

Rabbits 2018 12 X 12 Inch Monthly Square Wall Calendar Domestic Pet Animals Multilingual Edition

This 2018 Rabbits Calendar features twelve wonderfully photographed rabbit images for each month of the year.

After Natalie Maines of The Dixie Chicks expressed her opposition to the Iraq War and President Bush in a country music concert, she was told to "shut up and sing." When NFL player Colin Kaepernick protested police brutality by kneeling during the national anthem, he was applauded by some and demonized by others. Both had their careers irrevocably altered by speaking out for their beliefs. This book examines the ethical issues that arise when famous people speak out on issues often unrelated to the performances that brought those figures to public attention. It analyzes several celebrity speakers—singers Taylor Swift and the Chicks; satirist Jon Stewart; actor Tom Hanks; and athletes Serena Williams, Stephen Curry, Colin Kaepernick, and Naomi Osaka—and demonstrates that justifiable speaking requires celebrity speakers, journalists, and audiences to consider ethical issues regarding platform, intent, and harm. Celebrity speakers must exercise ethical care in a digital world where audiences equate celebrity status with authority and expertise about public issues. Finally, this book considers how people who are not famous can understand their ethical responsibilities for speaking out about public issues in their own spheres of influence.

In this moving and timely story, a young child describes what it is like to be a migrant as she and her father travel north toward the US border. They travel mostly on the roof of a train known as The Beast, but the little girl doesn't know where they are going. She counts the animals by the road, the clouds in the sky, the stars. Sometimes she sees soldiers. She sleeps, dreaming that she is always on the move, and although sometimes they are forced to stop and her father has to earn more money before they can continue their journey. As many thousands of people, especially children, in Mexico and Central America continue to make the arduous journey to the US border in search of a better life, this is an important book that shows a young migrant's perspective. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.K.3 With prompting and support, identify characters, settings, and major events in a story.

A retelling of the traditional African-American tales in which Brer Rabbit uses his wit, humor, and wisdom to deal with friend and foe alike.

"Two young women plunging into post-war Bosnia like two Alice's into Wonderland . . . smart, energetic, passionate, announcing a major talent." - Aleksandar Hemon Sara hasn't seen or heard from her childhood best friend, Lejla, in years. She's comfortable with her life in Dublin, with her partner, their avocado plant, and their naturist neighbour. But when Lejla calls her and demands she come home to Bosnia, Sara finds that she can't say no. What begins as a road trip becomes a journey through the past, as the two women set off to find Armin, Lejla's brother who disappeared towards the end of the Bosnian War. Presumed dead by everyone else, only Lejla and Sara believed Armin was still alive. Confronted with the limits of memory, Sara is forced to reconsider the things she thought she understood as a girl: the best friend she loved, the first experiences they shared, but also the social and religious lines that separated them, that brought them such different lives. Translated into English by author Lana Bastašić, Catch the Rabbit tells the story of how we place the ones we love on pedestals, and then wait for them to fall off, how loss marks us indelibly, and how the traumas of war echo down the years.

Bear is always grumpy. He has a furry frown, a sulky scowl and a grizzly, grumbly GROWL. What will it take to make Bear smile? Could it be . . . a snow rabbit? Or maybe even . . . a friend?

People Magazine Book of the Week A Best Book of the Year at Kirkus Reviews, Book Riot, The Chicago Review of Books, Minnesota Public Radio, and more An Indies Introduce and Indie Next Pick Fans of Maria Semple’s Where’d You Go Bernadette and and Kevin Wilson’s The Family Fang will delight in Annie Hartnett’s debut, a darkly comic novel about a young girl named Elvis trying to figure out her place in a world without her mother. Elvis Babbitt has a head for the facts: she knows science proves yellow is the happiest color, she knows a healthy male giraffe weighs about 3,000 pounds, and she knows that the naked mole rat is the longest living rodent. She knows she should plan to grieve her mother, who has recently drowned while sleepwalking, for exactly eighteen months. But there are things Elvis doesn’t yet know—like how to keep her sister Lizzie from poisoning herself while sleep-eating or why her father has started wearing her mother’s silk bathrobe around the house. Elvis investigates the strange circumstances of her mother’s death and finds comfort, if not answers, in the people (and animals) of Freedom, Alabama. As hilarious a storyteller as she is heartbreakingly honest, Elvis is a truly original voice in this exploration of grief, family, and the endurance of humor after loss.

