Rachels Journal The Story Of A Pioneer Girl

A new non-fiction graphic novel series for fans of March and A Quick and Easy Guide to They/Them Pronouns that explores the stories of the real groundbreakers and Marginalized Trailblazers who changed our world for the better. It's about being seen. Both for who you are, and who you hope you can become. History is a mirror, and all too often, the history we're told in school reflects only a small subset of the population. Meet Rachel Carson, the woman who changed the way America fought against the

environmental crisis through her bestselling books, ultimately spurring the creation of the U.S. Environmental Protection Agency. Birdie Willis & Rii Abrego present the true story of the marine biologist whose dedication, compassion and integrity gave a new generation of Americans hope for a brighter tomorrow.

A biography of the pioneering scientist and environmentalist, Rachel Carson, author of *Silent Spring*. "Once you are aware of the wonder and beauty of earth, you will want to learn about it," wrote Rachel Carson.

Determined and curious even as a child, Rachel Carson's fascination with the natural world led her to study biology,

and pursue a career in science at a time when very few women worked in the field. This lyrical, illustrated biography follows Carson's journey—from a girl exploring the woods, to a woman working to help support her family during the Great Depression, to a journalist and pioneering researcher, investigating and exposing the harmful effects of pesticide overuse. Best known for writing *Silent Spring*, Rachel Carson was a major figure in the early environmental movement, and her work brought a greater understanding of the impact humans have on our planet. *Rachel Carson and Her Book That Changed the World* offers a glimpse at the early life that

shaped her interest in nature, and the way one person's determination can inspire others to fight for real change. An author's note delves into how *Silent Spring* helped shape the modern environmental movement and inspired a generation of readers to get involved in conservation. Detailed source notes and a list of recommended reading are included. A National Science Teachers Association Outstanding Science Trade Book A Bank Street Best Children's Book of the Year

Rachel is a Jew living in Kishinev, Russia. At fourteen, she has dreams of being a writer. But everything is put on hold when a young man is murdered and Rachel is forced to keep the

murderer's identity a secret. Tensions mount and Rachel watches as lies and anti-Jewish propaganda leap off the pages of the local newspaper, inciting many to riot against the Jews. Violence breaks out on Easter Sunday, 1903, and when it finally ends, Rachel finds that the person she loves most is dead and that her home has been destroyed. Her main support comes surprisingly from a young Christian named Sergei. With everything against them, the two young people find comfort in their growing bond, one of the few signs of goodness and hope in a time of chaos and violence. historical narrative, one part memoir . . . harrowing and inspiring.”—The Wall Street Journal How a determined scientist cracked the case of the first successful—and disastrous—submarine attack On the night of February 17, 1864, the tiny Confederate submarine HL Hunley made its way toward the USS Housatonic just outside Charleston harbor. Within a matter of hours, the Union ship’s stern was blown open in a spray of wood planks. The explosion sank the ship, killing many of its crew. And the submarine, the first ever to be successful in combat, disappeared without a trace. For 131 years the eight-man crew of the HL Hunley lay in their watery graves,

undiscovered. When finally raised, the narrow metal vessel revealed a puzzling sight. There was no indication the blast had breached the hull, and all eight men were still seated at their stations—frozen in time after more than a century. Why did it sink? Why did the men die? Archaeologists and conservationists have been studying the boat and the remains for years, and now one woman has the answers. In *The Waves* is much more than just a military perspective or a technical account. It's also the story of Rachel Lance's single-minded obsession spanning three years, the story of the extreme highs and lows in her quest to find all the puzzle pieces of the

Hunley. Balancing a gripping historical tale and original research with a personal story of professional and private obstacles, *In the Waves* is an enthralling look at a unique part of the Civil War and the lengths one scientist will go to uncover its secrets.

This happily ever after romance tells the captivating story of two women bound together across time by a shared dream and a mysterious writing desk. Tenley Roth's first book was a runaway bestseller. Now that her second book is due, she's locked in fear. Can she repeat her earlier success or is she a fraud who has run out of inspiration? With pressure mounting from her publisher, Tenley is weighted with writer's block. But when her estranged

mother calls asking Tenley to help her through chemotherapy, she packs up for Florida where she meets handsome furniture designer Jonas Sullivan and discovers the story her heart's been missing. A century earlier, another woman wrote at the same desk with hopes and fears of her own. Born during the Gilded Age, Birdie Shehorn is the daughter of the old money Knickerbockers. Under the strict control of her mother, her every move is decided ahead of time, even whom she'll marry. But Birdie has dreams she doesn't know how to realize. She wants to tell stories, write novels, make an impact on the world. When she discovers her mother has taken extreme

Rachel in the World, which begins in Rachel's fifth year and ends when she turns twenty-two, tells of their barriers and successes with the same honesty and humor that made Loving Rachel, Bernstein's first memoir, a classic in its field. The linked accounts in part 1 center on family issues, social services, experiences with caregivers, and Rachel herself--difficult, charming, hard to fathom, eager for her own independence. The second part of the book chronicles Bernstein's attempt to find Rachel housing at a time when over 200,000 Americans with mental retardation were on waiting lists for residential services. As Rachel prepares to leave her mother's constant protection, Bernstein invites the reader to share the frustrations and

