**From National Book Award and Pulitzer Prize-winning author Alice Walker and edited by critic and writer Valerie Boyd, comes an unprecedented compilation of Walker's fifty years of journals drawing an intimate portrait of her development over five decades as an artist, human rights and women's activist, and intellectual. For the first time, the edited journals of Alice Walker are gathered together to reflect the complex, passionate, talented, and acclaimed Pulitzer Prize winner of *The Color Purple*. She intimately explores her thoughts and feelings as a woman, a writer, an African-American, a wife, a daughter, a mother, a lover, a sister, a friend, a citizen of the world. In an unvarnished and singular voice, she explores an astonishing array of events: marching in Mississippi with other foot soldiers of the Civil Rights Movement, led by Martin Luther King, Jr.; her marriage to a Jewish lawyer, defying laws that barred interracial marriage in the 1960s South; an early miscarriage; writing her first novel; the trials and triumphs of the Women's Movement; erotic encounters and enduring relationships; the ancestral visits that led her to write *The Color Purple*; winning the Pulitzer Prize; being admired and maligned, sometimes in equal measure, for her work and her activism; and burying her mother. A powerful blend of Walker's personal life with political events, this revealing collection offers rare insight into a literary legend.**

**Many words and expressions are viewed as 'taboo', such as those used to describe sex, our bodies and their functions, and those used to insult other people. This 2006 book provides a fascinating insight into taboo language and its role in everyday life. It looks at the ways we use language to be polite or impolite, politically correct or offensive, depending on whether we are 'sweet-talking', 'straight-talking' or being deliberately rude. Using a range of colourful examples, it shows how we use language playfully and figuratively in order to swear, to insult, and also to be politically correct, and what our motivations are for doing so. It goes on to examine the differences between institutionalized censorship and the ways individuals censor their own language. Lively and revealing, Forbidden Words will fascinate anyone who is interested in how and why we use and avoid taboos in daily conversation.**

***Today Sunday morning worship competes with youth soccer, Starbucks, Facebook, and the allure of being “spiritual but not religious.” To share the gospel in a world like this, Christians need to reach beyond the boundaries of concrete and virtual communities to become evangelists. That takes faith. It also requires skill with public relations, social media, traditional print materials and other techniques to increase church visibility. The authors, both recognized experts and consultants, walk readers through the theology of church communications and introduce steps to help us deliver clutter-busting messages to reach our technologically sophisticated and faith-challenged world.***

Few things are more misunderstood and cause more fear and suspicion than the combination of female sexuality and the Internet. Naked on the Internet explores how women use cyberspace, personally and professionally, to learn about themselves, connect with others, and make a living. Author Audacia Ray then goes further, examining the Internet as a valuable -- though often problematic -- sexual space. Ray combines her insider's knowledge with the voices of a variety of women whose firsthand experiences include camming, chatting, and making websites; dating, hooking up, and forming friendships; sex and relationship blogging; and making porn and doing other forms of sex work. She also examines the power of sexual health and online support communities and the technology that enables physical sexual encounters. Naked on the Internet is a guide to the ways women use, experience, and cash in on the Internet, as well as a critical analysis of the empowering and oppressive aspects of women's online experiences.

A selection of seventy-five poems from forty literary journals illustrating the variety of American poetry.

'The actual facts are so simple. I love you. You love me. You love Otto. I love Otto. Otto loves you. Otto loves me. There now! Start to unravel from there.' Design for Living is a wickedly witty dark romantic comedy by Noel Coward. Initially banned in the UK, this provocative play portrays three amoral, glib and stylish characters and their hopelessly inescapable, if also unconventional, emotional entanglement. From 1930s bohemian Paris to the dizzying heights of Manhattan society, a tempestuous love triangle unravels between a vivacious interior designer, Gilda, playwright Leo and artist Otto - three people unashamedly and passionately in love with each other. They are trapped in what Coward called 'a three-sided erotic hodge podge.' With Coward's trademark piquant style, this lively, funny but also atypical play looks at dazzling, egotistical creatures and their self-destructive dependence on each other.

Exploring themes of bisexuality, celebrity, success and self-obsession, Design for Living is a stylish and scandalous comedy.

Suggests a daily intake of special food items that increase metabolism, along with supplements to help minimize fat in the body, to help reach weight loss goals in time for the summer season.

Invoking the creative practices of music, dance, theater, poetry and painting, spoken word poet Amena Brown explores the nature of rhythm and what it takes to push through obstacles to spiritual growth. Read this book and be reminded of the love that carries us beyond worn out rhythms into the ever-new life of the Spirit.
