This booklet contains instructions and guidance relating to the arrest and detention of foreign nationals, deaths of foreign nationals, the appointment of guardians for minors or incompetent adults who are foreign nationals, and related issues pertaining to the provision of consular services to foreign nationals in the United States. This booklet is designed to help ensure that foreign governments can extend appropriate consular services to their nationals in the United States and that the United States complies with its legal obligations to such governments. The instructions and guidance herein should be followed by all federal, state, and local government officials, whether law enforcement, judicial, or other, insofar as they pertain to foreign nationals subject to such officials' authority or to matters within such officials' competence.

A helpful nutritional reference features updated information on the fat percentages and grams, calories, and cholesterol for hundreds of common foods, including brand-name products, along with new data on trans fat, sugar, and carb counts, and features weight-loss tips and "dining out" charts. Reprint.

This revised edition continues to walk both experienced Bible readers and those seeking it out for the first time through a chronological, story-by-story and person-by-person experience. Complete with maps of journeys and explanations of the acts and epistles, this book includes: The journeys of Abraham, Isaac, Jacob, Joseph, and Moses, and the law from Joshua, Judges, Ruth, Samuel and Kings, including David and Goliath, Gideon and Samson, and King Solomon. The captives, the women, the poets, the prophets and more through the Old Testament. The story of Jesus as told in the four Gospels. The acts of the Apostles as they spread the word of the new church; the letters from Peter, Paul, James, John and Jude on a variety of topics, and John's apocalyptic Revelation; The Apocrypha including Maccabees 1 and 2 along with other books included for other practices. An all-new reference glossary featuring names and places with descriptions and cross-references to their discussion in the Bible.

A major work of economic, social and political history, Niall Ferguson's *The House of Rothschild: The World's Banker 1849-1999* is the second volume of the acclaimed, landmark history of the legendary Rothschild banking dynasty. Niall Ferguson's *House of Rothschild: Money's Prophets 1798-1848* was hailed as a "great biography" by Time magazine and named one of the best books of the year by Business Week. Now, with all the depth, clarity and drama with which he traced their ascent, Ferguson - the first historian with access to the long-lost Rothschild family archives - concludes his myth-breaking portrait of once of the most fascinating and power families of all time. From Crimea to World War II, wars repeatedly threatened the stability of the Rothschilds' worldwide empire. Despite these many global upheavals, theirs remained the biggest bank in the world up until the First World War, their interests extending far beyond the realm of finance. Yet the Rothschilds' failure to establish themselves successfully in the United States proved fateful, and as financial power shifted from London to New York after 1914, their power waned. "A stupendous achievement, a triumph of historical research and

imagination."—Robert Skidelsky, *The New York Review of Books* "Niall Ferguson's brilliant and altogether enthralling two-volume family saga proves that academic historians can still tell great stories that the rest of us want to read."—*The New York Times Book Review* "Superb ... An impressive ... account of the Rothschilds and their role in history."—*Boston Globe* Niall Ferguson's new book *The Square and the Tower: Networks and Power, from the Freemasons to Facebook* will be published in January 2018.

As Prince Tayy prepares to assume the leadership of the Qubal clans, treacherous enemies threaten his ascension with dark magic-and only the apprentice shaman destined to be Tayy's bride can save him.

Provocative, science-based, and practical, "Evolution Rx" presents a new and powerful way of understanding the human body based on evolutionary medicine.

Your how-to guide into the spirit realm! Get ready to enter the world of a seer! In this groundbreaking and revolutionary book, Jonathan Welton describes his unique journey about how God opened his spiritual eyes. He shares how you too can activate this gift in your life. *The School of the Seers* is the how-to guide for seeing into the spirit realm. Making insightful use of anecdotal stories, the author helps you discover vital keys from the Scripture to: See with your spiritual eyes. Use the four keys to greater experiences. Recognize what may be hindering your discernment. Access divine secrets and steward heavenly revelation. Learn how to really worship in Spirit and in Truth. Understand meditation, impartation, and so much more. The fresh and profound concepts taught in this book take a mystical subject--seers and the spirit realm--and make it relevant for your everyday life!

