

Prayer Of Caleb By Elisha Goodman Free

The Apostolic Constitutions are made up of eight treatises covering the early church's discipline, worship, and doctrine. It was intended to act as a manual to guide the clergy and to serve as a catechism for the laity. It claims to be written by the Twelve Apostles. The structure of the work is: Books 1-6: Admonitions about Christian life, prayer, orphans and martyrdom. Rules about the qualifications of bishops, deacons and deaconesses and widows. Rules about church-building, fasting, the education of children and heresies. Book 7: A rewrite of the Didache along with prayers. Book 8: A treatise on charismata and a rewrite of the Apostolic Tradition along with the "Canons of the Apostles." This work is taken from: Ante-Nicene Fathers, Vol. 7. Edited by Alexander Roberts (1826-1901), and A. Cleveland Coxe (1818-1896). (Buffalo, NY: Christian Literature Publishing Co., 1886.) Translated by James Donaldson (1831-1915). The original footnotes and Bible references are preserved. Also, illustrations have been added of the Gospels events and the Biblical characters referred to in the text.

An early American textbook for beginning readers, that includes a rhyming alphabet, Bible questions, and Shorter Catechism, with original woodcut illustrations.

Illuminating the ethical legacy of the biblical prophets, Path of the Prophets identifies the prophetic moment in the lives of eighteen biblical figures and demonstrates their compelling relevance to us today. While the Bible almost exclusively names men as prophets, Rabbi Barry L. Schwartz celebrates heroic, largely unknown biblical women such as Shiphrah, Tirzah, and Hannah. He also deepens readers' interpretations of more familiar biblical figures not generally thought of as prophets, such as Joseph, Judah, and Caleb. Schwartz introduces the prophets with creative, first-person retellings of their decisive experiences, followed by key biblical narratives, context, and analysis. He weighs our heroes' and heroines' legacies--their obstacles and triumphs--and considers how their ethical examples live on; he guides us on how to integrate biblical-ethical values into our lives; and he challenges each of us to walk the prophetic path today.

The Old Testament, particularly the Former Prophets, has frequently been regarded as having a negative attitude towards foreigners. This has meant that these texts are often employed by those opposed to the Christian faith to attack the Bible; and such views can be echoed by Christians. While the story of David and Goliath is cherished, other episodes are seen to involve 'ethnic cleansing' or 'massacre' and are avoided. David Firth's contention is that this view emerges from an established interpretation of the text, but not the text itself. He argues that the Former Prophets subvert the exclusivist approach in order to show that the people of God are not defined by ethnicity but rather by their willingness to commit themselves to the purposes of Yahweh. God's purposes are always wider than Israel alone, and Israel must therefore understand themselves as a people who welcome and include the foreigner. Firth addresses contemporary concerns about the ongoing significance of the Old Testament for Christians, and shows how opponents of Christianity have misunderstood the Bible. His reading of the Former Prophets also has significant ethical implications for Christians today as they wrestle with the issues of migration and what it means to be the people of God. "In approaching the study of one of the books of Scripture it must be of considerable help to the student if he can ascertain what is its main design and what is its outstanding topic. As pointed out in the pages in our Introduction to Exodus each book in the Bible has a prominent and dominant theme which, as such, is peculiar to itself, around which everything is made to center and of which all the details are but the amplification. What that leading subject may be, we should make it our business to prayerfully and diligently ascertain. This can best be discovered by reading and re-reading the book under review, noting carefully any particular feature or expression which occurs frequently in it—such as "under the sun" in Ecclesiastes or "the righteousness of God" in Romans. "The book of Joshua records one of the most interesting and important portions of Israel's history. It treats of the period of their estate as a nation, of which Genesis was prophetic and the rest of the Pentateuch immediately preparatory. The books of Moses would be imperfect without this one: as it is the capstone of them, so it is the foundation of those which follow. Omit Joshua and there is a gap left in the sacred history which nothing could supply. Without it what proceeds would be incomprehensible and what follows unexplained. The sacred writer was directed to fill that gap by narrating the conquest and apportionment of the Promised Land. Thus this book may be contemplated from two distinct but closely related standpoints: first as the end of Israel's trials and wanderings in the wilderness, and second as the beginning of their new life in the land. It is that twofold viewpoint which supplies the clue to its spiritual interpretation, as it alone solves the problem which so many have found puzzling in this book." Arthur Walkington Pink was an English Christian evangelist and Biblical scholar known for his staunchly Calvinist and Puritan-like teachings. Though born to Christian parents, prior to conversion he migrated into a Theosophical society (an occult gnostic group popular in England during that time), and quickly rose in prominence within their ranks. His conversion came from his father's patient admonitions from Scripture. It was the verse, Proverbs 14:12, 'there is a way which seemeth right unto a man, but the end thereof are the ways of death,' which particularly struck his heart and compelled him to renounce Theosophy and follow Jesus.

