

Quick Card Amadeus

Who Was Wolfgang Amadeus Mozart? Penguin

Eminent historian Paul Johnson dazzles with a rich, succinct portrait of Mozart and his music. Johnson, who has written about Napoleon, Churchill, Jesus, and Darwin, acclaimed historian and author Paul Johnson here offers a concise, illuminating biography of Mozart. Johnson's focus is on the music—Mozart's wondrous output of composition and his uncanny gift for instrumentation. Liszt once said that Mozart composed more bars than a trained copyist could write in a lifetime. Mozart's gift and skill with instruments was also remarkable as he mastered all of them except the harp. For example, no one had the clarinet been invented and introduced than Mozart began playing and composing for it. In addition to his many insights into Mozart's music, Johnson also challenges the many myths that followed Mozart, including those about the composer's health, wealth, religion, and relationships. Always engaging, Johnson offers readers and music lovers a superb examination of Mozart and his glorious music, which is still performed every day in concert halls and opera houses around the world.

Before May 2011 the top demographics experts of the United Nations had suggested that world population would peak at 9.1 billion in 2100, and then fall to 8.5 billion people by 2150. In contrast, the 2011 revision suggested that 9.1 billion would be achieved much earlier, maybe by 2050, and by 2100 there would be 10.1 billion of us. What's more, they implied that global human population might still be slightly rising in our total numbers a century from now. So what should we do? Are there too many people on the planet? Is this the end of life as we know it? Distinguished geographer Professor Danny Dorling thinks we should not worry so much and that, whatever the impending doom may be around the corner, we will deal with it when it comes. In a series of fascinating chapters he charts the rise of the human race from its origins to its end-point of population 10 billion. Thus he shows that while it took until about 1988 to reach 5 billion we reached 6 billion by 2000, 7 billion eleven years later and will reach 8 billion by 2025. By recording how we got here, Dorling is able to show us the key issues that we face in the coming decades: how to deal with scarcity of resources; how our cities will grow and become more female; why the countries that we should really prepare for is the population decline that will occur after 10 billion. *Population 10 Billion* is a major work by one of the world's leading geographers and will change the way we think about the future. Packed full of counter-intuitive ideas and observations, this book is a must-read to prepare for the future and to help us ask the right questions.

For more than 40 years, Computerworld has been the leading source of technology news and information for IT influencers worldwide. Computerworld's award-winning Web site (Computerworld.com), twice-monthly publication, focused conference series and custom research form the hub of the world's largest global IT media network. Probably the most naturally gifted musician the world has ever known, Mozart began his career early as a child prodigy. By the age five, he was already proficient on the violin, the harpsichord and piano keyboard, and had begun composing music that had integrity. He was a showman as well, according to contemporary documents, and charmed many of the crowned heads of Europe with his performance and his manner. Inside you'll read about Early Years of Prodigy The Grand Tour 1763-66 Setbacks and Success in Vienna The Solo Trip to Italy Salzburg to Vienna Augsburg, Mannheim, Paris, and Munich Munich and Idomeneo And much more! Unlike other child prodigies

though, Mozart developed gradually into a mature musician, composing operas, concertos, forty-one symphonies, string quartets, piano sonatas, and many other kinds of music. Although he died when he was only thirty-five years old, he is still one of the most prolific composers who ever lived.***Ludwig van Beethoven is a crucial figure in the transition between the Classical and Romantic eras in Classical music. Beethoven displayed his musical talents at an early age and was taught by his father Johann van Beethoven and by composer and conductor Christian Gottlob Neefe. Inside you'll read about Background and early life Establishing his career in Vienna Musical maturity Loss of hearing Patronage Middle period Personal and family difficulties Late works Illness and death And much more! At the age of 21, he moved to Vienna, where he began studying composition with Joseph Haydn and gained a reputation as a virtuoso pianist. He lived in Vienna until his death. By his late 20s his hearing began to deteriorate, and by the last decade of his life, he was almost completely deaf. In 1811 he gave up conducting and performing in public but continued to compose; many of his most admired works come from these last 15 years of his life.

This study analyzes chamber music from Mozart's time within its highly social salon-performance context.

Take More Vacations

The Education of Karl Witte

Mozart

**** USA Today Bestseller **** The founder of Scott's Cheap Flights explains why we're searching for airfare all wrong, shares the strategies that have saved his two million newsletter subscribers a collective \$500 million on airfare, and presents a bold new approach for how to see the world while never overpaying for flights again. When Scott Keyes booked flights to Italy for \$130 roundtrip and Japan for \$169 roundtrip, he didn't just uncover amazing fares; it was the beginning of a new approach that makes travel possible for anyone who has dreamed of seeing the world. What's stopping us all from traveling more? The confusion of buying airfare—not knowing when to book, where to buy, or what to pay. Take More Vacations is the guidebook for anyone hoping to turn one annual vacation into three. Readers will discover why the traditional way of planning vacations undercuts our ability to enjoy them, and how a new strategy can lead to cheaper fares and more trips. Why cheap flights never have to be inconvenient flights, and all the steps you can take to get a good fare even when you don't have flexibility. The surprising best week for international travel, and how small airports actually get the best deals. Keyes challenges the conventional wisdom that it costs thousands of dollars to fly overseas and shows readers how to make previously unthinkable trips possible.

