Big Data is the biggest game-changing opportunity for marketing and sales since the Internet went mainstream almost 20 years ago. The data big bang has unleashed torrents of terabytes about everything from customer behaviors to weather patterns to demographic consumer shifts in emerging markets. This collection of articles, videos, interviews, and slideshares highlights the most important lessons for companies looking to turn data into above-market growth: Using analytics to identify valuable business opportunities from the data to drive decisions and improve marketing return on investment (MROI) Turning those insights into well-designed products and offers that delight customers Delivering those products and offers effectively to the marketplace.The goldmine of data represents a pivot-point moment for marketing and sales leaders. Companies that inject big data and analytics into their operations show productivity rates and profitability that are 5 percent to 6 percent higher than those of their peers. That's an advantage no company can afford to ignore.

Read the Wall Street Journal Bestseller for "cultivating intense focus" for fast, powerful performance results for achieving success and true meaning in one's professional life (Adam Grant, author of Give and Take). Deep work is the ability to focus without distraction on a cognitively demanding task. It's a skill that allows you to quickly master complicated information and produce better results in less time. Deep Work will make you better at what you do and provide the sense of true fulfillment that comes from craftsmanship. In short, deep work is like a super power in our increasingly competitive twenty-first century economy. And yet, most people have lost the ability to go deep—spending their days instead in a frantic blur of e-mail and social media, not even realizing there's a better way. In Deep Work, author and professor Cal Newport flips the narrative on impact in a connected age. Instead of arguing distraction is bad, he instead celebrates the power of its opposite. Dividing this book into two parts, he first makes the case that in almost any profession, cultivating a deep work ethic will produce massive benefits. He then presents a rigorous training regimen, presented as a series of four "rules," for transforming your mind and habits to support this skill. 1. Work Deeply 2. Embrace Boredom 3. Quit Social Media 4. Drain the Shallows A mix of cultural criticism and actionable advice, Deep Work takes the reader on a journey through memorable stories—from Carl Jung building a stone tower in the woods to focus his mind, to a social media pioneer buying a round-trip business class ticket to Tokyo to write a book free from distraction in the air—and no-nonsense advice, such as the claim that most serious professionals should quit social media and that you should practice being bored. Deep Work is an indispensable guide to anyone seeking focused success in a distracted world. A self-made millionaire shows you how to make millions while living life on your own terms At just eighteen years old, Matt Morris founded his first marketing business. At twenty, he dropped out of college to pursue business full-time. At twenty-one, he was homeless and deeply in debt, living out of his car. It was then that he made a life-changing decision to re-invent himself and his career. By twenty-nine, Matt was a self-made millionaire. How did he do it? In The Unemployed Millionaire, Morris reveals how he turned his life around and shatters the myth that it takes money to make money. Thanks to the Internet explosion and the ease of global trade, it is possible for anyone to start a business and market their products worldwide to millions of customers. Here, Morris unlocks the secrets and provides you with the specific moneymaking formula he used to turn his ideas into a fortune. Equips you with a step-by-step formula for turning your great idea into a million-dollar business in as little as twelve months Proves you don't have to be smart, lucky, or rich to make millions Gives you the specific success principles all millionaires follow Author Matt Morris is an internationally recognized speaker who selectively mentors other entrepreneurs, traveling the world, working very little, and earning millions in the process With a foreword by Les Brown, motivational speaker, bestselling author, and television personality If you're serious about earning millions without working your fingers to the bone, The Unemployed Millionaire gives you the powerful strategies needed to turn your dreams into a reality.

This book has been written to help prepare readers for some of the personal obstacles they may encounter within their network marketing business, and to keep them pushing through so that they don't quit. Mindset Before Matter is ideal for people who are new to network marketing or are in the early stages of building their business. It is also a useful tool for seasoned leaders who may be looking for training ideas on mindset and overcoming obstacles. Mindset Before Matter contains information to help readers come to terms with some of the ideas, thoughts and concepts that they will need to understand if they are going to ramp up their business and gain momentum in the early days and to help their team members do the same. If you haven't heard of the 'Oola phenomenon' yet, it's time to catch up. First, though, you need to understand what it is: Oola is that state of awesomeness you experience when your life is balanced and growing in all the key areas of health and well-being. It can be a noun or a verb. It can be a destination or a feeling. It can be as complex as a life growing and balanced in fitness, finance, family, faith, friends, and fun (the 7 F's of Oola), or as simple as a sunset, a quiet book on the beach, or a special moment with a child. It is that place we all shoot for in life. That feeling we experience and that we celebrate in our successes along the way. In short, Oola is cool. Since the first copy of the original book, Oola: Find balance in an Unbalanced World, rolled off the presses a few years ago, the Oola Lifestyle has become a literal phenomenon—a dynamic movement. OolaPaloosa live events have been routinely sold out since the day they were started, and the Oola message has been taken to countless cities across America and to every major city in the world via 700,000+ Oola fans on social media. In their 1970s VW Surf bus, authors Troy Amdahl and Dave Braun have taken their OolaDream tour on the road, from coast-to-coast, collecting dreams and goals for a balanced life from people who adorn their vehicle with colorful Oola stickers. The OolaGuys know that women are the ultimate multitaskers. While a circus performer might spin seven plates in a single show, women spin seven plates—figuratively—every day. They not only juggle kids, family, and home life, they also juggle work responsibilities, customers and clients, make constant business decisions, handle professional events and so many related activities that it's truly mind-boggling how much a woman can pack into a 24-hour day. In this Oola especially for them, the book shows, through the experiences of 54 inspiring women, how to overcome unexpected hardships, and transform the juggling act of everyday life into a dream lifestyle of simplicity, tranquility, abundance, and opportunity. That's what 'living Oola' means—and it's not only an attainable goal, but a well-deserved reward.

