But Tony's rising career as a pharmaceutical salesman demands more and more of his time. With a nice home in the suburbs and a lovely young daughter, they appear to have it all—yet they can't seem to spend time together without fighting. Hoping for a new listing, Elizabeth visits the home of Clara Williams, an elderly widow, and is both amused and uncomfortable when Clara starts asking pointed questions about her marriage and faith. But it's Clara's secret prayer room, with its walls covered in requests and answers, that has Elizabeth most intrigued . . . even if she's not ready to take Clara's suggestion that she create a prayer room of her own. As tensions at home escalate, though, Elizabeth begins to realize that her family is worth fighting for, and she can't win this battle on her own. Stepping out in blind faith, putting her prayers for her family and their future in God's hands, might be her only chance at regaining the life she was meant for.

If you're looking to learn how to get the most out of prayer, this book is indispensable. As St. Augustine notes, "When we pray, we speak to God; when we read Scripture, God speaks to us." The key to enriching our prayer is learning the language of Christianity, and the most effective way to learn the language of Christianity is an ancient technique known as *lectio divina* ("divine reading"). In these pages, you will learn: How God speaks directly to each of us in Scripture. How to overcome the obstacles to a consistent and fruitful prayer life. Why the fourfold method of *lectio divina* leads us directly into the heart of contemplative prayer. Strategies for reading — and praying — the Bible fruitfully. to my roots. No doubt, Islam has a place within me. But do I have a place within it?" Omar Mouallem grew up in a Muslim household, but always questioned the role of Islam in his life. As an adult, he used his voice to criticize what he saw as the harms of organized religion. But none of that changed the way others saw him. Now, as a father, he fears the challenges his children will no doubt face as Western nations become increasingly nativist and hostile toward their heritage. In *Praying to the West*, Mouallem explores the unknown history of Islam across the Americas, traveling to thirteen unique mosques in search of an answer to how this religion has survived and thrived so far from the place of its origin. From California to Quebec, and from Brazil to Canada's icy north, he meets the members of fascinating communities, all of whom provide different perspectives on what it means to be Muslim. Along this journey he comes to understand that Islam has played a fascinating role in how the Americas were shaped—from industrialization to the changing winds of politics. And he also discovers that there may be a place for Islam in his own life, particularly as a father, even if he will never be a true believer. Original, insightful, and beautifully told, *Praying to the West* reveals a secret history of home and the struggle for belonging taking place in towns and cities across the Americas, and points to a better, more inclusive future for everyone.