Their Eyes Were Watching God is a 1937 novel by African-American writer Zora Neale Hurston. It is considered a classic of the Harlem Renaissance of the 1920s, and it is likely Hurston's best known work.

Katherine Harmony Chambers is an abused, autistic savant child in a psychogenic coma. To escape her traumatic reality, she lives as Queen Kaila, the protagonist of a fantasy book she loved to read. Blaming himself for the murder of his wife and daughter, Detective Alex Knight searches for redemption by promising justice for the comatose twelve-year-old. Illuminated Shadows is an epic adventure in an enchanted world and a gripping police whodunit thriller that has reality and

fantasy converging towards an inescapable collision.

Maria Callas was almost as well-known for her personal life - her jet-setting, her staggering weight loss, her tigress-like temperament, her affair with Aristotle Onassis (he threw her over for Jacqueline Kennedy) - as she was for her singing. Of Greek parentage, the New York - born, internationally famous Callas was the most influential soprano of the 20th century, reviving a school of singing - bel canto - that had been shunted aside, if not forgotten, for 75 years. Unlike most of her generation of sopranos, she was a superb actress both vocally and physically: her voice encompassed many colours and she embodied each character she portrayed. After seeing or hearing her in a role, it was said, it was difficult to imagine another singer attempting it, so fierce was her individual stamp. Her status went beyond cult; her triumphs and failures appeared on the front page of newspapers all over the world. This profusely illustrated book covers Callas' life and career without dwelling on unimportant details; the facts are all here, but it is primarily a musical biography. The final third of the book is devoted to an analysis of the tracks on the two CDs that accompany the text - in short, they describe what made Callas unique, what made Callas Callas. Her voice was controversial; there were those who had negative visceral reactions to it, finding it ugly and weird. Millions of others worshiped it - and her. Listening to her now, more than 30 years after her early death at 54, there is no real argument: listen for yourselves to "La Divina" ('the divine one'), as the Italians dubbed her, and be amazed.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Wolfgang Amadeus Mouse ("Wolf," for short) has a big name for such a little mouse. But the name fits. His favorite pastime is listening to Mrs. Honeybee, the lady of the house, play the piano. If only he could sing along to the music! One day, Wolf decides to try -- and to his surprise, out of his mouth comes a perfect melody. It's not long before Wolf is singing everything from "Three Blind Mice" to Chopin to the Beatles, all to Mrs. Honeybee's accompaniment. Then an accident leaves Mrs. Honeybee in danger, and it's up to Wolf to save her... the only way he knows how.

Berlitz: River Cruising in Europe

Vocation Index : Name/subject Index : Author Index : Title Index : Biographical Books in Print Index

A river cruise is undoubtedly the most civilized way to see the best of Europe; you can relax in the comfort of a small vessel as you glide through picturesque towns and spectacular scenery. But how do you choose which cruise company, which kind of rivership, and where to go?

This thoroughly updated and expanded new edition of the Berlitz guide to River Cruising in Europe will tell you everything you need to know about taking a cruise along Europe's beautiful rivers and waterways. The book cuts through the brochures' hype - almost every river cruise company promises you luxury. But what does 'luxury' really mean? The guide gives you unbiased advice on the different kinds of river vessels and the facilities they offer, helping you to make an informed choice. We take you on a journey along Europe's rivers and waterways, describing the highlights along the way - the historic cities and majestic scenery of the Danube, the castles and vineyards of the romantic Rhine, and much more. Also included are listings for over 200 riverships, which are described and impartially rated, so that you can easily compare them and their facilities.

Born in Austria in 1756, Wolfgang Amadeus Mozart composed his first piece of music, a minuet, when he was just five years old! Soon after, he was performing for kings and emperors. Although he died at the young age of thirty-five, Mozart left a legacy of more than 600 works. This fascinating biography charts the musician's extraordinary career and personal life while painting a vivid cultural history of eighteenth-century Europe. Black-and-white illustrations on every spread explore such topics as the history of opera and the evolution of musical instruments. There is also a timeline and a bibliography. Illustrated by Carrie Robbins. Cover illustration by Nancy Harrison.

In this landmark of American fiction, Cather tells the story of young Alexandra Bergson, whose dying father leaves her in charge of the family and of the Nebraska lands they have struggled to farm.