Spring is just around the corner in Pigeon Cove, which means business should soon be picking up for professional cleaner Sky Taylor. Unfortunately, there are those in town with a different—and deadly—definition of spring cleaning... Love is in the air for Sky and her potential new beau, the town's police chief—until their first date is interrupted by a menagerie of household pets stampeding through the restaurant. Someone's murdered Dr. Gail Pilsner, the Cove's hugely popular veterinarian, releasing all the critters bordered at her clinic. And that someone just may be Orlando Rios, Pilsner's lab tech. Sky believes Orlando is innocent, and thinks her best friend, Chloe Edwards, has more insight about him, since she's known Dr. Pilsner for years. But Chloe hasn't been available lately, spending more and more time with her vocal group, the La Dee Das. And when one of the singers is murdered, Sky must uncover the link between the veterinarian and the songbirds before a killer finishes cleaning house.

" *The Temples of Lhasa* is a comprehensive survey of historic Buddhist sites in the Tibetan capital of Lhasa. The study is based on the

Tibetan Heritage Fund's official five-year architectural conservation project in Tibet, during which the author and his team had unlimited access to the buildings studied. The documented sites span the entire known history of Tibetan Buddhist art and architecture from the 7th to the 21st centuries. The book is divided into thirteen chapters, covering all the major and minor temples in historic Lhasa. These include some of Tibet's oldest and most revered sites, such as the Lhasa Tsukla-khang and Ramoche, as well as lesser-known but highly important sites such as the Jebumgang Lha-khang, Meru Dratsang and Meru Nyingpa. It is illustrated with numerous color plates taken over a period of roughly 15 years from the mid-1980s to today and is augmented with rare photographs and reproductions of Tibetan paintings. This book also provides detailed architectural drawings and maps made by the project. Each site has been completely surveyed, documented and analyzed. The history of each site has been written - often for the first time - based on source texts and survey results, as well as up-to-date technology such as carbon dating, dendrochronology, and satellite data. Tibetan source texts and oral accounts have also been used to reconstruct the original design of the sites. Matthew Akester has contributed translations of Tibetan source texts, including excerpts from the writings of the Fifth and Thirteenth Dalai Lamas. This documentation of Tibetan Buddhist temple buildings is the most detailed of its kind, and is the first professional study of some of Tibet's most significant religious buildings. The comparative analysis of Tibetan Buddhist architecture covers 13 centuries of architectural history in Tibet."--Publisher's website.

After seventeen-year-old Thais Allard loses her widowed father in a tragic car accident, she is forced to leave the only home she's ever known to live with a total stranger in New Orleans. New Orleans greets Thais with many secrets and mysteries, but none as unbelievable as the moment she comes face to face with the impossible—an identical twin, Clio. Thais soon learns that she and the twin she never knew come from a family of witches, that she possesses astonishing powers, and that she, along with Clio, has a key role in Balefire, the coven she was born into. Fiery Clio is less than thrilled to have to share the spotlight, but the twins must learn to combine their powers in order to complete a rite that will transform their lives and the coven forever.

Now completely revised—all there is to know on getting into the right schools and making the experience count. This completely revised edition of *Film School Confidential* continues to offer the inside scoop on every major film school program in the country. A must-have guide for students who are considering applying to film school, this book provides more than 20 profiles of the best film school programs across the country. Covering such key areas as curriculum, student body, reputation, and employment options for film school grads, the authors provide solid, objective information on each program as well as snippets from interviews with students and faculty members. When BIC, manufacturer of disposable ballpoint pens, wanted to grow, it looked for an idea beyond introducing

