

Pretend You're Mine

Fake relationship – Small town drama – Country music I've gotten into my fair share of awkward situations... Although, asking a random stranger to be my fake boyfriend is by far the worst. In my defense, it was an act of desperation. An act I hope will keep away the men in town who see me as their ticket to becoming the mayor's son-in-law. But I have a plan. 1. Date my fake boyfriend long enough for the news to spread across town.2. Have a very public breakup that leaves me too heartbroken to move on.3. Continue living my happily single life. There's only one problem... Harris wasn't supposed to be the kind of man I've always wanted. He's no denying the sparks that fly between us. Just when I'm about to give him my heart, he does the one thing I can't forgive. Our breakup is public all right, and the heartbreak is real. You don't fall for your brother's high school sweetheart, your boss's daughter, or your ex-wife's best friend. Especially when they're all the same woman. Under Brick Callan's mile-wide chest beats a loyal heart with a few cracks in it. He's the steadfast, overprotective type. Especially when it comes to the one woman he can never have. It's a long, complicated history punctuated by fights, friendship, family, and an attraction that strains his iron willpower. When Remi Ford returns to Mackinac Island in the dead of winter with a secret, Brick makes it his mission to find out what put the shadows in those green eyes. Even if it means breaking down the walls he's built between them. Even if it means falling for the one girl he'll never get over. The free-spirited artist just needs to lay low for a few weeks so she can figure a way out of this nightmare. She's definitely not staying. Not when the man who broke her teenage heart into splinters keeps showing up at her parents' dinner table. Remi doesn't need broody, bearded Brick riding to her rescue...again. Not when it will put them both in danger, costing them much more than their hearts. Author's Note: Frenemies-to-lovers. Opposites attract. Slow burn. Girl in danger. Glorious, glorious banter. Fighting as foreplay. Small-town shenanigans. Big, grumpy, pining, overprotective hero. Wild-child, trouble-finding heroine who keeps on pushing the hero's buttons. Steam Level: Lava. Suspense: Nail-biting. Feels: Big time. She's addicted to sex. He's addicted to booze.the only way out is rock bottom. No one would suspect shy Lilly Calloway's biggest secret. While everyone is dancing at college bars, Lilly stays in the bathroom. To get laid. Her compulsion leads her to one-night stands, steamy hookups and events she shamefully regrets. The only person who knows her secret happens to have one of his own. Loren Hale's best friend is his bottle of bourbon. Lilly comes at a close second. For three years, they've pretended to be in a real relationship, hiding their addictions from their families. They've mastered the art of concealing flasks and random guys that filter in and out of their apartment. But as they sink beneath the weight of their addictions, they cling harder to their destructive relationship and wonder if a life together, for real, is better than a lie. Strangers and family begin to infiltrate their guarded lives, and with new challenges, they realize they may not just be addicted to alcohol and sex. Their real vice may be each other.

Theo MacLeod wasn't supposed to be the one.Tall, dark and handsome suite me just fine, but the cocky grin, know-it-all attitude, and mammoth ego? No thanks. I only hired him so I wouldn't have to sit at the singles table again. It was just pretend.He wasn't supposed to kiss me. My heart wasn't supposed to pound. We weren't supposed to spend the night together—the hottest night of my life. One night turns into a snowed-in weekend away, and even the blizzard of the century can't cool the fire between us. I can't get enough—of his smile, of his body, of the way he makes me feel.We're nothing alike. He's a daredevil, and I'm a nervous Nellie. He's a drifter, and I want to put down roots. He's an opportunist with a checkered past, and I'm a Girl Scout volunteer.But none of it matters when I'm in his arms.I know he's made mistakes. I know his wounds are deep, and he doesn't trust easily. I know he doesn't believe he could ever be enough to make me happy, but he could. All he has to do is stay.

