

## Rehearsing The Band

The most informed artistic performances require a delicate balance of musicianship and technical precision from both the conductor and the performers. "The Directed Listening Model" is a new resource that provides a basis for understanding and achieving this critical musical intersection by clarifying the subject matter of ensemble music making and providing conductors and performers a system to analyze and evaluate live sounds. The model also illuminates the prerequisite technical and ensemble skills necessary for the creation of a musical performance. A rehearsal process that utilizes "The Directed Listening Model" will ultimately inform the depth of interpretation and artistic nuance available to the musicians thus promoting the highest levels of artistry in musical performance, regardless of the ability level of the ensemble or the repertoire performed.

In the spirit of Friday Night Lights comes the stirring story of a marching band from small-town middle America. Every fall, marching bands take to the field in a uniquely American ritual. For millions of kids, band is a rite of passage—a first foray into leadership and adult responsibility, and a chance to learn what it means to be a part of a community. Nowhere is band more serious than at Concord High School in Elkhart, Indiana, where the entire town is involved with the success of its defending state champion band, the Marching Minutemen. In the place where this tradition may have originated, in the city that became the band instrument capital of the world, band is a religion. But it's not the only religion—as legendary director Max Jones discovers when conflicting notions of faith and purpose collide during his final year as director. In this intimate chronicle, the band marches through a season that starts in hope and promise, progresses through uncertainty and disappointment, and ends, ultimately, in redemption.

(Meredith Music Resource). Meredith Music's "Rehearsing the Band" series features books that provide a huge "room" where everyone can gather to ask questions on all aspects of rehearsing and listen to the answers from the experts. This High School Band volume includes chapters by Greg Bimm, Bill Eicher, David Gorham, Roy Holder, Gary Markham, Richard Saucedo, Tom Shine, Paula Thornton, Frank Troyka, David W. Vandewalker, and Bill Watson.

(Meredith Music Resource). This book provides one huge "room" where everyone can gather to ask questions on the art of rehearsing and listen to answers from people who know. It includes chapters by Caleb Chapman, John Clayton, Jose Antonio Diaz, Curtis Gaesser, Antonio Garcia, Gordon Goodwin, Roosevelt Griffin III, Sherrie Maricle, Ellen Rowe, Roxanne Stevenson, Steve Wiest, and Greg Yasinitsky.

*Strategies, Tips, and Activities for the Effective Band Director: Targeting Student Engagement and Comprehension* is a resourceful collection of highly effective teaching strategies, solutions, and activities for band directors. Chapters are aligned to cover common topics, presenting several practical lesson ideas for each topic. In most cases, each pedagogical suggestion is supported by excerpts from standard concert band literature. Topics covered include: score study shortcuts; curriculum development; percussion section management; group and individual intonation; effective rehearsal strategies; and much more! This collection of specific concepts, ideas, and reproducible pedagogical methods—not unlike short lesson plans—can be used easily and immediately. Ideal for band directors of students at all levels, *Strategies, Tips, and Activities for the Effective Band Director* is the product of more than three decades of experience, presenting innovative approaches, as well as strategies that have been borrowed, revised, and adapted from scores of successful teachers and clinicians.

(Meredith Music Resource). *Teaching Music with Passion* is a one-of-a-kind, collective masterpiece of thoughts, ideas and suggestions about the noble profession of music education. Both inspirational and instructional, it will surely change the way you teach (and think) about music. Filled with personal experiences, anecdotes and wonderful quotations, this book is an easy-to-read, essential treasure! "One of the most 'real' writings I have read during my 35 years in music education." Mel Clayton, President, MENC: The National Association for Music Education ([Click here for a YouTube video on Teaching Music with Passion](http://youtu.be/_BD6yDphmKI))

*The Routledge Companion to the Study of Local Musicking* provides a reference to how, cross-culturally, musicking constructs locality and how locality is constructed by the musicking that takes place within it, that is, how people engage with ideas of community and place through music. The term "musicking" has gained currency in music studies, and refers to the diverse ways in which people engage with music, regardless of the nature of this engagement. By linking musicking to the local, this book highlights the ways in which musical practices and discourses interact with people's everyday experiences and understandings of their immediate environment, their connections and commitment to that locality, and the people who exist within it. It explores what makes local musicking "local." By viewing musicking from the perspective of where it takes place, the contributions in this collection engage with debates on the processes of musicking, identity construction, community-building and network formation, competitions and rivalries, place and space making, and local-global dynamics.