Saying sorry is in crisis. On one hand there are anxious PR aficionados and social media teams dishing out apologies with alarming frequency. On the other there are people and organizations who have done truly terrible things issuing much-delayed statements of mild regret. We have become addicted to apologies but immune from saying sorry. In January 2018 there were 35 public apologies from high-profile organizations and individuals. That’s more than one per day. Between them, in 2017, the likes of Facebook, Mercedes Benz and United Airlines issued over 2,000 words of apologies for their transgressions. Alarminglly, the word ‘sorry’ didn’t appear once. This perfectly timed book examines the psychology, motivations and even the economic rationale of giving an apology in the age of outrage culture and on-demand contrition. It reveals the tricks and techniques we all use to evade, reframe and divert from what we did and demonstrates how professionals do it best. Providing lessons for businesses and organizations, you’ll find out how to give meaningful apologies and know when to say sorry, or not say it at all. The Apology Impulse is the perfect playbook for anyone - from social media executive through to online influencers and CEOs - who apologise way too much and say sorry far too infrequently.

100% of Last Week Tonight’s proceeds will be donated to The Trevor Project and AIDS United. HBO’s Emmy-winning Last Week Tonight with John Oliver presents a children’s picture book about a Very Special boy bunny who falls in love with another boy bunny. Meet Marlon Bundo, a lonely bunny who lives with his Grampa, Mike Pence - the Vice President of the United States. But on this Very Special Day, Marlon’s life is about to change forever... With his message of tolerance and advocacy, this charming children’s book explores issues of same sex marriage and democracy. Sweet, funny, and beautifully illustrated, this book is dedicated to every bunny who has ever felt different. Learn to treat a wide variety of small mammals and pocket pets with Ferrets, Rabbits, and Rodents: Clinical Medicine and Surgery, 4th Edition. Covering the conditions most often seen in veterinary practice, this highly readable and easy-to-navigate text covers preventative medicine along with disease management, ophthalmology, dentistry, and zoonosis. More than 700 full-color photographs and illustrations highlight radiographic interpretation as well as diagnostic, surgical, and therapeutic techniques. This fourth edition also features new coverage of degus (large rodent species); new coverage of prairie dogs; and expanded coverage of surgical procedures, physical therapy rehabilitation and alternative medicine for rabbits, neoplasia in rabbits, and zoonotic disease. With expert contributors from around the globe, Ferrets, Rabbits, and Rodents is the authoritative, single point of reference for small mammal care that is hard to find elsewhere. Logical organization lays out sections by different animals and organizes parts within chapters by body system — making it quick and easy to access important information. Drug formulary provides dosage instructions for a wealth of species including ferrets, rabbits, guinea pigs, chinchillas, hamsters, rats/mice, prairie dogs, hedgehogs, and sugar gliders. More than 700 photographs and illustrations highlight key concepts such as radiographic interpretation and the main points of diagnostic, surgical, and therapeutic techniques. Chapter on ophthalmology provides an area of study that is difficult to find for ferrets, rabbits, rodents, and other small mammals. Chapter outlines offer an at-a-glance overview of the chapter contents at the beginning of the chapter. Access to Expert Consult site provides an excellent comprehensive reference and a fully searchable eBook. NEW! Coverage of surgical procedures has been further expanded in this edition. Surgical procedures are presented in a separate section and shown step by step through color photographs and radiographs, accompanied by line drawings. NEW! Additional information on physical therapy rehabilitation and alternative medicine for rabbits includes chiropractic care and acupuncture. NEW! Expanded content on neoplasia in rabbits incorporates lymphoreticular disorders, thymoma, and other neoplastic diseases of rabbits. NEW! All new chapter on prairie dogs has been added. NEW! All new chapter on degus (large rodent species) has been added. UPDATED! Chapter on zoonotic disease has been updated to further cover specific zoonotic diseases in addition to addressing the increased potential for disease transmission from animals to humans. NEW! Global author perspective

Incorporates the expertise of authors practicing outside of North America. UPDATED! Photographs show the diseases and disorders that are more commonly seen in practice.

Fowler’s Current Therapy format ensures that each volume in the series covers all-new topics with timely information on current topics of interest in the field. Focused coverage offers just the right amount of depth — often fewer than 10 pages in a chapter — which makes the material easier to access and easier to understand. General taxon-based format covers all terrestrial vertebrate taxa plus selected topics on aquatic and invertebrate taxa. Updated information from the Zoological Information Management System (ZIMS) includes records from their growing database for 2.3 million animals (374,000 living) and 23,000 taxa, which can serve as a basis for new research. Expert, global contributors include authors from the U.S. and 25 other countries, each representing trends in their part of the world, and each focusing on the latest research and clinical management of captive and free-ranging wild animals.

