using my charts, you can play these great songs with 4 simple modern chord shapes on guitar or piano. My simple one-page charts will help you play with ease and help you put more focus on what really matters... worshipping God. The nice thing about playing on guitar or piano with my YouTube videos for every song at www.worshiptheKing.com/playingand is all picked from the Top CCLI reports from worship teams across the country. Every song is in the key of G to make it extremely easy to learn and play -easy slash marks so you know exactly when to switch chords. -NO note reading required. You get the same charts the band uses every week to learn worship!

How Sweet the Sound Hymns and Choruses with Guitar Chords

10,000 Reasons reveals the stories beyond the well-known church anthem, fusing global worship leader Matt Redman's own encounters of God with those from believers throughout the ages. In just four years, "10,000 Reasons" has become one of the church's most popular modern worship anthems in times of triumph as well as trial. In this book, global worship leader Matt Redman connects the dots between singing the song and living the life. In addition to sharing details behind the song's creation, this book takes readers beyond the song. Matt explores the influences and experiences that have taught him how to trust God in all situations—from his own personal trials to stories of hymn writers like John Wesley as well from current and ancient heroes of our faith.