The 48 Laws Of Power

Heart of Hope

A GOOD MORNING AMERICA BOOK CLUB PICK Named a Best Book Pick of 2021 by Harper’s Bazaar and Real Simple Named a Most Anticipated Book of Fall by People, Essence, New York Post, PopSugar, New York Newsyday, Entertainment Weekly, Town & Country, Bustle, Fortune, and Book Riot Told from alternating perspectives, this “propulsive, deeply felt tale of race and friendship” (People) follows two women, one Black and one white, whose friendship is indelibly altered by a tragic event. Jen and Riley have been best friends since kindergarten. As adults, they remain as close as sisters, though their lives have taken different directions. Jen married young, and after years of trying, is finally pregnant. Riley pursued her childhood dream of becoming a television journalist and is poised to become one of the first Black female anchors of the top news channel in their hometown of Philadelphia. But the deep bond they share is severely tested when Jen’s husband, a city police officer, is involved in the shooting of an unarmed Black teenager. Six months pregnant, Jen is in freefall as her future, her husband’s freedom, and her friendship with Riley are thrown into uncertainty. Covering this career-making story, Riley wrestles with the implications of this tragic incident for her Black community, her ambitions, and her relationship with her lifelong friend. Like Tayari Jones’s An American Marriage and Jodi Picoult’s Small Great Things, We Are Not Like Them takes “us to uncomfortable places—in the best possible way—while capturing so much of what we are all thinking and feeling about race. A sharp, timely, and soul-satisfying novel” (Emily Griffin, New York Times bestselling author) that is both a powerful conversation starter and a celebration of the enduring power of friendship.

I've had the most delicious best friend since I was a kid. He's the perfect guy. Smart, funny, and he looks like a Greek god. What he helped me get this job. I was excited that we were actually going to be in the same town again. But then he moved to Chicago, sub-letting me his house, which is awesome for my budget but sad for my body. And...and my heart. The fact that Nico's on my mind is the only excuse I have for why I used his name when I needed a pretend boyfriend in order to keep my new job. But now that I've done it, it's no big deal, right? I mean, he's in Chicago, and I'm in Florida. He'll never have to know ... Until the unexpected happens, and Nico's back home. Suddenly, I have a lot of explaining to do. Although I convince Nico to play along, each day it gets harder to make believe something that feels so real. How long can I keep pretending... before the truth comes out?

He killed for her. And then he walked out on her. From the author of the #1 Amazon bestseller Pretend You're Mine, Lucy Score once again delivers an unforgettable, suspenseful love story with the conclusion to the Sinner & Saint duet. Xavier Saint has spent the last five years growing his private security firm and trying to forget Waverly Sinner and everything she meant to him. But you can't forget a love like that. She's in his blood and when it looks like Hollywood's princess is in trouble again he knows he can't stay away any longer. Waverly doesn't want to be rescued and certainly not from the man who abandoned her. She's not making room for Xavier in her new life. Waverly calls the shots now and not just in the home she's made or her thriving movie career. Her acting talents have opened up a whole new world of adrenaline-spiking opportunities. But when her side job takes a life-threatening twist, Waverly is forced to turn to the one man she swore she'd never trust again. Now, with a bullet hole in her side and Xavier demanding a second chance, the clock is ticking for her to find her partner and clear her name before she ends up on trial...or worse. Xavier is willing to do whatever it takes to keep Waverly safe and win her back, even if it means finding her missing boyfriend and delivering him to her. But the secrets she's keeping could get them killed. Author's Note: This is the conclusion of the Sinner & Saint duet and takes place five years after Crossing the Line.

Harper starts her life over again with a fake relationship with real-life hero Luke. But fake and real and hidden truths soon turn into one unforgettable love story.

Crush

When You Were Mine

Roll of Thunder, Hear My Cry

A Secret Baby Romance

You Were Mine

From #1 Amazon bestselling writer of Pretend You're Mine, Lucy Score delivers once again with the two-book Sinner & Saint story. Xavier Saint's by-the-book rules are thrown out the window when he finds himself crossing lines to keep his beautiful client in line. His business is protecting clients—often from themselves—and as co-founder of one of the top private security firms in the country, he's seen it all. But when he's contracted to protect Waverly Sinner, the stunning and rebellious actress, he finds that some rules are made to be broken. Waverly Sinner is a second-generation Hollywood goddess living in the gilded cage of expectations. She's reluctantly playing her role while counting down the days to her escape from the life she never chose. But meeting sexy, rule-bound Xavier Saint slams the door shut on her own private prison. She doesn't trust him and will do anything to shake him loose. Sparks fly and ignite when Waverly and Xavier's agendas clash. But when a dangerous stalker threatens her life, can Waverly trust Xavier to stand between her and a potential killer? Or will their growing feelings for each other endanger them both? Author's Note: This is the first novel in a two-book series. The stories take place five years apart so my astute readers can guess that this one doesn't have the happily ever after we all love. But I promise, I more than make up for it with the conclusion of Xavier and Waverly's story in Breaking the Rules.

