Giving himself up to several men, Jeff has never felt more like himself in all his life. The Sissy Transformation: After going to a clinic for what was supposed to be a routine checkup, David Andrews is surprised to find humiliation, feminization, and sissification are on his chart. At first he protests the fact that he asked for a sissy transformation, but after an enema or two and being shipped home with some mysterious pills, he's back at his habit of wearing his ex-wife's clothing and masturbating. When he wakes up in the morning with tits, he's unsure how to cope with the changes but realizes it's time to be the cockwhore he's always been on the inside.

recent years the diversity of those participating in these fields, particularly the participation of women, has improved and there are significantly more women entering careers and studying science, engineering, and medicine than ever before. However, as women increasingly enter these fields they face biases and barriers and it is not surprising that sexual harassment is one of these barriers. Over thirty years the incidence of sexual harassment in different industries has held steady, yet now more women are in the workforce and in academia, and in the fields of science, engineering, and medicine (as students and faculty) and so more women are experiencing sexual harassment as they work and learn. Over the last several years, revelations of the sexual harassment experienced by women in the workplace and in academic settings have raised urgent questions about the specific impact of this

discriminatory behavior on women and the extent to which it is limiting their careers. Sexual Harassment of Women explores the influence of sexual harassment in academia on the career advancement of women in the scientific, technical, and medical workforce. This report reviews the research on the extent to which women in the fields of science, engineering, and medicine are victimized by sexual harassment and examines the existing information on the extent to which sexual harassment in academia negatively impacts the recruitment, retention, and advancement of women pursuing scientific, engineering, technical, and medical careers. It also identifies and analyzes the policies, strategies and practices that have been the most successful in preventing and addressing sexual harassment in these settings.

gender lines are blurred, and life takes on a totally new and exciting twist in this intensely erotic and explicit, new-adult, LGBT, bisexual, short-read, transgender romance. Look inside now. The day that I found out my husband liked wearing female underwear was a changing point in our marriage. I still loved him very much he was a good provider for the household, but things were going to have to change as part of the acceptance of this new bit of information. I called him out on it when he got home from work that day and he got down on his knees and begged me to understand that it was just something that had always been part of who he was. I made him beg until the tears were streaming down his face, and then he said the magic words that any good dominating wife loves to hear. "Honey I will do anything"

alcoholic, and the mother of two teenagers whose suburban existence detonates when she comes home early from a sales conference in Las Vegas to the surprise of a lifetime. As her world implodes, she sets off on an epic road trip to reclaim everything she believes she's sacrificed since her wild youth: Great friendship, passionate love, and her art. But as she careens across the U.S. from Detroit to New York to Memphis to Nashville, nothing turns out as she imagines. Ultimately, she finds herself resurrected on the other side of the globe, on a remote island embroiled in a crisis far bigger than her own. Irresistibly funny, whip-smart, and surprisingly moving, Donna Has Left the Building spins an unforgettable tale about what it means to be brave -- and to truly love -- in a tumultuous world.

cuckolds and their frustration, humiliation and suffering at the hands of their sadistic mistresses. Excerpt from Chapter 3 - I've become a sissy cuckold: As the weeks went by and she was not being made love to, my wife started thinking more and more about real men - men who don't wear diapers and sleep in baby's cribs. She is very forthright and honest with me and she confessed that the idea of sleeping with another man while I'm locked up and deprived was very exciting to her. We both agreed that it was only reasonable that she should be free to pursue her satisfaction outside of our marriage. Excerpt from Chapter 9 - Cum-Stained Sock: Often, when I have a man over for the night, I make my husband sleep in the guest bedroom next door to our bedroom. I make sure the sex is intense with lots of bed squeaking, headboard-pounding-against-the-wall, moaning and screaming.

