Sharad Pawar is one of India's key public figures. Through his five-decade-long career, during which he has never lost an election, he has served as chief minister of Maharashtra four times and as India's defence minister and minister for agriculture. On two occasions he came close to becoming the country's prime minister. He has often bucked the trend, preferring policy and pragmatism over populism, and won admiration for his administrative acumen and consensual politics. Eyewitness-at the highest levels-to India's and Maharashtra's history since the 1960s, he shares in this memoir his reflections on coalition politics, the loss of democracy in the Congress Party (with which he began his political life), the state of agriculture and industry in the country, and the absolute necessity of social harmony and a liberal, inclusive ethos for India's future. As he does this, he also gives us rare information about many crises and turning points: Emergency and its impact on national and regional politics; the fall of the Chandrashekhar government in 1991; the signing of the Punjab Accord between Rajiv Gandhi and H.S. Longowal; the Babri Masjid demolition; the Mumbai bomb blasts of 1993; the devastating

earthquake in Latur; the controversy over the Enron power project; and Sonia Gandhi's dramatic decision to give up the chance to occupy the country's highest office. Throughout, the narrative also contains candid and fascinating assessments of some of the biggest names in Indian politics, among them, Indira, Rajiv and Sonia Gandhi, Y.B. Chavan, Morarji Desai, Biju Patnaik, Atal Bihari Vajpayee, Chandrashekhar, P.V. Narasimha Rao, George Fernandes and Bal Thackeray. 'On My Terms' is a rich, insightful and remarkably frank memoir by one of India's most experienced and influential political leaders, and a valuable document of the country's recent political history.

Third Completely Revised and Updated Edition
Mass Communication in India is a result of the author's in-depth study and understanding of the media. The book deals with a general introduction to Communication Theory, Advertising, Television, Effects of Media and Development. In short, the book is designed to give the student of Mass Communication a general and comprehensive view of the modern and traditional media in India. It meets the objective of being a text book as well as a book that gives an overview of mass communication in India.

A comprehensive guide to the people and organizations involved in the world of popular music.

The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August, 1937 onwards, it was published by All India Radio, New Delhi. From July 3, 1949, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" in January 5, 1958. It was made a fortnightly again on July 1, 1983. It used to serve the listener as a Bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation.

From religion, to language, to the stories rooted in our faith and history books, the Nile River has proven to be a constant fixture in mankind's tales. In this dazzling, idiosyncratic journey from ancient times to the Arab Spring, Red Nile navigates a meandering course through the history of the world's greatest river, exploring this unique breeding ground for creativity, power clashes, and constant change.

Seasoned historical writer Robert Twigger connects the comprehensive history of the Nile with his personal experience of living in Egypt while researching the Nile's historical origins. Twigger covers the entirety of the river, charting the length of the Nile from its disputed origins through Africa on a whirlwind tour of the rulers, explorers, conquerors, generals, and novelists who painted the Nile "red." Both comprehensive and intimate, this narrative guides readers through history by way of the mighty river known across the world. The result of this meticulously researched book is an all-inclusive history of this epic river and the

incredible connections throughout history. The stories of excess, love, passion, splendor, and violence are what make the Nile so engaging, even after centuries of change.

THE UNTOUCHABLES

This book examines key issues concerning land acquisition, and puts forward policy suggestions. Land acquisition is one of the most important issues besetting India's political economy today. There have been many conflicts surrounding acquisitions; but there have been ample peaceful acquisitions, too. Growth in any economy requires more land. Hence in India too, in the future more and more land will be

required for the purposes of infrastructure expansion, industrialization, urbanization etc. The book also examines a number of broader policy issues in the context of land reforms and shows how a successful resolution of the land acquisition matter is vital to attaining a high rate of growth. Using a case study method, the book examines the process of land acquisition in detail and its implications for farmers. It finds that the development of acquired land leads to higher growth and higher employment; and it also leads to improvements for the dalits (the backward class people). Benefits in terms of higher revenues for the government are also observed. It argues that, if the acquisition process is properly executed, those farmers who lose land will not oppose acquisition but will instead become partners in the process of growth.

The biography of eminent entrepreneur Chandran Menon. Starting practically from scratch, Menon built up a formidable industrial empire, pioneering the auto components industry in the country and helping put the city of Kolhapur

on India s industrial map.

Book Excerpt: ...Another characteristic list of words might be made, compounded with the monosyllable tang (which in Sakai and Semang means "hand"), and conveying an idea of seizing or holding. Tang-an the hand. Tang-kap to seize. Tang-kei a stalk. Tang-gong to support. Tang-gal to drop off (having left hold). Tong-kat a walking-stick, &c. The history of the Malay people is to be discovered in the language itself, for no authentic records of pre-Muhammadan times exist. Just as an insight into the early history of our own nation may be obtained by analysing the component parts of the English tongue, and assigning to each of the languages which have contributed to make it what it is their due proportion of influence, so, by resolving the Malay language into its separate elements, of which native, Sanskrit, and Arabic are the chief, and by examining the words contributed by each, it is possible to follow with some approach to historical...

Mahatma Jotirao Phooley

A Biography of the World's Greatest River

Vol. XV. No. 23. (4th JUNE 1950)

"This is the touching story of a poor Muslim boy, who lost his father when he was two years old. He and his mother were in the clutches of poverty. This affected his upbringing. The neighbours sent him to school mainly to protect their children. In order to pay the school fees, he had to work till midnight in a nearby cinema theatre and this led him into bad ways. However, because of his extraordinary memory, he could secure first rank till the tenth standard. His proficiency in Sanskrit helped him get the much needed financial scholarship and eventually, he became an honours graduate, completed the L.L.B. and L.L.M. examinations with merit, and became a professor. His thirst to become virtuous and his quest for a Guru brought him to Bhagawan Sri Sathya Sai Baba. He had the coveted Padanamaskar and Bhagawan's one deep look into his eyes transformed him miraculously. By providence, someone suggested to him to apply for the post of a visiting professor, in Baba's college at Puttaparthi and he applied. His application, one among many thousands, was hand picked by Bhagawan Himself and thus, he got the appointment. There are many more incredible, but true incidents in the life of the author, besides a long interview with Bhagawan Baba in 1990, appearing in Chapter 8 of this book. Social and religious background is no barrier for a true devotee to earn Bhagawan's grace."

