Ten years ago, Ron and his then-girlfriend, Jill, did the impossible. They bought condemned property—a big Baltimore Victorian brownstone and vowed to bring it back to its original glory. The house had been home to Baltimore's most notorious fraternity for a decade and now, wrecked and abandoned, it was filled with garbage. As if that weren't daunting enough: Ron and Jill had been dating for only six months and they knew nothing about fixing up old houses. Friends, family, and concerned onlookers told them not to do it they would surely lose their shirts and their love in the bargain. But Jill wanted the house and Ron wanted Jill. So Ron bought the house.

This hilarious parody yearbook explores the ups and downs of a year in the life of the senior class cats at Paw Paw High School. This active senior class did a lot in their last year of high school: The Glee Club Meowlers recorded their first album, "Songs to Lick Fur To," the drama club performed Cat on a Hot Tin Roof, the Ratters football coach, Fred Ball Whiskers, retired, and Sophie McMeow was voted "Most Chased." Filled with cat class photos, candid shots, and handwritten notes to the yearbook's owner, Nelson "Gill" Fish, Cat High revives the classic parody yearbook in all its black-and-white, feline-filled glory.

American National Biography is the first new comprehensive biographical dictionary focused on American history to be published in seventy years. Produced under the auspices of the American Council of Learned Societies, the ANB contains over 17,500 profiles on historical figures written by an expert in the field and completed with a bibliography. The scope of the work is enormous--from the earliest recorded European explorations to the very recent past.

"This is the stuff of fairy tales," said the Archbishop of Canterbury on July 23, 1981, after the 20-year-old Lady Diana Spencer arrived in a glass coach for her wedding to Prince Charles. But everyone knows how that fairy tale ended. Drawing upon intensive research and interviews, acclaimed biographer Anne Edwards, well-known for her revelatory and incisive books on members of Britain's royal family, here uncovers new details of Diana's life and her search for love; of her family background; and of a betrayal, historic in its outcome. What the public did not know at the time of her storybook wedding was the true story of Diana's troubled childhood--of the cold, autocratic grandfather who disdained her father, who was himself an abusive husband obsessed with having a son to inherit the Spencer wealth and title. When Diana married Prince Charles, she joined the equally troubled House of Windsor, and was caught up in a plot Shakespearean in its deception and eventual tragic ending. Anne Edwards paints a vivid portrait of a woman desperate in her marriage, fearful of her life, who became devious--and often brilliant--in the moves she played in a treacherous royal chess game. As in her superb biographies of other royal and celebrated women, Anne Edwards's Ever After

transcends the one-sided views of Diana in a work that must be called definitive. At long last, and with all of the insight and narrative drama that have marked her previous bestsellers, Edwards brings us the first full-scale, authoritative portrait of a more intelligent, more resourceful, and sometimes more ruthless woman than we have seen before. "Diana's many fans are sure to be delighted by Edwards's intimate prose and detailed descriptions." - Publishers Weekly

Anne of Windy Poplars' is the fourth book in the 'Anne of Green Gables' series. In this novel, 22-year-old Anne has left college to serve as principal of Summerside High School and settles down in Windy Poplars. Anne has to overcome opposition to her presence from an influential family, the Pringles. The Pringles family make it well known she was not what they had hoped for in their new Principal. She also finds new friends in Aunt Kate, Aunt Chatty and Rebecca D.

This early work by Lucy Maud Montgomery was originally published in 1936 and we are now republishing it with a brand new introductory biography. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled 'Anne of Green Gables'. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name. Montgomery died in Toronto on 24th April 1942.

Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed

into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description

A Love Story

In this tale, first published serially in 1841 and 1842, Dickens follows Nell Trent, an angelic and unfailingly virtuous girl of "nearly fourteen" and her grandfather as they navigate a world populated by villains, criminals and ne'er-do-wells. The public response at the time equalled modern reactions to the Harry Potter books, the audience rapt to learn of Nell's fate. Does she live a life of comfort, of which her grandfather dreams? Or does fate have something less noble in store for poor Nell? Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