Journal your way to contentment in just 90 days. #1 New York Times best-selling author Rachel Cruze guides you on a 90-day journey toward contentment--one where you actually love your life and not someone else's. Let's be honest: We've all compared ourselves to others. You scroll through social media and see someone's latest vacation and think, "Must be nice..." Just like that, you feel like your life isn't good enough. Rachel knows the struggle is real because she's experienced the same

thing. So, she created a 90-day journal to help you stop comparing your life to others and be happier than you've ever been. The Contentment Journal is divided into 30-day increments: The first 30 days focus on gratitude - where you'll recognize the blessings in your life. The next 30 days focus on humility - where you'll think of others more and of yourself a little less. The last 30 days focus on contentment - where you'll be happy for others and not want what they have. Study after study backs up that your relationships, health, decision-making skills, kindness, and even sleep can get better with gratitude. The Contentment Journal will help you grow and change in ways you can't yet imagine. Through personal

to the burning question I had every single day after my husband asked me for a divorce: "Why?" Was it my inability to show him love like he'd told me? Was it an old attachment wound, still unhealed and bubbling at the surface? Was it the sexual trauma I'd never resolved and carried into our marriage? Was it my very real and frequent urge to end my life? Or was it him? Was it his lack of understanding for my mental illness? His lost patience for me as I tirelessly worked through old wounds in therapy? Stress from the yearlong motorcycle trip of his dreams that I vowed to go on, and did just after our wedding day? As I spiraled myself around this question and fell deeper and deeper into a depression, as the

You, me, and your Eating Disorder. And sometimes I think you love her more than me." A Love Journal Wholehearted Faith Seen: Rachel Carson A Novel About Living

"I am not going to apologize for speaking the Name of Jesus, I am not going to justify my faith to them, and I am not going to hide the light that God has put into me. If I have to sacrifice everything ... I will." "This will be my last year Lord. I have gotten what I can. Thank you."

Excerpts From Rachel's Journals Rachel Scott was a typical teenage girl who was incredibly dedicated to following and serving Christ. Though she was

mocked for her beliefs, at times doubted her faith, and constantly struggled with personal issues every teenager faces, she remained faithful to God. Then on April 20, 1999, at Columbine High School, she was killed for that faith. Rachel's Tears is a moving meditation on the life, death, and faith of Rachel as seen through the eyes of her parents and through writings and drawings from her journals. Her parents also offer a spiritual perspective on the Columbine tragedy and provide a vision of hope for preventing youth violence across the nation. It's Your Love Story in a

Author Rachel G. Carrington lays no claim to lofty jobs, higher education, nor grand accomplishments except for a love-filled, multifaceted, family-oriented, poverty-to-plenty life. In The Early Years, the first in a series, she shares her story. As a young teenager, just entering high school in the small town of Denton, Kentucky, Carrington planned to attend college and become a teacher. With coursework geared toward college attendance, she was offered a lucrative scholarship that would help her to attain her goal. However, it took only a single event to

send her down a different path. She met a returned World War II veteran who was attempting to pick up the pieces after finding his marriage in irreparable shambles and his children gone. As he struggled, Carrington was there, and they pulled together to clear the many hurdles before them. In this memoir, she tells the story of their journey and how their love and dedication for each other kept moving them forward. Filled with the joys, disappointments, and struggles of a couple, The Early Years narrates how the love of the heavenly Father was the continuous thread that bound

Carringtons life together.
New York Times Bestseller “A touching series of essays in which Evans, with Chu’s invisible pen, explores how one might find a path forward in Christianity beyond conservative evangelicalism”
-Eliza Griswold, The New Yorker
“Evans died at 37, but a beautiful new book captures her brave outlook. . . . I could not help but notice the poetry in Evans’s prose. . . . What readers will find in these pages was someone deeply human: funny, irreverent, curious, wise, forgiving, nonjudgmental.” -Maggie Smith, *The Washington Post A*

collection of original writings by Rachel Held Evans, whose reflections on faith and life continue to encourage, challenge, and influence.

Rachel Held Evans is widely recognized for her theologically astute, profoundly honest, and beautifully personal books, which have guided, instructed, edified, and shaped Christians as they seek to live out a just and loving faith. At the time of her tragic death in 2019, Rachel was working on a new book about wholeheartedness. With the help of her close friend and author Jeff Chu, that work-in-progress has been woven together with some of

her other unpublished writings into a rich collection of essays that ask candid questions about the stories we've been told—and the stories we tell—about our faith, our selves, and our world. This book is for the doubter and the dreamer, the seeker and the sojourner, those who long for a sense of spiritual wholeness as well as those who have been hurt by the Church but can't seem to let go of the story of Jesus. Through theological reflection and personal recollection, Rachel wrestles with God's grace and love, looks unsparingly at what the Church is and does, and