Stories include: Smile for the Camera Caught Wearing Panties Friday Night Cuckold It was shortly after they were married. Diane began to suspect that her husband Stephen was a crossdresser who was wearing her clothes. Well, if he had a secret, he would no doubt deny it. She decided to document his secret escapades first. If he wanted to dress as a girl, he should have sex as a girl. But given his being secretly recorded in her pretty pink bridal nightgown, it gave Diane an idea. Her husband had some traditional ideas. So his 1st time being made to have sex as a girl should be special. Special occasions should have a special dress. What better than a long formal feminine bridal gown for her

Pansy lives with his Auntie. Pansy's Auntie is a mature full-figured lady, what they call a BBW nowadays. He was supposed to be staying with her while he went to college, but that didn't work out. The college bit, I mean; he still stays with Auntie. Life has not panned out quite the way this nineteen-year-old youth had imagined when younger — he didn't imagine he would ever answer to ‘Pansy’,

for a start! Auntie now has full control over the lad, and has successfully transformed him into a submissive, obedient, uniformed sissy-maid. He is at her beck and call round the clock. And it does not look as though that will change any time soon. Poor Pansy! Michael has a normal life - a good job, friends, and a beautiful wife. But Michael also harbors a dark secret - his deep love of frilly, feminine things, which he can only indulge when his wife is out of town. For years, Michael has taken stolen moments to indulge in his secret fantasies. However, when his wife comes home and finds out about his secret, Michael's whole life is about to change in ways that he couldn't possibly have hoped - or feared. As he quickly discovers that he may have gotten more than he bargained for, Michael's only choice becomes to accept his fate and allow himself to become....

He is unemployed and bankrupt, while his previously wife is thriving in a new position and has embarked upon an affair with the company's young boss. Her boss is black, lesbian, and VERY dominant, and she just happens to believe that her new lover's handsome but demoralised husband will make him the most perfect and obedient of household chattels. Once he has been conditioned, of course. "Knocking on her door gently and waiting for her to give me permission to enter – this to a room in a house that belonged now to my wife and had once been mine – I could hardly help but be amazed by the changes the black girl had affected in my life since her arrival five weeks ago. The short stay while she looked for her dream house had become long-term and Estelle had already informed me that Vonda wasn't looking anymore as she was comfortable here with us. The nightmare I already considered my

with hindsight, the woman sitting above him at her imperious ease had either suggested or introduced. Robert and Gilly have been married for fifteen years – happy years so he thought. Then their life together begins to change out of all recognition when the previously loyal and loving Gilly enlists the help of some like-minded and sexually warped female mentors. Before long, her husband is totally under her control as she becomes the sole ruler of his world. The pussy-whipped Robert will suffer a host of humiliations on his way to becoming a fully cuckolded slave boy, serving his wife ' s every whim.

This is the true story of how Alexa Martinez transformed her marriage by feminising her loving husband. The book explains how she took an already wonderful relationship and

moved it to a different level by taking control and introducing a reluctant husband to a life of femininity. What began as an exciting bedroom game exploded into a programme of gradual enforced feminisation. The book describes the reasons and beliefs that guided her to take this path and the tactics she had to employ to turn an unknowing and unaware masculine man into a submissive housewife called Alice. Their marriage continues to be loving and affectionate but with Alexa in complete control and with her needs paramount. Although Alice has come to accept her new status as a girl, they haven't yet come out of the closet entirely and so she also write about some of the barriers they continue to face in how she plans overcome them and also how to deepen Alice's feminisation and submission further still. She

describes what it is that she expects from a femdom relationship and why she believes that males need to be feminised. Alexa Martinez is a writer who has produced several novels on the topic of femdom and forced feminisation under the pen name of Lady Alexa as well as a blog which covers the weekly life of living in a femdom relationship.

My wife and I have always played sex games in the bedroom where we pretended I was the cuckold in the corner, but one night, my wife ' s car broke down on the way home and our fantasy became all too real. Will I be okay with the changes sweeping over my marriage? Will I allow my wife to experiment with the lifestyle she ' s always wanted? Or will I even have a choice...