In October 1726, newspapers began reporting a remarkable event. In the town of Godalming in Surrey, a woman called Mary Toft had started to give birth to rabbits. Several leading doctors - some sent directly by King George I - travelled to examine the woman and she was moved to London to be closer to them. By December, she had been accused of fraud and taken into custody. Mary Toft’s unusual deliveries caused a media sensation. Her rabbit births were a test case for doctors trying to further their knowledge about the processes of reproduction and pregnancy. The rabbit births prompted not just public curiosity and scientific investigation, but also a vicious backlash. Based on extensive new archival research, this book is the first in-depth re-telling of this extraordinary story. Karen Harvey situates the rabbit-births within the troubled community of Godalming to treat the women who remained close to Mary Toft as the case unfolded, exploring the motivations of the medical men who examined her, considering why the case attracted the attention of the King and powerful men in government, and following the case through the criminal justice system. The case of Mary Toft exposes huge social and cultural changes in English history. Against the backdrop of an incendiary political culture, it was a time when traditional social hierarchies were shaken, relationships between men and women were redrawn, print culture acquired a new vibrancy and irreverence, and knowledge of the body was remade. But Mary Toft’s story is not just a story about the past. In reconstructing Mary’s physical, social and mental world, The Impostress Rabbit Breeder allows us to reflect critically on our own ideas about pregnancy, reproduction, and the body through the lens of the past.

"Jon Swift + Witches of Eastwick + Kelly 'Get In Trouble' Link + Mean Girls + Creative Writing Degree Hell! No punches pulled, no hilarities dodged, no meme unmingled! O Bunny you are sooo genius!" —Margaret Atwood, via Twitter "A wild, audacious and ultimately unforgettable novel." —Michael Schaub, Los Angeles Times "Awad is a stone-cold genius." —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at a Fat Girl "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort—a clique of unbearably true rich girls who call each other "Bunny," and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled "Smut Salon," and finds herself inexplicably drawn to their front door—ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus "Workshop" where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, Bunny is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. Named a Best Book of 2019 by TIME, Vogue, Electric Literature, and The New York Public Library

The Adventures of Brer Rabbit

The first installment in Sam Misserendino and Mike Odum’s Addicted Animal Series, If You Give a Bunny a Beer is a children’s book for parents who drink too much. A humorous play off of the famous If You Give a Moose a Muffin, the book tells the story of a rabbit who had just one too many. Following the success of other adult-themed parodies of children’s books, author Sam Misserendino presents a delightful tale that will entertain readers with its charming combination of innocence and lack thereof. Featuring gorgeous full-color illustrations by illustrator Mike Odum that accompany the text, this heartwarming cautionary tale informs readers of the dangers of mixing alcohol and small mammals.

A moving and universal picture book about empathy and kindness, sure to soothe heartaches big and small—now a New York Times bestseller and a perfect gift for any special occasion When something sad happens, Taylor doesn’t know where to turn. All the animals are sure they have the answer. The chicken wants to talk it out, but Taylor doesn’t feel like chatting. The bear thinks Taylor should get angry, but that’s not quite right either. One by one, the animals try to tell Taylor how to act, and one by one they fail to offer comfort. Then the rabbit arrives. All the rabbit does is listen . . . which is just what Taylor needs. With its spare, poignant text and irresistibly sweet illustration, The Rabbit Listened is about how to comfort the people in your life, by taking the time to carefully, lovingly, gently listen.

Finalist for an NAACP Image Award for Outstanding Literature Finalist for a 2018 Southern Book Prize for Biography and History "I pounced on [Ms. Pat's] book. And I thought she did such a great job. God, [Rabbit] was entertaining. And I recommended it to so many people." * David Sedaris, author of the New York Times bestseller Calypso "An absolute must-read" – Shondaland "[Rabbit] tells how it went down with brutal honesty and outrageous humor" – New York Times "I know a lot of people think they know what it's like to grow up in the hood. Like maybe they watched a couple of seasons of The Wire and they got the shit all figured out. But TV doesn't tell the whole story." – Ms. Pat They called her Rabbit. Patricia Williams (aka Ms. Pat) was born and raised in Atlanta at the height of the crack epidemic. One of five children, Pat watched as her mother struggled to get by on charity, cons, and petty crimes. At age seven, Pat was taught to roll drunks for money. At twelve, she was targeted for sex by a man eight years her senior. By thirteen, she was pregnant. By fifteen, Pat was a rare glimpse of what it’s really like to be a black mom in America.