Quick Reference for Band Directors

*Quick Reference for Band Directors* is a go-to guide for new and experienced band directors. With tips on recruiting and retaining members,

*preparing lesson plans and program objectives, developing a booster group, budgeting, classroom management, using technology, and making emergency repairs, this book will soon number among your closest advisors. Learn how to build, maintain, and improve your program. Get tips on how to structure concert band, symphonic band, wind ensemble, marching band, small ensembles, jazz band, and pep band while developing musicianship. The book focuses on high school band programs but offers advice for elementary and middle school directors as well. Read it sequentially or select the chapters most pertinent to you. You'll come back again and again to benefit from the author's thirty years of teaching. Following on from the bestselling *Totally Interactive Guitar Bible*, this four-part package of two books, a DVD, and a CD is aimed squarely at the young musician who has mastered the basics of his or her instrument and is now confronted by the time-honored question: how do I put a band together? The TIBB shows musicians how to start working with others in a variety of line-ups and styles. The principle target audience is guitarists and bassists, but there is also a wealth of material relevant to drummers, keyboard players, and singers. The package comprises 4 interconnected elements: *Bandmember's Handbook* A practical guide to forming a band, from understanding your instruments to recording and playing live. *Tutor Book* A step-by-step course in moving beyond playing alone to working with other musicians. The DVD follows the sequence of the Tutor Book, as presenter Rod Fogg takes a group of teenage musicians into the rehearsal studio and runs them through how to play together in different configurations, as well as guiding them on how to shape and perform their material. The CD contains over 70 professionally recorded tracks covering all of the exercises in the Tutor Book, as well as full length performances by the band featured in the DVD.*

*(Meredith Music Resource). Reading this book soon leads one to discover that band conductors are indeed fortunate to have a number of talented and accomplished leaders, who were not only willing, but enthusiastic about sharing their ideas and philosophies with younger colleagues. The result of all of this is to provide a huge "room" where everyone can gather to ask questions on all aspects of rehearsing and listen to the answers from the experts.*

*(Meredith Music Resource). This text is sure to provide the most practical approach to orchestra and wind band score study ever published. It methodically simplifies preliminary score study and initial rehearsal preparation for all conductors of band, orchestra and chamber ensembles. It is enormously valuable for practicing conductors from elementary school to those leading professional ensembles. As a supplement to undergraduate and graduate level instrumental conducting classes, it is an extremely effective text. The unique features of this innovative publication include: \* an easy-to-read format that systematically walks the reader through the entire score-study process \* complete full score to *Flourish for Wind Band* by Vaughan Williams used as the study score throughout \* compositional flowchart of the Vaughan Williams work \* *Score and Rehearsal Preparation Worksheet* that can be reproduced and used with any wind band or orchestral score (and maintained for future use) \* seating-arrangement diagrams of nationally renown wind bands and orchestras \* comprehensive glossary of standard instrument abbreviations \* standard band and orchestra instrumentation reference chart \* selective and detailed bibliography containing specific sources that will prove invaluable in the preparation of all instrumental scores.*

(Meredith Music Resource). An easy-to-follow, detailed curriculum that uses band performance as a means for teaching comprehensive musicianship. Blueprint runs a full scale of music history, theory and special projects, while serving as a step-by-step guide to band organization, rehearsal procedures and special units on musicianship.

(Meredith Music Resource). This incredible book by one of the world's foremost authorities on conducting contains no conducting patterns, and no advice on how to conduct any piece. Instead, it focuses on the skills, knowledge and experiences needed to become and function as a conductor-teacher. "This text is a 'must have' for all serious musicians. It captures the legacy and wisdom of one of the most important conductors of our time. This is what can happen when a focused and inquisitive mind meets up with a uniquely creative imagination." Eugene Migliaro Corporon, Director of Wind Studies, College of Music University of North Texas (a href="http://youtu.be/JM6g4KBA4Fk" target="\_blank")Click here for a YouTube video on On Becoming a Conductor(/a)

For conductors of wind ensembles grades 4 (high school), 5 (advanced high school), and 6 (college/professional), this book brings together pragmatic advice and knowledge from practicing conductors from all over the United States. Each chapter is by the practicing conductor each addressing the same subjects as they pertain to rehearsing a wind ensemble. In addition, each contributor recommends a list of the 30 best works for each of the levels of band from each conductor compiled in the appendix.