The Consistency Chain for Network Marketing: A Remarkably Simple Process for Harnessing the Power of Habit, Eliminating Self Sabotage and Achieving Yo

Understanding Digital Marketing

Ready to Harness the Remarkable Power of Consistency? Everyone wants to achieve long-term success, yet many people fall short. The question is, why? The answer is simple: it's a lack of performance consistency. Consistency is the baseline skill that unleashes all the others. And until this skill is mastered, true potential is never realized. Yet most people struggle to keep up any kind of consistent effort, especially when it comes to building their network marketing business. If you've had a life-long challenge with consistency, you're finally going to understand why. More importantly, you're going to begin to change. And if you're a leader, you're going to understand how to support that change in others on your team. Author George Campbell readily admits for most of his life he had obvious talent and potential and yet was infuriatingly inconsistent. Co-author Jim Packard on the other hand, is a man with an unbroken string of successes, in his personal life and in business. It is with their two unique perspectives that they share The Consistency Chain. The key to harnessing the power of consistency is in your hands. The only way this book won't help you, is if you don't read it. Scroll up and order your copy today!

The eagerly awaited sequel to the worldwide bestseller How to Build a Multi-Level Money Machine from Direct Selling icon and Hall of Famer Randy Gage Randy Gage revolutionized the Direct Selling profession with the bestselling phenomenon How to Build a Multi-Level Money Machine, translated into more than 20 languages. Now he's at it again with the long-awaited sequel: Direct Selling Success. This all-new book is the ultimate textbook on creating success in the business. You'll learn everything from choosing the right company, finding the best candidates, becoming a rock star recruiter—to advanced skills like making powerful presentations, becoming a leader, and creating a leadership factory on your team. Since Randy's previous book took the profession by storm, there have been significant changes to the business that demand a fully up-to-date sequel: Regulatory oversight of the industry has increased dramatically, it's now much trickier to make simple product or income claims, and distributors are hungry for the right information on how to get it done. The business model has gained widespread public acceptance—it's now common for industry companies to secure naming rights for sports arenas and sponsor major league teams. Even Warren Buffet and Forbes Magazine promote the business. More and more people are taking on side hustles and are considering or already in the business.Maybe the biggest change is the impact of e-commerce, social media, and mobile apps on the business today. Randy's up-to-the-minute book explains how you can become successful in this new environment. The need for expert, proven guidance on the Direct Selling and Network Marketing profession has never been greater than right now. Direct Selling Success will help you: Choose the best company for you Locate the best candidates Become a Rock Star recruiter Design your system to create maximum duplication Employ the latest e-commerce and social media marketing techniques to grow your business Conduct powerful persuasive presentations Become a positive, dynamic leader for your team The Direct Selling industry continues to experience robust growth. The opportunity to generate passive income and create complete financial freedom is immense under current conditions. Direct Selling Success is a must-have resource for anyone who wants to build a team of customers and distributors that will generate residual income for years to come.

The Future of Nursing explores how nurses' roles, responsibilities, and education should change significantly to meet the increased demand for care that will be created by health care reform and to advance improvements in America's increasingly complex health system. At more than 3 million in number, nurses make up the single largest segment of the health care work force. They also spend the greatest amount of time in delivering patient care as a profession. Nurses therefore have valuable insights and unique abilities to contribute as partners with other health care professionals in improving the quality and safety of care as envisioned in the Affordable Care Act (ACA) enacted this year. Nurses should be fully engaged with other health professionals and assume leadership roles in redesigning care in the United States. To ensure its members are well-prepared, the profession should institute residency training for nurses, increase the percentage of nurses who attain a bachelor's degree to 80 percent by 2020, and double the number who pursue doctorates. Furthermore, regulatory and institutional obstacles -- including limits on nurses' scope of practice -- should be removed so that the health system can reap the full benefit of nurses' training, skills, and knowledge in patient care. In this book, the Institute of Medicine makes recommendations for an action-oriented blueprint for the future of nursing.