new sizes and ink colors. Someone suggested lighters. LIGHTERS? With an idea that seemed crazy at first, that bright executive, instead of seeing BIC as a pen company—a business in the PEN “box”—figured out that there was growth to be found in the DISPOSABLE “box.” And he was right. Now there are disposable BIC lighters, razors, even phones. The company opened its door to a host of opportunities. IT INVENTED A NEW BOX. Your business can, too. And simply thinking “out of the box” is not the answer. True ingenuity needs structure, hard analysis, and bold brainstorming. It needs to start THINKING IN NEW BOXES—a revolutionary process for sustainable creativity from two strategic innovation experts from The Boston Consulting Group (BCG). To make sense of the world, we all rely on assumptions, on models—on what Luc de Brabandere and Alan Iny call “boxes.” If we are unaware of our boxes, they can blind us to risks and opportunities. This innovative book challenges everything you thought you knew about business creativity by breaking creativity down into five steps: □ Doubt everything. Challenge your current perspectives. □ Probe the possible. Explore options around you. □ Diverge. Generate many new and exciting ideas, even if they seem absurd. □ Converge. Evaluate and select the ideas that will drive breakthrough results. □ Reevaluate. Relentlessly. No idea is a good idea forever. And did we mention Reevaluate? Relentlessly. Creativity is paramount if you are to thrive in a time of accelerating change. Replete with practical and potent creativity tools, and featuring fascinating case studies from BIC to Ford to Trader Joe’s, Thinking in New Boxes will help you and your company overcome missed opportunities and stay ahead of the curve. This book isn’t a simpleminded checklist. This is Thinking in New Boxes. And it will be fun. (We promise.) Praise for Thinking in New Boxes “Excellent . . . While focusing on business creativity, the principles in this book apply anywhere change is needed and will be of interest to anyone seeking to reinvent herself.”—Blogcritics “Thinking in New Boxes is a five-step guide that leverages the authors’ deep understanding of human nature to enable readers to overcome their limitations and both imagine and create their own futures. This book is a must-read for people living and working in today’s competitive environment.”—Ray O. Johnson, Ph.D., chief technology officer, Lockheed Martin “Thinking In New Boxes discusses what I believe to be one of the fundamental shifts all companies/brands need to be thinking about: how to think creatively, in order to innovate and differentiate our brands. We need to thrive and lead in a world of accelerating change and this book challenges us to even greater creativity in our thinking. One of the best business books I’ve read in a long time.”—Jennifer Fox, CEO, Fairmont Hotels & Resorts “As impressive as teaching new tricks to old dogs, Thinking in New Boxes is both inspirational and practical—a comprehensive, step-by-step guide to sharpening one’s wits in order to harness creativity in the workplace.”—Peter Gelb, general manager, Metropolitan Opera

Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality

only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

A revolutionary book that offers a fresh, bold approach to confronting the juvenile crime epidemic With the rise of violent crimes committed by teenagers in recent years, heated discussion has arisen over the societal factors that lead to juvenile criminality and the ways that public institutions are failing to curtail them. Now a team of experts with decades of collective hands-on experience present a book that cuts through the hype and paranoia to offer real solutions. Drawing on actual case studies, *Dispatches from Juvenile Hall* shows how conventional "tough on crime" tactics have only worsened the problem, and presents a new blueprint for change that incorporates punitive action, rehabilitation, and family intervention—a progressive program that will encourage and enlighten all those concerned about the future of our youth.

After a mysterious woman foils an assassination attempt on the Queen's life, Alex Hepburn, a psychic agent for Her Majesty's Secret Service, recognizes the bold beauty as a conspirator he's been hunting for years.

Hannah West is not your ordinary twelve-year-old. She's artistic, full of street smarts, and best of all, she's a budding detective. She and her mom are technically homeless, but thanks to a series of house-sitting jobs, they always have a place to stay. In this first book in a lively series, Hannah and her mom—who adopted Hannah from China when she was a baby— move into their latest new place: a high-

rise apartment in Seattle's swanky Belltown towers. And just as they're getting settled, someone tries to steal a valuable piece of artwork from one of their new neighbors! Quick as a wink, Hannah is on the trail of a thief who is wreaking havoc on Seattle's thriving art scene! Armed with her keen eye and ever-present sketchbook, no detail gets past Hannah unnoticed....

Fourth-grader Hank, while on a field trip aboard "The Pilgrim Spirit," tries to learn knot tying in his own unique way, which causes unforeseen problems.

I told him goodbye, and I will not call him. I know if I do, it will be my undoing, and I'll once again be caught up in his spell. I will once again be...lost. In her private journals, Rebecca laid bare her soul, revealing her obsession for the one man whose erotic demands captivated her imagination—and enslaved her forever. Now, with Rebecca no longer in his life, her former Master is lost—questioning everything he thought he knew about himself, and the control he holds in such high regard. One woman will reach out to heal him and then turn away, leaving him haunted. She is nothing he thought he wanted, and somehow everything he needs. He tells himself to forget her, but he cannot escape his desire for her. He has to have more...