Peter disobeys his mother by going into Mr. McGregor’s garden and almost gets caught.

Angora rabbits are more than just cute pets. These adorable animals are bred for their uniquely silky wool. In this original book, readers will learn how angora rabbits and their fur have been used historically, how the animals are cared for, and the processes of shearing and preparing their fur. Stunning photographs of these cuddly critters are included to enhance the descriptive text. This thorough examination of life science in action supports curricular science studies.

Welcome to the woods where Monkey is causing chaos! Bunny and his friends lived a peaceful life in the forest - until Monkey's rocket crash-landed and he decided to take over! Now Monkey is causing mayhem, Bunny is determined to put a stop to it, and... what's that? It's an out of control shark tank, ruining a lovely picnic!

Wickedly ingenious and surreal ideas for all the little fluffy rabbits in this world who just don't want to live anymore, with bonus material from Andy Riley's sketchbook.

"When Taylor's block castle is destroyed, all the animals think they know just what to do, but only the rabbit quietly listens to how Taylor is feeling"--

A Novel

WINNER of the Emmy Award for Outstanding Special Class Animated Program Now a Netflix animated miniseries starring James McAvoy, Nicholas Hoult, and Oscar and Grammy award-winner Sir Ben Kingsley. A worldwide bestseller for more than forty years, Watership Down is the compelling tale of a band of wild rabbits struggling to hold discovery and struggle" (The New York Times). Richard Adams's Watership Down is a timeless classic and one of the most beloved novels of all time. Set in the Hampshire Downs in Southern England, an idyllic rural landscape, this stirring tale of "suspense, hot pursuit, and derring-do" (Chicago Tribune) follows a band of rabbits in flight from home. Led by a stothearted pair of brothers, they travel forth from their native Sandelford warren through harrowing trials to a mysterious promised land and a more perfect society. "A marvelous story of rebellion, exile, and survival" (Sunday Telegraph) this is an unforgettable literary classic for all ages.

"Truly exquisite large pictures tell a sweet story of two little rabbits who lived 'happily ever after' in the friendly forest." —CS. "Will delight the youngest ones. . . . Of unusual beauty." —SLJ. NATIONAL BESTSELLER "Mike Pence's pet rabbit is the best thing about Washington." —The Week "Marlon is ridiculously cute and appears to be fully aware of that fact." —The Washington Post Marlon Bundo is "an objectively good name for a bunny." —John Oliver, HBO's Last Week Tonight "The Vice President and his wife could kiss their au Bundo was introduced" — CNN, covering Marlon Bundo's appearance at a White House military appreciation event From the moment he hopped into the home of America's "Second Family," black-and-white bunny rabbit Marlon Bundo captured the hearts of Vice President Mike Pence, his wife Karen, and his children Michael, Charlotte, and A

family pet. like Peter Rabbit and Bugs Bunny before him, Marlon—or BOTUS (Bunny of the United States)—is a national celebrity! With his appearances at official White House events, his rides on Air Force 2, and his popular Instagram account, Marlon Bundo has become a beloved member of the Trump-Pence administration. So how does a b President? Now young readers can follow Marlon Bundo along as he hops after "Grampa" (Vice President Mike Pence) in this delightful story penned by Charlotte Pence and illustrated faithfully with watercolors from the "Second Lady" herself, Karen Pence.

"A lighthouse'd, clever send-up of zany horror conventions, this book is just the thing for kids about ready for M. T. Anderson's Whales on Stilts." —Booklist When Jules and Kevin Rockman's parents drop them off at Camp Whatsitooya on their way to an International Spamathon, the twins expect a summer of marshmallows, campfires, and earth from an invasion of sugar-addicted, murderous, seven-foot-tall rabbits from another galaxy. Happily, the Rockman twins, veteran watchers of the Late, Late, Late Creepy Show for Insomniacs, are unusually well-prepared for dealing with monstrous beings from outer space. If only their fellow campers were so lucky. Andrea Beaty, New picture books and a mystery novel, here reaches new heights of hilarity and verbal dexterity in a novel sure to become a camp—ba-dum-dum—classic. "Beaty's tale of high silliness is sure to please, and it's dotted with Santat's mini-comics and spot illustrations, which move the story along." —Kirkus Reviews "Beaty's storytelling is lighthearted entertaining narrative make it a wholly fun read." —Publishers Weekly