Conducting and Rehearsing the Instrumental Music Ensemble is the most comprehensive guide on the rehearsal process for conducting instrumental music ensembles. Ideal for the advanced instrumental music conductor seeking to look beyond basic conducting technique, this work breaks the multidimensional activity of working with an ensemble, orchestra, or band into its constituent components. Advanced students of conducting will find within the full range of conducting activities: • Chapters on the infrastructure of the rehearsal, the rehearsal environment, 10 rehearsal essentials, score study, music imagery, inner singing, and rehearsal procedures (with an emphasis on an integrated approach to rehearsing) • The technical priorities of intonation and tuning, rhythm patterns, ensemble sonority (tone, balance, blend, color and texture), and articulation • The musical priorities of tempo and ensemble precision, phrasing and the musical line, style and interpretation, dynamics and musical expression • Emphasizing the expectations of 21st-century conductors, the challenges of conducting and rehearsing contemporary music, preparing conductor profiles and self-evaluations, and moving from the rehearsal process to concert performance Conducting and Rehearsing the Instrumental Music Ensemble is a great resource for teachers and students of conducting, as well as current conductors wishing to further hone their skills.

In Habits of a Successful Band Director Scott Rush provides: A how-to book for young teachers; A supplement for college methods classes; A commonsense approach to everyday problems band directors face; Sequential models for instruction that are narrow in scope; Solutions, in the form of information and probing questions, that allow assessment of a classroom situation; Valuable information in a new format and references to other helpful publications; A contemporary text for all band directors. Some of the topics covered in the ten chapters include: classroom organization and management, working with parents and colleagues, the importance of the warm-up, rehearsal strategies, selecting high-quality literature, and student leadership. The appendices provide valuable outlines and reproducible forms such as medical releases and pitch tendency chart.

(Meredith Music Resource). In this highly informative compendium, nationally renowned orchestra directors share their unique expertise concerning rehearsal philosophy, intonation, tone and bow control, setup and fundamentals, articulation, planning, warm-ups, recruiting, community building, and more. These educators have honed their skills through years of experience and have inspired countless young musicians. Each chapter presents their insights and individual approaches to developing musical excellence in their students. As an added benefit, the book includes lists of the authors' favorite composers, arrangers, and works for grades 1-4.

**(Meredith Music Resource). Directors included in this publication represent the very "best of the best" with years of experience conducting and teaching. They freely share their ideas, techniques, and philosophies that are sure to enrich anyone who reads this book. Includes chapters by Harvey Benstein, Richard Clary, Steve Davis, Rodney Dorsey, Amanda Drinkwater, Patrick Dunnigan, Richard Floyd, Robert Halseth, Robert Ponto, Robert Taylor and Frank Wickes, with a foreword by Craig Kirchoff.**

**(Meredith Music Resource). 12 of the most prominent elementary, middle school, and junior high school band directors in the United States share innovative ideas on program structure, recruitment, and rehearsal strategies for beginning musicians. Through perseverance and creativity, these consummate leaders have continually refined their craft, providing an exceptional experience for their students and redefining the potential of young musicians.**

**From the young Black teenager who built a bass guitar in woodshop to the musician building a solo career with Motown Records—Prince's bassist BrownMark on growing up in Minneapolis, joining Prince and The Revolution, and his life in the purple kingdom In the summer of 1981, Mark Brown was a teenager working at a 7-11 store when he wasn't rehearsing with his high school band, Phantasy. Come fall, Brown, now called BrownMark, was onstage with Prince at the Los Angeles Coliseum, opening for the Rolling Stones in front of 90,000 people. My Life in the Purple Kingdom is BrownMark's memoir of coming of age in the musical orbit of one of the most visionary artists of his generation. Raw, wry, real, this book takes us from his musical awakening as a boy in Minneapolis to the cold call from Prince at nineteen, from touring the world with The Revolution and performing in Purple Rain to inking his own contract with Motown. BrownMark's story is that of a hometown kid, living for sunny days when his transistor would pick up KUXL, a solar-powered, shut-down-at-sundown station that was the only one that played R&B music in Minneapolis in 1968. But once he took up the bass guitar—and never looked back—he entered a whole new realm, and, literally at the right hand of Twin Cities musical royalty, he joined the funk revolution that integrated the Minneapolis music scene and catapulted him onto the international stage. BrownMark describes how his funky stylings earned him a reputation (leading to Prince's call) and how he and Prince first played together at that night's sudden audition—and never really stopped. He takes us behind the scenes as few can, into the confusing emotional and professional life among the denizens of Paisley Park,**

