

## Rccg Hymnal

Jesus, Lover of My Soul by Charles Wesley, first published in 1878, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring these manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

The Gospel Hymn Book has been revised to bring it up to date. It combines a mixture of old and new hymns suitable for general and evangelistic use.

Hymns for Sunday Schools

Although most of the poetry and hymns from the Apostolic father is no longer with us, what has been preserved is given here in a beautiful form translated faithfully from the original Greek. The translator is a gifted poet that was awarded high honours for his work on this and other projects. Leaving the task to translate such vivid and real poetry from such a time as we have not seen before could only be handled by a true poet at heart. These hymns will bring you to a time and place where the gospel was being preached boldly and will embolden you to take on the evangelical call to spread the word of our saviour Jesus Christ.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