To further Athaliah and Jezebel's strategies, she is forced to marry Yahweh's high priest and enters the unfamiliar world of Yahweh's temple. Updated and Expanded Edition of a Landmark Text on an Urgent Topic Now updated and expanded, this landmark text reveals God's purposes for his covenant people in these times--and how this revelation is impacting the church. Unlike Ruth in the Old Testament, many of us have turned our backs on the Jewish people, the relatives of the Messiah, and we share the collective guilt for centuries of their persecution. These pages remind us that now, more than ever, we must confess, embrace, and intercede for the chosen people of God, aligning our prayers with God's plan. Once again, Israel and her people are center stage at a crucial moment in world history, and this book shows why the church must effect reconciliation and why our prayers are vital in this hour. If we will make the same covenant pledge to Israel that Ruth made to Naomi, the church will never be the same!

With Contributions by John Piper, John MacArthur, Jerry Bridges, Randy Alcorn, and Helen Roseveare These powerful calls to godly perseverance from four admired Christians elevate the value and necessity of lifelong faithfulness in the lives of God's people. Many people seek to better their lives by leaving, changing, swapping, or modifying their commitments. But God's Word holds up a beautiful value that, while difficult, leads to deep satisfaction and great reward: endurance. Such long, steady, hold-the-course perseverance is especially needed within our vacillating generation. This thoughtful book thus not only elevates the virtue of godly endurance but bears witness to its power in the Christian life through the exhortations of John Piper—who provides the context and overview for the entire book—John MacArthur, Jerry Bridges, Randy Alcorn, and Helen Roseveare. Each contributor represents a different kind of endurance: from MacArthur's longtime, faithful shepherding of a church to Alcorn's radical obedience in the culture wars, from Bridges' unswerving patience through suffering to Roseveare's courageous constancy on the war-torn mission field. Stand will awaken and solidify rugged, Christ-exalting endurance in people who are weary in their faith journey or who simply long to remain firm to the end. And for everyone who dreams of a Christian culture—shift from brief trial runs to lifelong commitments, John Piper and Justin Taylor's latest offering is a watershed that will serve to seal that vision in people's minds and hearts.

Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light on these experiences in recent years, so that we now know much more about the phenomenon of "hearing voices" than ever before. The present work considers biblical,

historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in order to explore how some voices may be understood theologically as revelatory. It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God.

There is no point in expecting anything from God without living righteously before Him. If you desire the blessings of God in your life, you want to see miracles worked in your family, and you want God to hear and answer your prayers, there is only one way to do this: living a righteous life before God. Discover the meaning of righteous living from the real lives of Biblical characters such as Elisha and the poor widow, Tamar (Judah's daughter-in-law), Abigail, Bathsheba, Caleb, Esau, Noah, and Judas. Living in rebellion and defiance towards God results in catastrophic consequences, while righteous living brings glorious blessings and rewards. The righteous shall prevail. The righteous are drawn to His side with everlasting love.