**and offers a rare, intimate look into music at the heady heights that his childhood self could never have imagined. An inspiring memoir of making it against stacked odds, experiencing extreme highs and lows of success and pain, and breaking racial barriers, My Life in the Purple Kingdom is also the story of a young man learning his craft and honing his skill like any musician, but in a world like no other and in a way that only BrownMark could tell it.**

**The 3-D Band Book is a three-dimensional approach to rehearsal preparation. This complete tune up/warm up program will reduce rehearsal stress and permit greater accomplishment with less effort. The overall preparedness that this book provides will make every rehearsal a more rewarding and enjoyable experience. The book is divided into three parts: tune up/warm up, key preparation, and rhythm preparation. In addition, there are three pages of harmony and ear training which will provide the basic knowledge necessary for relating to the exercises and chorales found in the book.**

(Meredith Music Resource). 100 outstanding middle and high school, collegiate and professional band and orchestra conductors passionately and candidly share their most powerful rehearsal techniques and cutting-edge program ideas in this concise and inspirational volume. Also included are fascinating historical facts about famous composers and conductors as well as inspirational quotes ideal for advocating music programs. It's an excellent university supplemental text and a "go-to" source for directors at all levels.

Beyond the skill involved in playing an instrument, getting musicians to play together well is an art form in itself. The secrets of how a guitarist, bassist, vocalist, drummer, keyboard player, and more can come together to create a unified sound usually reveal themselves only after years of stage and studio experience. This book explores every aspect of playing with other musicians, including the equipment, hardware, and software used in today's increasingly complex technological world, and the principles of sound every musician needs to know to work at the level of a professional band. So if you're ready to take your band beyond countless rehearsals and fast-forward to a professional sound, *How to Make Your Band Sound Great* is the guide you need to get you there. Complete with a 60-minute instructional DVD, *How to Make Your Band Sound Great* supplies instant access to producer and engineer Bobby Owsinski's years of real-life professional experience with bands of all types as a player, recording engineer, and record producer. The book-and-DVD package provides all you need to know to get your band on the way to sounding great using the techniques of veteran professional performing acts in the studio and on the stage.

(Meredith Music Resource). Student Supplement Book 2 is a continuation of the many concepts and exercises presented in Book 1. The exercises focus the thinking process while expanding student awareness and sensitivity to musical expression. This high priority develops timed mental activity and accuracy throughout the ensemble.

(Meredith Music Resource). Like his first critically acclaimed international bestseller *Teaching Music with Passion*, this new book from Peter Boonshaft is even more poignant and powerful. Called one of the most

exciting and exhilarating voices in music education today, Boonshaft's latest work is both inspirational and instructional and will definitely warm your heart and transform your teaching. ([Click here for a YouTube video on Teaching Music with Purpose](http://youtu.be/bHQ21-tjgEU))

Battisti, Conductor Emeritus, New England Conservatory Wind Ensemble ([Click here for a YouTube video on Teaching Instrumental Music](http://youtu.be/nB4TwZhgn7c))

Mel Lewis (1929-1990) was born Melvin Sokoloff to Jewish Russian immigrants in Buffalo, New York. He first picked up his father's drumsticks at the age of two and at 17 he was a full-time professional musician. The View from the Back of the Band is the first biography of this legendary jazz drummer. For over fifty years, Lewis provided the blueprint for how a drummer could subtly support any musical situation. While he made his name with Stan Kenton and Thad Jones, and with his band at the Village Vanguard, it was the hundreds of recordings that he made as a sideman and his ability to mentor young musicians that truly defined his career. Away from the drums, Lewis's passionate and outspoken personality made him one of jazz music's greatest characters. It is often through Lewis's own anecdotes, as well as many from the musicians who knew him best, that this book traces the career of one of the world's greatest drummers. Previously unpublished interviews, personal memoirs, photos, musical transcriptions, and a selected discography add to this comprehensive biography.