This book is great for you if you are a developer, quality assurance engineer, tester, or test manager who is looking to get a firmer grasp of elementary, deep, and advanced testing concepts using Apache JMeter. It's assumed you have access to a computer and an Internet connection. No prior testing or programming experience is required, but would be helpful.

A cornucopia of spelling challenges—from the deceptively simple to the truly vexing—for good, better, and exceptional spellers (or those who want to be). So You Think You Can

Spell? is a handy way to go one on one, pencil to paper, against hard, harder, and heartless words. The challenges vary from three- and five-word mini-quizzes to fifty-words, from tests of quite familiar (but ever misspelled) words to those rife with vowel, consonant, or silent-letter booby traps. This unique volume also tests one's spelling smarts in the arts and sciences, international cuisine, and geography. All in all, this is a book to settle the ultimate question: Just how good a speller are you? "Apart from the rousing battle scenes, the author is as his best in evoking a long-gone era through clever detail."--The New York Times Book Review A corrupt political enemy is determined to disband the South Essex Regiment -- and to destroy Major Richard Sharpe. Sharpe returns to England and discovers an illegal recruiting ring that sells soldiers like cattle to other divisions. The ringleaders know Sharpe is on their trail, and they try to kill him at every turn. But Sharpe is fighting for his command, and as he moves from the dark slums of London to the highest courts of political power, Sharpe will risk charges of treason and death for a final chance at revenge. "A ripping yarn."--The Washington Post "Consistently exciting . . . these are wonderful novels."--Stephen King

The Pocket Idiot's Guide to Medicare Part D

A prescription for the right health care. Although Medicare Part D, the federal program to subsidize the cost of prescription drugs, went into effect in January 2006, beneficiaries are still confused by it. With The Pocket Idiot's Guide™ to Medicare Part D, readers have all the information they need to pick the plan that's right for them in one handy book that takes them through the process step by step, including what's covered, who's eligible, and understanding costs. *Complements The Complete Idiot's Guide® to Social Security and Medicare, Second Edition, also by Lita Epstein *Includes screenshots of the Medicare online tool to help readers choose the right plan *Beneficial to seniors, their families, and pharmacists

Over the past century, Buddhism has come to be seen as a world religion, exceeding Christianity in longevity and, according to many, philosophical wisdom. Buddhism has also increasingly been described as strongly ethical, devoted to nonviolence, and dedicated to bringing an end to human suffering. And because it places such a strong emphasis on rational analysis, Buddhism is considered more compatible with science than the other great religions. As such, Buddhism has been embraced in the West, both as an alternative religion and as an alternative to religion. This volume provides a unique introduction to Buddhism by examining categories essential for a nuanced understanding of its traditions. Each of the fifteen essays here shows students how a fundamental term—from art to word—illuminates the practice of Buddhism, both in traditional Buddhist societies and in the realms of modernity. Apart from Buddha, the list of terms in this collection deliberately includes none that are intrinsic to the religion. Instead, the contributors explore terms that are important for many fields and that invite interdisciplinary reflection. Through incisive discussions of topics ranging from practice, power, and pedagogy to ritual, history, sex, and death, the authors offer new directions for the understanding of Buddhism, taking constructive and sometimes polemical positions in an effort both to demonstrate the shortcomings of assumptions about the religion and the potential power of revisionary approaches. Following the tradition of *Critical Terms for Religious Studies*, this volume is not only an invaluable resource for the classroom but one that belongs on the short list of essential books for anyone seriously interested in Buddhism and Asian religions. Recounts the kidnapping of bank vice president Michelle Renee and her young daughter who were taped with explosives and given orders to rob Michelle's own bank or be killed, but the authorities suspected Michelle as orchestrating the crime.

Here is a proven book to help scholars master writing as a productive, enjoyable, and successful experience -- Author, Robert Boice, prepared this self-help manual for professors who want to write more productively, painlessly, and successfully. It reflects the author's two decades of experiences and research with professors as writers -- by compressing a lot of experience into a brief, programmatic framework. Like the actual sessions and workshops in which the author works with writers, this book admonishes and reassures. In the innovative book lies the path for sustained, highly productive scholarly writing!