*How does creativity thrive in the face of fascism? How can a highly artistic individual function professionally in so threatening a climate? Composers of the Nazi Era is the final book in a critically acclaimed trilogy that includes *Different Drummers* (OUP 1992) and *The Twisted Muse* (OUP 1997), which won the Wallace K. Ferguson Prize of the Canadian Historical Association. Here, historian Michael H. Kater provides a detailed study of the often interrelated careers of eight prominent German composers who lived and*

worked amid the dictatorship of the Third Reich, or were driven into exile by it: Werner Egk, Paul Hindemith, Kurt Weill, Karl Amadeus Hartmann, Carl Orff, Hans Pfitzner, Arnold Schoenberg, and Richard Strauss. Kater weighs issues of accommodation and resistance to ask whether these artists corrupted themselves in the service of a criminal regime--and if so, whether this may be discerned from their music. After chapters discussing the circumstances of each composer individually, Kater concludes with an analysis of the composers' different responses to the Nazi regime and an overview of the sociopolitical background against which they functioned. The final chapter also extends the discussion beyond the end of World War II to examine how the composers reacted to the new and fragile democracy in Germany.

Braxton Mathis is a young man who has lived and experienced the tragedy of losing his parents when he was just a baby. In an attempt to escape this tragedy. He leaves Houston by enlisting in the U.S. Army. After Ten years of military service, he is no closer to finding any resolution to his life's dilemma of being alone and having no real family. Mr. Marchon on the other hand, is a man with four sons but no son who is willing to build a legacy with him. Both men are standing at a crossroads when they meet and are unaware of the storm on their horizon. Nothing on God's green earth gives a man better direction than homegrown Texas women.

Twelve years ago, Geoffrey Sterling played a small but critical part in the impeachment of an American president. In the process, he lost everything he held most dear. For twelve years, Sterling has hidden from life, as a student at a small Maryland college, working as a reporter for the college newspaper. He is assigned to interview Kenneth Boland, the author of a high-profile tell-all book outlining the activities of the world's most secret covert intelligence agencies. When Boland's house explodes, his dying word - AMADEUS - propels Sterling headlong onto the gameboard of international intrigue, as a major player! In order to stay alive, Sterling must discover the meaning of AMADEUS, match wits against the latest generation of a dynasty of assassins dating back almost a thousand years, and forestall the realization of a four hundred year old prophecy which could spell the destruction of modern civilization! Don't miss this pulse-pounding thriller from the author of THE VALENTINE PROFILE, and BOBBY J.!

The Amadeus Legacy

Wolfgang Amadeus Mozart's popular serenade for strings arranged for one piano, four hands.

Wolfgang Amadeus Mozart is a genius, the most brilliant musician the world will ever see. But the court of eighteenth-century Vienna doesn't recognize his talents - only Antonio Salieri, the Court Composer, does, and he is tortured by what he hears. Seething with rage at the genius of this flippant buffoon and suddenly aware of his own mediocrity, Salieri declares war and sets out to destroy the man he sees as God's instrument on earth. Peter Shaffer's award-winning play is a rich, exuberant portrayal of a God-like man among mortals, and lives destroyed by envy."

Eine Kleine Nachtmusik (K. 525)

(Amadeus). To speak of Gerard Schwarz musician, conductor, festival organizer, gig hopper, educator, television personality, patron and proselytizer of the arts is to tell an exemplary American story. You could convey it exclusively in cliches, from his industrious emigre parents to his precocious childhood, from his ardor and diligence as a prodigy trumpeter to his meteoric rise as a conductor, from his unforeseen cross-country migration to the gradual construction of a world-class orchestra in a city formerly regarded as a cultural backwater, from the halls of New York City's High School of Performing Arts to the digital instructor's chair of the All-Star Orchestra's Khan Academy course series. You could simply recite the numbers: over 300 new works premiered, over 350 recordings in his discography, 14 GRAMMY nominations, 4 Emmy awards, six ASCAP Awards, and hundreds of other honors and laurels. You could dazzle and festoon and bewitch with talk of truth and beauty and the pursuit of ever-higher forms of artistic expression. Or you could tell it Jerry's way. Behind the Baton is a quintessentially Schwarzian memoir: intrepid, forthright, risible, subtly self-assured, and entirely unpretentious. It offers an intimate inside look at a man whose immense talent is rivaled only by his humility and work ethic a man who, for nearly fifty years, has strived to leave every orchestra and musician he touched better than when he found them. Whether you're a classical music aficionado, an orchestra initiate just

cutting your teeth, or an everyday reader interested in the remarkable story behind an extraordinary man, Behind the Baton belongs on your nightstand.

Expertly arranged flute solo by Wolfgang Amadeus Mozart from the Kalmus Edition series. This is from the Classical era.