An epistolary novel chronicles the cruel seduction of a young girl by two ruthless, eighteenth-century aristocrats. The true story of how a renowned writer's struggle with mood storms led her to try a remedy as drastic as it is forbidden: microdoses of LSD. Her revealing, fascinating journey provides a window into one family and the complex world of a once-infamous drug seen through new eyes. When a small vial arrives in her mailbox from "Lewis Carroll," Ayelet Waldman is at a low point. Her moods have become intolerably severe; she has tried nearly every medication possible; her husband and children are suffering with her. So she opens the lid, places two drops on her tongue, and joins the ranks of an underground but increasingly vocal group of scientists and civilians successfully using therapeutic microdoses of LSD. As Waldman charts her experience over the course of a month—bursts of productivity, sleepless nights, a newfound sense of equanimity—she also explores the history and mythology of LSD, the cutting-edge research into the drug, and the byzantine policies that control it. Drawing on her experience as a federal public defender, and as the mother of teenagers, and her research into the therapeutic value of psychedelics, Waldman has produced a book that is eye-opening, often hilarious, and utterly entralling.

Consider the most delicious best friend since I was a kid. He's the perfect guy. Smart, funny, and he looks like a Greek god. What he helped me get this job. I was excited that we were actually going to be in the same town again. But then he moved to Chicago, sub-letting me his house, which is awesome for my budget but sad for my body. And...and my heart. The fact that Nico's on my mind is the only excuse I have for why I used his name when I needed a pretend boyfriend in order to keep my new job. But now that I've done it, it's no big deal, right? I mean, he's in Chicago, and I'm in Florida. He'll never have to know ... Until the unexpected happens, and Nico's back home. Suddenly, I have a lot of explaining to do. Although I convince Nico to play along, each day it gets harder to make believe something that feels so real. How long can I keep pretending... before the truth comes out?

A Small Town Love Story We Are Not Like Them Pretend You're Mine

Forever Never

Rhyming verses ask the reader to purr like a cat, scratch like a dog, leap like a squirrel, and bark like a seal.

Dominic was staring at me like he couldn't decide whether to chop me into pieces or pull my hair and French kiss me. Dominic I got her fired. Okay, so I'd had a bad day and took it out on a bystander in a pizza shop. But there's nothing innocent about Ally Morales. She proves that the first day at her new job...in my office...after being hired by my mother. So maybe her colorful, annoying, inexplicably alluring personality brightens up the magazine's offices that have felt like a prison for the past year. Maybe I like that she argues with me in front of the editorial staff. And maybe my after-hours fantasies are haunted by those brown eyes and that sharp tongue. But that doesn't mean that I'm going to be the next Russo man to take advantage of his position. I might be a second-generation son of a... fill in the blank, but I am not my father. She's working herself to death at half a dozen dead-end jobs for some secret reason she doesn't feel like sharing with me. And I'm going to fix it all. Don't accuse me of caring. She's nothing more than a puzzle to be solved. If I can get her to quit, I can finally peel back all those layers. Then I can go back to salvaging the family name and forget all about the dancing, beer-slinging brunette, Ally Ha. Hold my beer. Grumpy Grump Face. Author's Note: A steamy, swoony workplace romantic comedy with a grumpy boss hero determined to save the day and a plucky heroine who is starting to wonder if there might actually be a beating heart beneath her boss's sexy vests.

Consider the most delicious best friend since I was a kid. He's the perfect guy. Smart, funny, and he looks like a Greek god. What he helped me get this job. I was excited that we were actually going to be in the same town again. But then he moved to Chicago, sub-letting me his house, which is awesome for my budget but sad for my body. And...and my heart. The fact that Nico's on my mind is the only excuse I have for why I used his name when I needed a pretend boyfriend in order to keep my new job. But now that I've done it, it's no big deal, right? I mean, he's in Chicago, and I'm in Florida. He'll never have to know ... Until the unexpected happens, and Nico's back home. Suddenly, I have a lot of explaining to do. Although I convince Nico to play along, each day it gets harder to make believe something that feels so real. How long can I keep pretending... before the truth comes out?

Pretend I'm Yours

Young Cassia Logan endures humiliation and witnesses the racism of the KKK as they embark on a cross-burning rampage, before she fully understands the importance her family attributes to having land of their own.

This collection about obsession and love is the 99th volume of the Yale Series of Younger Poets Richard Siken's Crush, selected as the 2004 winner of the Yale Younger Poets prize, is a powerful collection of poems driven by obsession and love. Siken writes with ferocity, and his reader hurtles unstoppably with him.