If You Give a Bunny a Beer

Pat the Bunny

The Animal Victims of Our Busy Highways

The Rabbits' Wedding

All the facts and information you want to know about Lionhead Rabbits and more. Guaranteed to answer all your questions, this book is a must have for anybody passionate about Lionhead Rabbits. In a straightforward, no nonsense fashion, Ann L. Fletcher covers all aspects of caring for Lionhead bunnies - including handling, health, housing, breeding, lifespan, personality, temperament, diet, suitability as pets, the equipment you need and responsibilities as an owner. The book is written in an easy to read and understandable style, based on years of experience of keeping rabbits including Lionhead Rabbits. The book is full of sound advice and answers to your questions - including some you didn't know you had!

Slaughtered along our highways, roadkill may be observed regularly, but aren't likely to be given much thought. Research scientists, animal rights activists, roadkill artists, writers, ethicists and lyricists, however, are increasingly sounding the alarm. They report that we are killing the very animals we love, and are driving many of them to the brink of extinction. Detailing the death and destruction of mammals, reptiles, amphibians, and insect pollinators, this study examines the ways in which we are thus jeopardizing our own futures. Beginning in the Model T era, biologists counted the common carnage of the time—cottontails, woodchucks, and squirrels, mostly. That record-keeping continues today. Beyond the bleak statistics, zoologists are rerouting migratory paths of animals and are advocating for cat and dog companions. This book illuminates both our successes and failures in keeping animals out of harm's way and what those efforts reflect about ourselves and our capacity to care enough to alter the road ahead.

Old Mother Rabbit lived in a shoe. She had twenty-six children and knew what to do. From Abel, who sleeps on a table, to Zed who sleeps on the shed, help Mother Rabbit tuck a whole alphabet of adorable little bunnies in for the night. You're so cute and cuddly, too... Honey bunny, I love you! Babies and toddlers will love holding, touching, and reading this adorable board book, featuring soft bunny ears and cuddly animal illustrations. With Sandra Magsamen's signature message of love, this book shows your little honey bunny just how much you love them. An adorable reissue of a beloved novelty board book from Sandra Magsamen, the best selling creator of over 30 baby and toddler books, with sales of over 2.8 million copies worldwide!

Last Week Tonight with John Oliver Presents a Day in the Life of Marlon Bundo

The fifth edition of this best-selling handbook features the same detailed approach that has made it the trusted source for raising healthy, productive rabbits — plus a total redesign with color photos and graphics. Whether you're interested in raising rabbits for show, meat, fur, or as pets, this comprehensive guide offers expert advice on breed selection, housing, feeding, humane handling, and more. In addition, author Bob Bennett includes the most up-to-date information on preventive health care, treating diseases, marketing, and showing. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

HBO Max animated special premieres March 25, 2019 The Runaway Bunny by Margaret Wise Brown, beloved children's book author of Goodnight Moon, is now available for the first time as an ebook! "If you run away," said his mother, "I will run after you. For you are my little bunny." "A little bunny keeps running away from his mother in this imaginary game of hide-and-seek. Children will be profoundly comforted by this lovingly steadfast mother who finds her child every time. The Runaway Bunny, first published in 1942 and never out of print, has indeed become a classic. Generations of readers have fallen in love with the gentle magic of its reassuring words and loving pictures.

Finalist for an NAACP Image Award for Outstanding Literature Finalist for a 2018 Southern Book Prize for Biography and History "An absolute must-read" – Shondaland "[Rabbit] tells how it went down with brutal honesty and outrageous humor" – New York Times "I know a lot of people think they know what it's like to grow up in the hood. Like maybe they watched a couple of seasons of The Wire and they got the shit all figured out. But TV doesn't tell the whole story." – Ms. Pat They called her Rabbit. Patricia Williams (aka Ms. Pat) was born and raised in Atlanta at the height of the crack epidemic. One of five children, Pat watched as her mother struggled to get by on charity, cons, and petty crimes. At age seven, Pat was taught to roll drunks for money. At twelve, she was targeted for sex by a man eight years her senior. By thirteen, she was pregnant. By fifteen, Pat was a mother of two. Alone at sixteen, Pat was determined to make a better life for her children. But with no job skills and an eighth-grade education, her options were limited. She learned quickly that hustling and humor were the only tools she had to survive. Rabbit is an unflinching memoir of cinematic scope and unexpected humor. With wisdom and humor, Pat gives us a rare glimpse of what it's really like to be a black mom in America.
