New York Times bestselling author Allen St. John started off looking for the world ' s greatest guitar, but what he found instead was the world ' s greatest guitar builder. Living and working in Rugby, Virginia (population 7), retired rural mail carrier Wayne Henderson is a true American original, making America's finest instruments using little more than a pile of good wood and a sharp whittling knife. There's a 10-year waiting list for Henderson's heirloom acoustic guitars—and even a musical legend like Eric Clapton must wait his turn. Partly out of self-interest, St. John prods Henderson into finally building Clapton's guitar, and soon we get to pull up a dusty stool and watch this Stradivari in glue-stained blue jeans work his magic. The story that ensues will captivate you with its portrait of a world where craftsmanship counts more than commerce, and time is measured by old jokes, old-time music, and homemade lemon pies shared by good friends. This book is his journey a Black Kiss-story thats full of funny, entertaining, and in some cases, heartbreaking stories of his years as a die-hard Kiss fan committed to the hottest band in the land. Its the voice for everyone who was there and remembers what it was like being a hardcore Kiss fan back in the

day, with all the mystery, excitement, anticipation, and mania, but also the rejection, taunting, and funny looks. So get ready to go back to a time before you had a full-time job, responsibilities, commitments, the stress of daily life, and when Kiss was the most important thing in your life. Get ready to relive your magical Kiss years all over again. Matthew Flanagan is living the American dream. A plum job at an ad agency. A hot wife. A beautiful home in Southern California. But something is eating him up inside and a nasty drinking habit is about to cost him everything. After his life finally collapses around him, Matthew disappears to Vegas with a girl he barely knows. When word reaches the Flanagan clan back in Connecticut, Matthew ' s brothers Mark and Luke are sent on a mission to find their brother and bring him home. It ' s a longer and darker journey than either of them planned on. At turns funny and moving, Prodigal Sons is a hard-boiled American odyssey. A family saga with the heart of a crime novel. Praise for PRODIGAL SONS: " The work of an extravagantly talented writer, Prodigal Sons is one of the best debut novels I have ever read. " —Sterling Watson, author of Suitcase City, Fighting in the Shade, and Sweet Dream Baby " Miner ' s wicked electric chair humor calls to mind the best of Elmore Leonard and Charles Willeford. The Continuing Story of Radar Love is a 12-song hits collection from Dutch rock band Golden Earring, containing both the chug-a-long rock staple "Radar Love" and the full eight-minute version of "Twilight Zone." These two songs are the most renowned on this compilation and both cracked the Top 20, with "Radar Love" hitting number 13 in 1974 and "Twilight Zone" peaking at number ten nine years later. The other ten songs on the album consist of long, heavy guitar-filled runs that surround obscure lyrics, sometimes sounding like modern psychedelia. Some of the songs, like "The Vanilla Queen" and "Mad Love's Comin'" harbor a distinguishable progressive edge, thanks to woven keyboard and guitar interplay. A mild blues and rock feel creep into such tunes as "Candy's Going Bad" and "Lost and Found" but fail to ignite any type of serious musical flare compared to their two singles. Much of Golden Earring's music consists of average rock riffs that are either sped up or slowed down by accompanying synthesizer, helped along by the mysteriousness of Barry Hay's voice. Even though this compilation is a dozen songs deep, it still holds as a worthy best-of. -Mike DeGagne, AMG.

Crowley's Tomb

This text presents a comprehensive and up-to-date reference work on popular music, from the early 20th century to the present day.

Meet Tony Vicar: failed rockstar-turned-DJ, small-town curmudgeon, and ... miracle worker? Reduced to DJing rural weddings, Tony Vicar feels the bite of failure. A frustrated and failed musician, unable to discern why he has not ascended to stardom, his only defence is to see the world through the lens of gallows humour, absurdism, and black comedy. At his lowest moment he meets former exotic dancer Jacquie O, and they begin a strange and unlikely courtship. When the pair come upon a fatal car accident, Vicar gives aid to a woman who's barely clinging to life. His nearly miraculous ministrations succeed, and his actions become big news. But what Vicar calls luck is seen as something more magical by everyone else, rocketing him from complete unknown to massive celebrity to legend. Along the way he attracts the attention of dangerous siren Serena, who makes an outrageous play to take Vicar for her own. In this rollicking farce, Tony Vicar will finally have to face the consequences of his enduring dream of celebrity.

Come take a journey into the mind of madness, through the Chambers of Hell where no one can prepare you for what lurks in the darkness. Wandering the cemetery can be frightening; unfortunately, stumbling into the gates of Crowley's Tomb will be the most disturbing moments of your life. Here, there are no places to run. Your prayers will fall on deaf ears, your screams ignored. A band of brothers called the Cemetery Boys will take you on a non-stop, heart-pounding ride through the underworld where they will battle against their own demons, the enemy and paranormal elements.
