**A Vision for
Participation**

Since the second edition of this text was published in 1997, significant developments have taken place within occupational therapy in the mental health context. In this new

Online Library

Psychosocial

Occupational

Therapy Frames

Of Reference For

Intervention

edition, Linda Finlay addresses and reflects on these changes, including those brought about by the National Service Framework for Mental Health.

Updated with a more evidence-based approach, this discussion of the theory and

Online Library

Psychosocial

Occupational

Therapy Frames

Of Reference For

Intervention

practice of occupational therapy emphasises the need for clear aims of treatment on the basis of a sound theoretical understanding.

Case studies, practical illustrations and examples of research demonstrate the

Online Library

Psychosocial

Occupational

practical application

of occupational

therapy. At the end

of each chapter, a

Conclusion and

Reflections section

aims to provoke

discussion, aided by

the author's

personal reflections.

Applied Theories in
Occupational
Therapy: A Practical
Approach provides a
comprehensive
overview of theories
and frames of

Online Library

Psychosocial

Occupational

Therapy Frames

Of Reference For

Intervention

reference in
occupational therapy.

Unlike other texts,

there are no

distinctions between

specialty areas, as

current and

developing theories

are applied to a

continuum of health

and wellness for all

populations across

the lifespan. Practical

guidelines are

Online Library

Psychosocial

Occupational

Therapy Frames

Of Reference For

Intervention

included to assist with evaluation and intervention

strategies. Marilyn B. Cole and Roseanna Tufano examine the different levels of theory, the definition of each, and the various ways in which these levels guide occupational therapy practice. This timely text is divided into

Online Library

Psychosocial

Occupational

Therapy Frames

Of Reference For

Intervention

three sections:
foundational theories
that underlie
occupational therapy
practice, occupation-
based models, and
frames of reference.
Students and
practitioners are
provided with specific
guidelines as well as
case examples and
learning exercises to
enhance their

Online Library

Psychosocial

Occupational

understanding of applied theory. The first section

summarizes the

overarching theories

that influence the

practice of

occupational therapy

while incorporating

the Occupational

Therapy Practice

Framework. These

theories are

discussed in a step-by-

Online Library

Psychosocial

Occupational

Therapy Frames

Of Reference For

Intervention

step format as they are related to occupational therapy. The second section reviews five currently used occupation-based models, providing readers with a description of each model according to Mosey's organization structure. At the end of this section is an integrative case

Online Library

Psychosocial

Occupational

Therapy Frames

Of Reference For

Intervention

example intended to assist with the clinical integration of these models. The third section reviews and applies nine frames of reference most commonly used in occupational therapy practice today. Using the structured outline, students and practitioners can easily compare one

Online Library

Psychosocial

Occupational

Therapy Frames

Of Reference For

Intervention

frame of reference
with another as part of
the clinical reasoning

response. Topics

Covered: • Evolution

and history of

occupational therapy

theory • Proposed

taxonomy of

occupational therapy

models and frames of

reference •

Understanding

systems and contexts
