Unlocking the Hidden Mysteries of the Seer Anointing

**Prophets are seers. I will see things and then flow with what the Lord has shown me. I rely on all five of my spiritual senses to monitor things in the spirit and to focus in the spirit. God wants us to develop our senses so that we are spiritual and not just fleshly. He wants us to see things in the spirit, hear things in the spirit, feel things in the spirit, smell things in the spirit and taste things in the spirit.**

This book will explain the difference between a prophet and a seer. It will also detail some of my experiences as I grew into my calling. It is my prayer that this book will help others who are on the path as a prophetic seer to know they are not psychic but must allow the Holy Spirit to teach them and groom them as God develops them for his use for the body of Christ. You have the legal right to see in the spirit, but you may need to need to stir up the gift. Activations challenge you to exercise a gift you already have. There are biblical entryways to seer dimensions. You can ask for specific impartations and do spiritual drills to unlock dormant gifts and train your spiritual eyes to see what Holy Spirit wants to show you. Seer Activations offers practical teaching from best-selling author Jennifer LeClaire on how to activate your seeing gift by guiding readers through 101 exercises such as: Seeing visions from the pages of the Bible Seeing the throne room of God and heavens elements Seeing angels, demons and spiritual wars Seeing people's locations and conversations Walking in the Prophetic Anointing is not just a catch phrase or a magic potion that is poured on you. In fact, it is constantly living in the presence of God, so that you will be able to fulfill God's call and purpose on your life. Walking in the Prophet Anointing also does not mean that you will not experience problems. On the contrary, you will encounter battles, after battles in your life. David who was anointed to be the next king of Israel had many close calls with death despite him being anointed by God. Despite the challenges we face in our lives; God still expect us to fulfill the mandate that he has given us. Walking in the prophetic anointing also requires us to live a life of consecration, prayer and fasting, so we can maintain the presence of God in our lives. Failure to do this will result in us not being able to accomplish the purpose for which we were created. I am often reminded of Luke 4:18, "The Spirit of the Lord is upon me, because He hath anointed me to preach the Gospel to the poor. He hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised." Therefore, let us continue to walk in the prophetic anointing so that we will be able to fulfill our calling through Christ Jesus.

Understanding Prophetic People

Are Miraculous Gifts for Today? takes you to the heart of one of the most dividing questions in the Church today: how are the Holy Spirit 's miracles at work among God's people now? Is he still actively giving the gifts of tongues, prophecy, and healing that fill the book of Acts? Is he driving out demons when Christians command them to flee? Or are these events confined to the time of the early church and the apostles? This volume of the Counterpoints series provides an impartial format for comparing the four main positions on present-day miracles (including the history and distinctions between the three positions that affirm miraculous gifts) with voice also given to a large sector of open-but-cautious evangelicals: Cessationist: there are no miraculous gifts of the Holy Spirit today. Pentecostal: gifts are intended for today, with certain nuances focused on baptism and speaking in tongues. Charismatic: gifts are intended for today and should be actively practiced. Third Wave: gifts are intended for today, with greater emphasis on baptism and less on tongues. This thought-provoking book will help Christians on every side of the miraculous gifts debate to better understand their own position and the positions of others. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

**"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays. The Applause of Heaven! Developing your spiritual eye and walking hand in hand with the supernaturally prophetic. "Somehow, I was instantly in Heaven; I knew the room I was standing in was directly adjacent to the throne room of the Father," writes author James Maloney. From this exciting experience, shared in the first chapter, to the thrilling conclusion, The Panoramic Seer reveals realms and realities that most Christians don't even know exist! Panorama is the seer's prophetic gifting that releases the miraculous. It is tied into five key elements: inheritance, humility, compassion, righteousness, and faith. These keys and much more are presented to you in a spiritually sensitive way—straight from the throne room of God. You will hear the applause of Heaven when you operate as a panoramic seer. The only way to cultivate that kind of relationship with Him is in the "secret place." The Panoramic Seer takes you to that special place and offers you the powerful Kingdom secrets that have sustained the move of God from generation to generation.**

R. Loren Sandford answers fascinating questions such as, What is it like to grow up as a prophetically gifted person? What is the difference between adrenaline and anointing? Understanding The Prophetic

What is a Seer? Is there a difference between the office of a prophet and the ministry of the seer? The seer (or watchman) prays, intercedes and will prophetically know when the enemy is coming. The Eye of The Seer tells the difference between a (Nabi) prophet and a seer.

This book contains the teachings the revelations that the Lord has given Kevin Basconi over the last 12 year about the seer anointing. We are living in a God ordained moment of time when the seer realm is being released by grace to God's friends (whosoever). This book is designed to help God's people unlock the hidden mysteries of the seer anointing in their lives by understanding the idiosyncrasies of the seer anointing in a Christ centered and sound biblical manner. It is a very through biblical teaching that also is replete with dozens of prayers of activation for the reader (seers). I believe that the seer anointing will be pivotal in ushering in the last great day harvest and the return of the Messiah. When we learn to see what the Father is doing (5:19) we can recreate Christ in our sphere of influence with miracles, signs, wonders and salvations just like Jesus Christ of Nazareth.

" I want to do more than hear a word from God. I want to become that word. That is revelation ' s ultimate purpose—for the Word to become flesh. " —James GollWhat is " prophetic revelation " from God? And what is the believer ' s role in receiving and activating it? James Goll, author of the best seller The Seer, explains that although some believers are especially gifted as prophets, every follower of Jesus receives the gifts of revelation and discernment. And every believer needs to use them! In fact, without discernment and sensitivity to the Holy Spirit, we cannot progress in our use of any of the gifts and callings. With clear explanations, scriptural illustrations, and real-life contemporary stories, Goll demonstrates how we can receive revelation through the natural senses of sight, hearing, touch, smell, and taste—and how to open ourselves up to the comparable supernatural senses through which God wants to speak. He also removes uncertainty about how to discern revelation and test the spirits, so that every believer can fulfill their ultimate purpose: extending Jesus ' powerful kingdom on earth. The Discerner is both a wonderful introduction to the prophetic lifestyle and a challenging call for those already immersed in prophetic revelation.

**"The seer (mantis), an expert in the art of divination, operated in ancient Greek society through a combination of charismatic inspiration and diverse skills ranging from examining the livers of sacrificed animals to spirit possession. Unlike the palm readers and mediums who exist on the fringe of modern society, many seers were highly paid, well respected, educated members of the elite who played an essential role in the conduct of daily life, political decisions, and military campaigns. Armies, for example, never went anywhere without one. This engaging book, the only comprehensive study of this fascinating figure, enters into the socioreligious world of ancient Greece to explore what seers did, why they were so widely employed, and how their craft served as a viable and useful social practice." -- Publisher's description.**
