

Quintet In B Flat Major Op34 For Clarinet 2 Violins Viola And Violoncello Study Score

A chamber quintet for Piano, Oboe, Clarinet, Bassoon and Horn by Ludwig van Beethoven.

inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James,Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard treble repertoire of•Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

Music Minus One

Mozart originally composed his Clarinet Quintet K581 for his friend Anton Stadler who promoted the recently-developed 'basset clarinet' pitched in A. The work has since been adopted by performers on the more standard soprano clarinet. This edition makes available the work to performers who do not own an A clarinet and wish to perform it on the more common B-flat instrument. The piano accompaniment is transposed to B-flat major (from the orginal A major) and the clarinettist plays from the same music as if for the A clarinet (ensuring smooth progression to that instrument if subsequently acquired)