Is It Really Too Much To Ask? is the fifth book in Jeremy Clarkson's bestselling *The World According to Clarkson* series. Well, someone's got to do it: in a world which simply will not

see reason, Jeremy sets off on another quest to beat a path of sense through all the silliness and idiocy. And there's no knowign what might catch Jeremy's eye along the way. It could be: -The merits of Stonehenge as a business model -Why all meetings are a waste of time -The theft of the Queen's cows -One Norwegian man's unique approach to showing his gratitude -Fitting a burglar alarm to a tortoise -Or how Lou Reed was completely wrong about what makes a perfect day Pithy and provocative, this is Clarkson at his best, taking issue with whatever nonsense gets in the way of his search for all that's worth celebrating. Why should we be forced to accept stuff that's a bit rubbish? Shouldn't things work? Why doesn't someone care? I mean, is it really too much to ask? It's a good thing we've still got Jeremy out there, still looking, without fear or favour, for the answers. Jeremy Clarkson becomes the hilarious voice of a nation once more in *Is It Really Too Much To Ask?*, Volume 5 of *The World According To Clarkson*, following bestselling titles *The World According to Clarkson*, *And Another Thing*, *For Crying Out Loud* and *How Hard Can It Be?*. Praise for Clarkson: 'Brilliant... laugh-out-loud' Daily Telegraph 'Outrageously funny... will have you in stitches' Time Out Jeremy Clarkson began his writing career on the Rotherham Advertiser. He now writes for the Sun and the Sunday Times and is the tallest person working in British television.

True Life Histories of Wild Bill Hickok, Calamity Jane, Outlaw Towns, and Other Characters of the Lawless West

Politics of Modern Maharashtra

FROM THE NUMBER ONE SUNDAY TIMES BESTSELLING AUTHOR Terence Cave, owner of Cave Antiques, has already experienced the tragedies of his mother's suicide and his wife's murder when his teenage son, Reuben, is killed in a grotesque accident. His remaining child, Bryony, has always been the family's golden girl and Terence comes to realise that his one duty in life is to protect her from the world's malign forces, whatever that may take. But as he starts to follow his grieving daughter's movements and enforce a draconian set of rules, his love for Bryony becomes a possessive force that leads to destruction.

The true life histories of Wild Bill Hickok, Calamity Jane, and other residents of the lawless town known as Deadwood—the inspiration for the award-winning HBO® series and film. With a cast of historically rich characters, The Real Deadwood explores the lives of Wild Bill Hickok, Al Swearingen, Seth Bullock, Calamity Jane, Sol Star, and a host of others who walked the streets of Deadwood. An historical crossroad of the American west, even Wyatt Earp came to Deadwood, only to bump heads with Sheriff Seth Bullock. Other celebrated visitors over the years include Buffalo Bill Cody, the Sundance Kid, Bat Masterson, and Teddy Roosevelt. Looking at the world of primitive medicine, prostitution, and law from lawlessness, The Real Deadwood separates the facts from the fiction in its overview of a town violent enough to rival the likes of Tombstone, Dodge City, and Abilene. This is the true story of life on the frontier—when roughing it was truly rough. It's good versus evil and civilization versus anarchy. It's the real Deadwood.

The dancing girls of Lahore inhabit the Diamond Market in the shadow of a great mosque. The twenty-first century goes on outside the walls of this ancient quarter but scarcely registers within. Though their trade can be described with accuracy as prostitution, the dancing girls have an illustrious history: Beloved by emperors and nawabs, their sophisticated art encompassed the best of Mughal culture. The modern-day Bollywood aesthetic, with its love of gaudy spectacle, music, and dance, is their distant legacy. But the life of the pampered courtesan is not the one now being lived by Maha and her three girls. What they do is forbidden by Islam, though tolerated; but they are gandi, "unclean," and Maha's daughters, like her, are born into the business and will not leave it. Sociologist Louise Brown spent four years in the most intimate study of the family life of a Lahori dancing girl. With beautiful understatement, she turns a novelist's eye on a true story that beggars the imagination. Maha, a classically trained dancer of exquisite grace, had her virginity sold to a powerful Arab sheikh at the age of twelve; when her own daughter Nena comes of age and Maha cannot bring in the money she once did, she faces a terrible decision as the agents of the sheikh come calling once more.

Recounts the disturbing true story of critical care nurse Chaz Higgs who murdered his wife, former politician Kathy Augustine, for her million-dollar insurance policy. Original.

Don't just make it fast-make it state-of-the-art. Comprehensive and fully illustrated, this technical guide covers all aspects of setup and design for dirt track racing.