Ved Mehta's brilliant Mahatma Gandhi and his Apostles provides an unparalleled portrait of the man who lead India out of its colonial past and into its modern form. Travelling all over India and the rest of

Tagore, Sukumar Ray, Vinda Karandikar, Gulzar, Dash Benhur, Manoj Das, Navakanta Barua, Mangesh Padgavkar, Sri Sri, Vaikom Mohammad Basheer, Kunjunni and other known, lesser-known and previously unpublished authors. In forms as varied as stories and songs for children and adults, lullabies, folk tales, Bollywood song lyrics and medieval court verse, the writers open doors to wildly imaginative worlds populated by peculiar characters and fantastical creatures, where only nonsense makes perfect sense. Crackling with wit, wordplay and riotous rhyme and frequently revelling in pure gibberish, this immensely entertaining collection will delight you from start to finish.

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic, a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and their family lived cloistered in the "Secret Annex" of an old office building. Cut off from

outside world, they faced hunger, boredom, the constant cruelties of living in crowded quarters, and the ever-present threat of discovery and death. In her diary Anne recorded vivid impressions of her experiences during this period. By turns thought-provoking, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

To Connect. To Feel. To Empathize. Weather patterns are changing.

Deforestation is accelerating climate change. This sorry state of affairs has extended to the oceans as well. Overfishing and rampant dumping is seriously endangering the marine ecosystem. There has never been a more urgent need to re-engage with nature. We have been away from nature for far too long and

what was once an interdependent relationship, has now become a one-way street. Where we have just been taking and not giving back in the same measure. The premise of this book is to reawaken the ' kindred spirit ' feeling with nature. It believes that when we go back to nature, we will be able to get the relationship going. The book is written as a collection of adventures, memories and thrilling encounters with wildlife over 40 years of trails and treks of the Wilson College Nature Club in biodiversity across India. The pages chronicle amazing creatures, plants, herbs, animals, birds and everything that makes nature so fascinating. It is the voice of a nature lover keen to get people off their couches and screens to experience nature at their own pace. It is meant to rekindle the desire to go out there and give Mother Nature much needed TLC.

Writing and spreading positivity is like paying gratitude to the Almighty. I ' d like to express my gratitude to my parents who continue to bless me to be a better human being, to my educational background, to my gurus to for their guidance, to my community who allowed me to be responsible and last but not the least, to my country whom I ' m always proud of. Gratitude to all people who inspired me and encouraged me and made me what I am today. - Author

Praised by the New Yorker and New York magazine, Saul Austerlitz ' s fascinating behind-the-scenes look at Friends, is, according to Newsweek, the " next best

thing ” to a cast reunion. In September 1994, six friends sat down in their favorite coffee shop and began bantering about sex, relationships, jobs, and just about everything else. A quarter of a century later, new fans are still finding their way into the lives of Rachel, Ross, Joey, Chandler, Monica, and Phoebe, and thanks to the show ’ s immensely talented creators, its intimate understanding of its youthful audience, and its reign during network television ’ s last moment of dominance, Friends has become the most influential and beloved show of its era. Friends has never gone on a break, and this is the story of how it all happened. Noted pop culture historian Saul Austerlitz utilizes exclusive interviews with creators David Crane and Marta Kauffman, executive producer Kevin Bright, director James Burrows, and many other producers, writers, and cast members to tell the story of Friends ’ creation, its remarkable decade-long run, and its astonishing Netflix-fueled afterlife. Readers will go behind the scenes to hear from the people who were present as the show was developed and cast, written and filmed. There will be talk of trivia contests, prom videos, trips to London, Super Bowls, lesbian weddings, wildly popular hairstyles, superstar cameos, mad dashes to the airport, and million-dollar contracts. They ’ ll also discover surprising details—that Monica and Joey were the show ’ s original romantic couple, how Danielle Steel probably saved Jennifer Aniston ’ s career, and why Friends is still

so popular that if it was a new show, its over-the-air broadcast reruns would be the ninth-highest-rated program on TV. The show that defined the 1990s has a legacy that has endured beyond anyone's wildest expectations. And in this hilarious, informative, and entertaining book, readers will now understand why.

Dalit literature particularly fiction, autobiography and poetry has emerged as a vital modern literary force in India. The scope and richness of this literature is brilliantly exemplified by novels like Fakira which is the landmark novel in the foundation of Dalit literature in India. Authors like Anna Bhau Sathe illustrate experiences of caste discrimination, untouchability, and Dalit subjugation. The undaunted and ceaseless battle of the protagonist Fakira for the collective welfare of his community forms the core of the narrative. He revolts against the rural orthodox caste system and the British Raj to save his village from utter starvation, humiliation and death.

There are twelve zodiac signs in the zodiac. These twelve signs have certain qualities. Of

these, except the Sun and the Moon, the rest of the other Rash have got ownership of each planet. Like Aries-Scorpio is their planet lord Mars. Similarly, others are the owner of the remaining amount. Due to their influence, the person's nature, qualities, demerits show their results in life. According to them, the working style of life is determined. Gemini : Natives of Gemini zodiac can be very courageous and vice versa. They can also become violent under the influence of Harshal. They are sociable and autistic.