His poetry is confessional, gay, savage, and charged with violent eroticism. In the world of American poetry, Siken's voice is striking.

Fans of Real Friends and Be Prepared will love this energetic, affecting graphic memoir, in which a young girl uses her active imagination to navigate middle school as well as the fallout from her parents' divorce. Tori has never lived in just one world. Since her parents' divorce, she's lived in both her mom's house and her dad's new apartment. And in both places, no matter how hard she tries, her family still treats her like a little kid. Then there's the school, where friendships old and new are starting to feel more and more out of her hands. Thankfully, she has books—and writing. And now the stories she makes up in her head just might save her when everything else around her—friendships, school, family—is falling apart. Author Tori Sharp takes us with her on a journey through the many commonplace but complex issues of fractured families, as well as the beautiful fantasy narrative that helps her cope, gorgeously illustrated and full of magic, witches, and lost and found friendships.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

A Novel

My Fake Husband

Wounded veteran Aldo wishes for his old life, while Gloria tries to build a new one. Between scars and second chances, these two collide. Will they help each other heal or do more harm?

Charlotte. I thought I'd lost my bag for good. Until, the cutest guy I ever laid eyes on hung out of the moving train's window holding my bag. He wanted to chuck it to me, but my precious laptop was in it. So we agreed to meet at the next station. To thank my six foot plus Adonis I offered to buy him a drink. It was only right. He saved my bag, and he had twinkling cobalt blue eyes that made my toes curl. He was funny and charming and gorgeous at the bar. And the chemistry... off the charts, but I had career dreams that didn't include handsome bag rescuers. A few more drinks later I was rethinking my plans. Alex Turner looked like he would be great in bed, and I had a box of condoms back at my place. Surely one night was allowed...

"No More Secrets is the first novel in Lucy's Blue Moon series, set in the noisiest town in upstate New York. The Pierce brothers are Blue Moon Bend's most eligible bachelors, but the townfolk are scheming to see them all married off. Starting with the oldest, Carter, and the journalist in town to interview him about his farm and his past."—Author's website

Consider the most delicious best friend since I was a kid. He's the perfect guy. Smart, funny, and he looks like a Greek god. What he helped me get this job. I was excited that we were actually going to be in the same town again. But then he moved to Chicago, sub-letting me his house, which is awesome for my budget but sad for my body. And...and my heart. He wants me. Sex with him is going to be better than I ever imagined. He's going to ruin me for all other guys. I know that it is just for one night, but it doesn't matter. I'm happy to get my perfect night. One night isn't enough, for either of us. Because Mr. Perfect just fake proposed to me. And he wants his proposal to last a lot longer than one night. Will you pretend to be my wife? This is a standalone contemporary romance.

Industrial Motor Control

Ask a Manager

Finally Mine

After We Fall

Pretend You're a Cat

Jack Valentini isn't my type. Sexy, brooding cowboys are fine in the movies, but in real life, I prefer a suit and tie. Proper manners. A close shave. Jack might be gorgeous, but he's also scruffy, rugged, and rude. He wants nothing to do with a 'rich city girl' like me, and he isn't afraid to say so. But I've got a PR job to do for his family's farm, so he's stuck with me and I'm stuck with him. His tight jeans. His muscles. His huge, hard muscles. Pretty soon there's a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I've never done anything so out of character—but it feels too good to stop. And the more I learn about the grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn't think he deserves a second chance at happiness. But he's wrong. I don't need to be his first love. If only he'd let me be his last.

I've got a bad crush on my wife. Danger lights the fuse that smolders between us. Fake married friends with benefits? You could say it's complicated. So what happens when you really fall in love? All I know is that I'm keeping her for good.

The Sámi, who have inhabited Europe's far north for thousands of years, are often referred to as the continent's "forgotten people." With Sápmi, their traditional homeland, divided between four nation-states—Norway, Sweden, Finland, and Russia—the Sámi have experienced the profound oppression and discrimination that characterize the fate of indigenous people worldwide: their lands have been confiscated, their beliefs and values attacked, their communities and families torn apart. Yet the Sámi have shown incredible resilience, defending their identity and their territories and retaining an important social and ecological voice—even if many, progressives and leftists included, refuse to listen. Liberating Sápmi is a stunning journey through Sápmi and includes in-depth interviews with Sámi artists, activists, and scholars boldly standing up for the rights of their people. In this beautifully illustrated work, Gabriel Kuhn, author of over a dozen books and our most fascinating interpreter of global social justice movements, aims to raise awareness of the ongoing fight of the Sámi for justice and self-determination. The first accessible English-language introduction to the history of the Sámi people and the first account that focuses on their political resistance, this provocative work gives irrefutable evidence of the important role the Sámi play in the resistance of indigenous people against an economic and political system whose power to destroy all life on earth has reached a scale unprecedented in the history of humanity. The book contains interviews with Mari Boine, Harald Gaski, Ann-Kristin Hákanason, Aslak Hølmberg, Maxida Mårak, Stefan Mikaelsson, May-Britt Øhman, Synnøve Persen, Øyvind Rønne, Nillias Sombø, Anders Sunna, and Suvli West.

