**stuff,” *Pugs For Dummies* is the ideal guide to enjoying life with this fun-loving breed. Tails are wagging with anticipation. Why? Because dogs (and the people who love them) are tired of the school of dominant, top-dog training. They are looking for a new kind of pack leader: someone funny, enthusiastic, intuitive, approachable, and, above all, effective. And they’ve found her. Sarah Hodgson rejects dominance-based training and gets astonishing results with a blend of wit, compassion, energy and proven skills. She communicates instructions clearly, directs behavior compassionately, and rewards success lavishly. Her students—both two- and four-legged—feel valued, confident, connected, and smart. She’s the dog mommy everyone wishes they had. Dogs are very similar to humans in many ways. By several behavioral measures, a dog’s mental abilities are equivalent to those of a 2 to 3½ year old human child. Dogs are able to learn between 165 to 250 words, count up to 5, and understand basic arithmetic. They can form abstract concepts and categorize complex color photographs. Dogs can imitate human behaviors; domestic dogs are unusually skilled at reading human social and communicative behavior. They also have a sense of fairness. Doesn’t it make sense to treat these sensitive, intelligent creatures a bit more like children? Kids—and dogs—raised with kindness and respect grow up happy. And happy is good. Modern Dog Parenting will show readers that yes, you can love your dog and live with him too. A Complete Guide To Raising, Training, And Caring For Your Pug**

To know a Shih Tzu is to love a Shih Tzu . . . they're irresistible, coy, flirtatious, and passionately devoted companions. They love the good life, and though they can be shrewd (or selectively deaf, or consciously naïve), the Shih Tzu is so endearing that even "big dog" lovers find themselves swooning over this adorable breed. But is the Chinese Charmer the right match for you? Shih Tzu for Dummies answers all of your questions, like: What is a Shih Tzu really like? Can I get a Shih Tzu if I have children or other pets? How difficult is grooming? Can I do it myself or should I get a professional? How do I find a good breeder? What about a good vet? What should my Shih Tzu eat? Do small dogs really need that much training? How can I teach my Shih Tzu some basic commands? The Shih Tzu is built for one job and one job alone: to be your close personal friend for life. A dog bred for companionship must be allowed to do its job, and its job is to be with you. So, if you have the time (for grooming), dedication (for training), and room (on your lap and in your heart), the Shih Tzu is a small dog with a lot of love just waiting for a new best friend.