A Story of Paying for College Without Selling Your Soul

Overcome Your Fears, Experience Success, and Achieve Your Dreams!

Be a Network Marketing Millionaire

High school Senior Alexandzandra doesn't really know what to do with her life. She's applying to colleges as she is 'expected to do' - until she receives a mysterious cell phone text message. The text claims that going to college straight from high school is NTOW (not the only way) for her to achieve financial security & reach her dream of studying in Hawaii & making a difference in the world. Alex's family is about to have their secure life shaken - and following the advice of the unknown Texter might be the only way for them to hold onto the life they know. Is network marketing a realistic plan for two professionals and their teenage daughter? If Alex's 'text angel' is right, it may be their best option. Told in the parable style of the great Og Mandino, Passive Income 101 reveals:
* What to look for in a home-based business.
* The potential of network marketing.
* The importance of cash flow.
* How to create easily duplicated systems.
* Methods for addressing people afraid of Get Rich Quick Scams & Pyramid Schemes.
If Alex can do it, why can't you?
* * *
"Most people don't even question spending \$60,000-\$100,000 for a college degree.

They will even take out loans to attain one. And there are no guarantees of anything but a piece of paper called a diploma. Take a look at the bank account of the average college graduate after working for 40 years. It's grim. Sandy's story is the fictional account of a family that discovers an option that is becoming much more widely accepted. But it's based on a true story. It's fun and dramatic. It will leave you with hope that there is a better way. Those considering college may want to read this book before pulling the trigger!" Jordan Adler, Network Marketing Millionaire & Author of #1 Best Seller, Beach Money

How to Keep the Dream Alive! Network marketing is one of the fastest-growing career opportunities in the United States. Millions of people just like you have abandoned dead-end jobs for the chance to achieve the dream of growing their own businesses. What many of them find, however, is that the first year in network marketing is often the most challenging—and, for some, the most discouraging. Here, Mark Yarnell and Rene Reid Yarnell, two of the industry's most respected and successful professionals, offer you strategies on how to overcome those first-year obstacles and position yourself for lifelong success. The Yarnells provide you with a wealth of savvy advice on everything you need to know to succeed in network marketing, such as proven systems for recruiting, training, growing and supporting your downline, and much more. In an easy, step-by-step approach, you will learn how to:

- Deal with rejection
- Recruit and train
- Avoid overmanaging your downline
- Remain focused
- Stay enthusiastic
- Avoid unrealistic expectations
- Conduct those in-home meetings
- Ease out of another profession

You owe it to yourself to read this inspiring book! "This will be the Bible of Network Marketing." — Doug Wead, former special assistant to the president, the Bush Administration

Not every prospect joins right away. They have to think it over, review the material, or get another opinion. This is frustrating if we are afraid to follow up with prospects. What can we do to make our follow-up efforts effective and rejection-free? How do we maintain posture with skeptical prospects? What can we say to turn simple objections into easy decisions for our prospects? Procrastination stops and fear evaporates when we have the correct follow-up skills. No more dreading the telephone. Prospects will return our telephone calls. And now, we can look forward to easy, bonded conversations with prospects who love us. Prospects want a better life. They are desperately searching for: 1. Someone to follow. 2. Someone who knows where they are going. 3. Someone who has the skills to get there. We have the opportunity to be that guiding light for our prospects. When we give our prospects instant confidence, contacting our prospects again becomes fun, both for the prospects and for us. Don't we both want a pleasant experience? Don't lose all those prospects that didn't join on your first contact. Help reassure them that you and your opportunity can make a difference in their lives. Use the techniques in this book to move your prospects forward from "Not Now" to "Right Now!" Scroll up and order your copy now!