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outline the master Law 2: Never put too much trust in friends: learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. (From the Playboys interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

The Worst Best Man

Four Songs of Care and Constraint

Crossing the Line

An “insidious, suspenseful tale” (J.T. Ellison) with a “shocker of an ending you won't see coming” (Michele Campbell), *Because You're Mine* by Rea Frey, the author who “brings to mind Jodi Picoult” (Booklist) and “will appeal to readers of Greer Hendricks and Sarah Pekkanen” (Sally Hepworth) is a novel about how the truth will set you free. But it's the lies that keep you safe. Single mother Lee has the daily routine down to a science: shower in six minutes. Cut food into perfect squares. Never leave her on-the-spectrum son Mason in someone else's care. She'll do anything—anything—to keep his carefully constructed world from falling apart. Do anything to keep him safe. But when her best friend Grace convinces her she needs a small break from motherhood to recharge her batteries, Lee gives in to a weekend trip. Surely a long weekend away from home won't hurt? Noah, Mason's handsome, bright, charismatic tutor—the first man in ages Lee's even noticed—is more than happy to stay with him. Forty-eight hours later, someone is dead. But not all is as it seems. Noah may be more than who he claims to be. Grace has a secret—one that will destroy Lee. Lee has secrets of her own that she will do anything to keep hidden. And what will happen to Mason, as the dominoes begin to fall and the past comes to light? Perhaps it's no mystery someone is gone after all... Because *You're Mine* is a breathtaking novel of domestic drama and suspense. Prepare to stay up all night.

From the New York Times bestselling author of In Five Years comes an intensely romantic modern recounting of the greatest love story ever told—narrated by the girl Romeo was supposed to love. Rosaline knows that she and Rob are destined to be together. Rose has been waiting for years for Rob to kiss her—and when he finally does, it's perfect. But then Juliet moves back to town. Juliet, who used to be Rose's best friend. Juliet, who no one inexplicably hates her. Juliet, who is gorgeous, vindictive, and a little bit crazy...and who has set her sights on Rob. He doesn't stand a chance. Rose is devastated over losing Rob to Juliet. And when rumors start swirling about Juliet's instability, her neediness, and her threats of suicide, Rose starts to fear not only for Rob's heart, but also for his life. Because Shakespeare may have gotten the story wrong, but we all still know how it ends.

Single mom Bristol Quinn is trying desperately to rediscover happiness after the tragic accident that took her younger sister

Security Company CEO Josh Slater put his life on hold when he said “I do” to protect a stranger. While his marriage was never meant to be real—he hasn't even seen his wife in five years—Josh can't shake the idea that he'd be cheating if he moves on. Now he's a man with a mission: chase down his “wife,” get an annulment, and finally indulge in a little no-strings sex. Heirress Alexia Slater entered into a marriage of convenience straight out of high school to gain control of her inheritance before her not-so loving family squandered the whole thing. She doesn't want the marriage to be real—she's fought hard for her independence—but that hasn't stopped her from spending the last five years fantasizing about her gorgeous husband. Then he shows up. Josh wants an annulment. Lexi needs to stay married. When the chemistry explodes between them, there's no stopping the battle of wills only one of them can win... Each book in the Things to do Before You Die series is a STANDALONE and can be enjoyed out of order... Series order: Book 1: His Fantasy Girl Book 2: Her Fantasy Husband Book 3: His Fantasy Bride

Let's Pretend This Never Happened

A Sinner and Saint Novel

Things We Never Got Over

A Protectors Short Story

AN INSTANT #1 NEW YORK TIMES BESTSELLER Beautiful World. Where Are You is a new novel by Sally Rooney, the bestselling author of Normal People and Conversations with Friends. Alice, a novelist, meets Felix, who works in a warehouse, and asks him if he'd like to travel to Rome with her. In Dublin, her best friend, Eileen, is getting over a break-up, and slips back into flirting with Simon, a man she has known since childhood. Alice, Felix, Eileen, and Simon are still young—but life is catching up with them. They desire each other, they delude each other, they break apart. They have sex, they worry about sex, they worry about their friendships and the world they live in. Are they standing in the last lighted room before the darkness, bearing witness to something? Will they find a way to believe in a beautiful world?

