This imaginative tale from R. C. Sproul, based on a true story, begins one evening with Mr. McFarland leading family devotions. When his daughter asks him how she should pray, Mr. McFarland shares a 500-year-old story about a barber and his famous customer. Master Peter is a barber well-known to all in his village. One day, when Martin Luther the Reformer walks into his shop, the barber musters up the courage to ask the outlawed monk how to pray. Luther responds by writing a letter to the barber. The barber's life and many others' are

changed as they encounter a model for prayer by using the Lord's Prayer, the Ten Commandments, and the Apostles' Creed. Sproul's beautifully illustrated story will delight children and help them learn to pray according to the Bible. The full text of the Lord's Prayer, the Ten Commandments, and the Apostles' Creed will make this a treasured book to be returned to time after time.

What Do the Five Points of Calvinism Really Mean?

Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to

beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace. Even young children want answers to the hard questions about God and suffering. Always Round, seminary professor and author Jonathan Gibson uses the vivid imagery of the moon to explain to children how God's goodness is always present, even when it might appear to be obscured by upsetting or difficult circumstances. In this beautiful, full-color illustrated book, he allows readers to eavesdrop on the conversations he had with his young son in response to his sister's death. Father and son share a simple liturgy together that reminds them that,

just as the moon is always round despite its different phases, so also the goodness of God is always present throughout the different phases of life. A section in the back of the book offers further biblical help for parents and caregivers in explaining God's goodness to children. Jonathan Gibson reminds children of all ages that God's goodness is present in the most difficult of times, even if we can't always see it.

Then, when Dr. Martin Luthers writings were spread throughout the land, some found their way into the hands of Katie and other nuns at the convent near Grimma. Luthers writings were the impetus for change. As much as Luther helped to reform the Church and spark sweeping change in Germany, he also helped to transform a humble nun into a strong, intelligent, and inspiring leader in her own right. An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students. Central to God ' s character is

the quality of holiness. Yet, even so, most people are hard-pressed to define what God ' s holiness precisely is. Many preachers today avoid the topic altogether because people today don ' t quite know what to do with words like “ awe ” or “ fear. ” R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you encounter the holiness of God, your life will never be the same.

This one-of-a-kind ABC book follows the timeline of the Bible from A to Z, containing corresponding Scripture passages, descriptions, classical fine art, and whimsical illustrations. Written for kids up to age 7, but engaging enough for the whole family.

How we perceive our enemy will largely determine how we fight against him. Unless we grasp how the devil fits into God's scheme of things, we will find it difficult to stand against his conspiracy against us personally and his influence within our culture. We can have a proper theology of the devil only if we have a proper theology of God.

Only when we stand in awe of God will we find it unnecessary to be in awe of Satan. As Martin Luther once said, 'The devil is God's devil.' God is still in control. The Serpent of Paradise gives an overview of the career of Satan and his interaction with the Almighty. It traces his fall from an exalted position to his demise in everlasting shame and contempt. It shows us that Satan always loses even when 'he wins.' Best of all, it confirms that we who have been translated from the kingdom of darkness into the kingdom of light are able to stand against him. Be strong in the Lord and in his mighty power. Put on the full armor of God so that you can

Why were so many religious images and objects broken and damaged in the course of the Reformation?

Margaret Aston's magisterial new book charts the conflicting

imperatives of destruction and rebuilding throughout the English Reformation from the desecration of images, rails and screens to bells, organs and stained glass windows. She explores the motivations of those who smashed images of the crucifixion in stained glass windows and who pulled down crosses and defaced symbols of the Trinity. She shows that destruction was part of a methodology of religious revolution designed to change people as well as places and to forge in the long term new generations of new believers. Beyond blanked walls and whited windows were beliefs and minds impregnated by new modes of religious learning. Idol-breaking with its emphasis on the treacheries of images

He was a monk seeking for salvation. He was a reformer who inspired a continent to return to the Word of God. Danika Cooley introduces 9-11 year olds to this key figure in the Reformation.

the Middle Ages was dirty, disgusting, and downright dangerous. Death was everywhere in the 1500s. Because lives were short and unpredictable, people clung to the hope of eternal life. There was only one church in Western Europe""the Roman Catholic Church. The leaders of the church taught people to fear God. And people feared God and Hell above all else. They saw God as distant and remote. When they attended church, the service was in Latin, not the language of the people. They observed but did not participate in the Mass. Some leaders of the church were deceitful. Monks, friars, and even the pope swindled people out of their life savings. One of the worst offenders was Johann Tetzel. In his

one-man show, he hawked "tickets to heaven" or indulgences. Many people paid large sums for these worthless pieces of paper. When a young monk discovered that members of his parish were being deceived, he became angry. His name was Martin Luther. He challenged the practices of the church. His actions would change not only the church but the world forever.