Magnetic Sponsoring is unlike anything you've ever seen or read before when it comes to building a network marketing or MLM business. This is NOT a book for people who want to follow the herd, or get average results handing out samples, holding home parties, or buying leads. It is for the few who want to become leaders in this industry. Who want to walk across the stage, and who want to earn 7-figures. It is for those who would rather be the hunted than the hunter. Who prefer to work smarter, instead of harder. Who want to build a life-long business, instead of an opportunity, and for those who value truth over hype. If you're tired of chasing your friends and family members, posting fliers on phone poles, cold calling leads, and handing out business cards, then Magnetic Sponsoring is exactly what you've been looking for. In this book, I will teach you... - How to get an endless number of prospects to call you, with credit card in hand ready to buy your product, or join your business. - How to create a life-long business with zero competition. - How to make income whether your prospects join your business or not. - How to legitimately produce endless leads for free. - How to create automated marketing systems that sell and recruit for you. - How to sponsor top industry leaders instead of tire-kickers. - How to become an Alpha man or woman that both people respect and follow. - How I used these strategies to make over \$50 million online, and become the #1 residual income earner in my opportunity. The Revised and Expanded Edition includes a new forward by Tim Erway, access to BONUS chapters and action guide PDFs, a private online community, an attraction marketing success interview series, and a BRAND NEW interview with me, which will help you apply these powerful marketing strategies in your business as fast as possible. A Wall Street Journal and USA Today bestseller Leadership lessons for enduring business and personal success from renowned motivational speaker, current leadership editor of Success magazine and former co-CEO of Primerica, John Addison In Real Leadership, author John Addison shares his straightforward practices for successful leadership, helping leaders at any level understand and emulate the nine principles that fostered enduring results on his path to success. As co-CEO of Primerica--the largest independent financial services marketing organization in North America--from 1999 to 2015, Addison spearheaded the company through a period of rapid growth, navigated the company through the worst financial crisis since the Great Depression, and the separation from their parent company, Citibank, which created one of the most successful IPOs of the decade. Guiding the organization through these monumental changes while also working to keep morale high, Addison developed a passion and talent to inspire and empower over a million people during his career. The perspectives and personal laws of success that he's developed over decades of hard work and diligence boil down to the principles of living your best life. Because that, says Addison, is the essence of leadership: having the courage, honor, and integrity to live your true life, to do it in a way that makes the world a better place than it was before you got here. Addison's story shares his experiences--from small-town southern boy to influential CEO--providing a riveting read that is down-to-earth and profound in its simplicity and honesty. His practical takeaway lessons will help you lead better in every aspect of your life. You will follow over the long haul, through the good times and the bad, through the ups and the downs: it's real leadership. John Addison is the former Co-CEO of Primerica, the largest independent financial services marketing organization in North America. He currently serves as CEO of Addison Leadership Group as well as the leadership editor of a world-class speaker, he has motivated millions with his insight and wisdom on leadership, personal development, and achieving success in both their careers and their personal lives.

This report examines the links between inequality and other major global trends (or megatrends), with a focus on technological change, climate change, urbanization and international migration. The analysis pays particular attention to poverty and labour market trends, as they mediate the distributional impacts of the major trends selected. It offers ways to manage these megatrends in an equitable manner and considers the policy implications, so as to reduce inequalities and support their implementation.

Over twenty years ago, Worre began focusing on developing the skills to become a network marketing expert. Now he shares his wisdom in a guide that will ignite your passion for this profession and help you make the decision to create the life of your dreams. He shows you how to find prospects, present your product, help them become prospects, and make shallow, instant judgments. We want prospects to judge in our favor. Is our first sentence good enough? Our first sentence choices will interest and engage our prospects ... or turn off their confidence in us. Do our new distributors have proven first sentences that work? Do we? Are we creating new first sentences with them? Our distributors don't have effective an first sentence? They stop talking to prospects. Game over. Our prospects guard their time. They give us a chance for about ... a sentence. Then, they decide to proceed with our conversation or not. Let's wow our prospects in our first few seconds. Discover many types of successful, fun first sentences in our first few seconds. We can't start with a second sentence, so our first sentence better be good. Order your copy now!

ORIGINAL BOOK DESCRIPTION: Go Pro is a book that presents the keys to becoming a Marketing or Networking professional. In the work, its author, Eric Worre, lays down a guide for anyone wanting to engage in multilevel marketing, either to strengthen their company or as a business by itself. His ideas expand the usual range of action and help to understand that there is a sure way to create a large and successful business with the freedom of self-management for both time and decisions. The 7 steps outlined here summarize the author's observations on how to become an entrepreneur with a marketing network, being both a salesman and manager at the same time, selling your own products or those of other companies, establishing your own working hours and working with whom you decide to work, all with a significant income. In these lines, we present the best of these ideas. - ABOUT SAPIENS EDITORIAL: Books are mentors. Books can guide what we do and our lives. Many of us love books while reading them and maybe they will echo with us a few weeks after but 2 years later we cant remember if we have read it or not. And thats a shame. We remember that at that time, the book meant a lot to us. Why is it that 2 years later we have forgotten everything? Thats not good. This summary is taken from the most important themes of the original book. Most people dont like books. People just want to know what the book says they have to do. If you trust the source you dont need the arguments. So much of a book is arguing its points, but often you dont need the argument if you trust the source you can just get the point. This summary takes the effort to distill the blahs into themes for the people who are just not going to read the whole book. All this information is in the original book.