Everyone from Didsbury High remembers Katie Fisher as the dumpy brainiac from the poor side of town. Everyone from Didsbury High remembers Paul van Dorn as the school hockey star—and heartthrob. But now they're facing off—and matching up in more ways than one. Katie's lost the pounds, added some self-confidence, and become a drop-dead gorgeous sociology professor. And since a series of concussions put an end to Paul's pro-hockey career, his star has dimmed. Now he hits the ice as a youth hockey coach. But he's still got the hometown crowd behind him as the owner of a bar called the Penalty Box. Paul is reliving his glory days. Katie wishes she could put those years behind her. And the battle of wills that ensues just might knock love right out of the game...

In the tradition of *The Cookbook Collector* comes a funny, romantic novel about a young woman finding her calling while saving a used bookstore. Maggie Dupriv@s, recently "involuntarily separated from payroll" at a Silicon Valley startup, is whiling away her days in *The Dragonfly's Used Books*, a Mountain View institution, waiting for the Next Big Thing to come along. When the opportunity arises for her to network at a Bay Area book club, she jumps at the chance—even if it means having to read *Lady Chatterley's Lover*, a book she hasn't encountered since college, in an evening. But the edition she finds at the bookstore is no Penguin Classics *Chatterley*—it's an ancient hardcover with notes in the margins between two besotted lovers of long ago. What Maggie finds in her search for the lovers and their fate, and what she learns about herself in the process, will surprise and move readers. Witty and sharp-eyed in its treatment of tech world excesses, but with real warmth at its core, *The Moment of Everything* is a wonderful read.

The story of a young woman's life, one outfit at a time. Tucked inside the fibers and buttons and pockets of the clothing in our closets are the stories of our lives, the lessons we've learned, the people we've loved. Like so many of us, Adena Halpern has used clothes to conform, to seduce, to console, to show off, and to hide. Her ability to relate fashion to her inner life in a way that goes beyond the clothes has endeared her to many readers, one of whom called her, the real-life Carrie Bradshaw. But *Fashionista*, she's not. Adena is: every teenage girl who had to have what all the other girls had, whether it looked good on her or not; the college coed who swooned for the boy in the leather jacket; the heartbroken girl who chose a rebound dress over a rebound man; the best friend who borrows clothes and never gives them back; the woman who is 45 minutes late to work because she has nothing to wear. She is a lover of clothes and shopping whose passionate memories are always tied not only to the clothes that she wore, but what everyone else was wearing, too. This is the affectionate and funny story of Adena's life, an unconventional love story that readers will want to share. *Clotheshorse* or otherwise, this book is for anyone who keeps an old piece of clothing in the back of their closet,

wishing that one day those clothes would get up and start talking about the wonderful times you once shared together.

Immortal Spartan slave River Kassandros can transform into any weapon. After a bloody battle he's forever a dagger--until a mortal can release him. Drawn to this blade, Emma Lowery draws blood with it and frees River. But as they fight off intense passions, a sinister power arises to destroy them.

Americans often think of their nation's history as a movement toward ever-greater democracy, equality, and freedom. Wars in this story are understood both as necessary to defend those values and as exceptions to the rule of peaceful progress. In *The Dominion of War*, historians Fred Anderson and Andrew Cayton boldly reinterpret the development of the United States, arguing instead that war has played a leading role in shaping North America from the sixteenth century to the present. Anderson and Cayton bring their sweeping narrative to life by structuring it around the lives of eight men—Samuel de Champlain, William Penn, George Washington, Andrew Jackson, Antonio Lopez de Santa Anna, Ulysses S. Grant, Douglas MacArthur, and Colin Powell. This approach enables them to describe great events in concrete terms and to illuminate critical connections between often-forgotten imperial conflicts, such as the Seven Years' War and the Mexican-American War, and better-known events such as the War of Independence and the Civil War. The result is a provocative, highly readable account of the ways in which republic and empire have coexisted in American history as two faces of the same coin. *The Dominion of War* recasts familiar triumphs as tragedies, proposes an unconventional set of turning points, and depicts imperialism and republicanism as inseparable influences in a pattern of development in which war and freedom have long been intertwined. It offers a new perspective on America's attempts to define its role in the world at the dawn of the twenty-first century.