Bearded, bad-boy barber Knox prefers to live his life the way he takes his coffee: Alone. Unless you count his basset hound, Waylon. Knox doesn't tolerate drama, even when it comes in the form of a stranded runaway bride. Naomi wasn't just running away from her wedding. She was riding to the rescue of her estranged twin to Knockemout, Virginia, a rough-around-the-edges town where disputes are settled the old-fashioned way...with fists and beer. Usually in that order. Too bad for Naomi her evil twin hasn't changed at all. After helping herself to Naomi's car and cash, Tina leaves her with something unexpected. The niece Naomi didn't know she had. Now she's stuck in town with no car, no job, no plan, and no home with an 11-year-old going on thirty to take care of. There's a reason Knox doesn't do complications or high-maintenance women, especially not the romantic ones. But since Naomi's life imploded right in front of him, the least he can do is help her out of her jam. And just as soon as she stops getting into new trouble he can leave her alone and get back to his peaceful, solitary life. At least, that's the plan until the trouble turns to real danger.

INDUSTRIAL MOTOR CONTROL 7E is an integral part of any electrician training. Comprehensive and up to date, this book provides crucial information on basic relay control systems, programmable logic controllers, and solid state devices commonly found in an industrial setting. Written by a highly qualified and respected author, you will find easy-to-follow instructions and essential information on controlling industrial motors and commonly used devices in contemporary industry. INDUSTRIAL MOTOR CONTROL 7E successfully bridges the gap between industrial maintenance and instrumentation, giving you a fundamental understanding of the operation of variable frequency drives, solid state relays, and other applications that employ electronic devices. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

"What happens when the lines between make-believe and matters of the heart begin to blur? ... But can two people working in the world of acting fake it till they make it."--Page 4 of cover.

A Small Town Romance

Pretending He's Mine

On Freedom

Just Pretend

No More Secrets

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of Furiously Happy. “Gaspingly funny and wonderfully inappropriate.”—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent Let's Pretend This Never Happened, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the one you want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. Readers Guide Inseparable Nicholas swear not to love again. His life was on auto pilot after Amanda, her first love died. Then faith played with him one crazy night, he met Cassie, a young beautiful angelic innocent girl. Now, he is in battle whether to keep his promise to his first love or break it to be with a woman he can't keep his hands and mind off with. He created a world to guard his heart but then he met her. They were united by one crazy night, can they stop from falling to each other. Both can't take their mind from each other, both can't deny the attraction they have. Can they stay together when the past holds him hostage? This is a roller coaster story will give you one hell of a ride. When can I stake his claim and say angel you're mine.

Named a Most Anticipated/Best Book of the Month by: NPR * USA Today * Time * Washington Post * Vulture * Women's Wear Daily * Bustle * LitHub * The Millions * Vogue * Nylon * Shondaland * Chicago Review of Books * The Guardian * Los Angeles Times * Kirkus * Publishers Weekly So often deployed as a jingoistic, even menacing rallying cry, or limited by a focus on passing moments of liberation, the rhetoric of freedom both rouses and repels. Does it remain key to our autonomy, justice, and well-being, or is freedom's long star turn coming to a close? Does a continued obsession with the term enliven and emancipate, or reflect a deepening nihilism (or both)? On Freedom examines such questions by tracing the concept's complexities in four distinct realms: art, sex, drugs, and climate. Drawing on a vast range of material, from critical theory to pop culture to the intimacies and plain exchanges of daily life, Maggie Nelson explores how we might think, experience, or talk about freedom in ways responsive to the conditions of our day. Her abiding interest lies in ongoing “practices of freedom” by which we negotiate our inseparability from—indeed, our inseparability from—others, with all the care and constraint that entails, while accepting difference and conflict as integral to our communion. For Nelson, thinking publicly through the knots in our culture—from recent art-world debates to the turbulent legacies of sexual liberation, from the painful paradoxes of addiction to the lure of despair in the face of the climate crisis—is itself a practice of freedom, a means of forging fortitude, courage, and company. On Freedom is an invigorating, essential book for challenging times.
