Divided into chapters channeling each body area and its common ailments and aches—including those on our pets—and fully illustrated, In Focus Reiki teaches the basics to this increasingly popular practice to reduce stress, depression, anxiety, and physical pain and tap into your inner healer. Combined from the Japanese words Rei, meaning " God ' s wisdom, universal life, or higher power " and Ki, meaning " life force or energy, " reiki is the healing practice of balancing our " universal life energy " around our bodies. Founded in the early twentieth century by Japanese Buddhist monk Mikao Usui with the underlying belief that our bodies have the natural ability to heal, reiki transfers healing energy by using the placement of hands to blocked areas. The In Focus series applies a modern approach to teaching the classic body, mind, and spirit subjects, using expert authors in their respective fields and featuring relevant visual material to smartly and purposefully illustrate key topics within each subject. As a bonus, seven illustrated meditation cards based on reiki principles are also included to give readers a quick, go-to-reference guide containing the most important information on the subject, for easy practice and retention.

**Buy the Paperback Version of This Book and get the Kindle Book version for FREE*Have you ever heard of spiritual healing therapy? Reiki is the healing therapy created by a Japanese Buddhist named Mikao Usui over a hundred years ago, is based on a simple spiritual principle: we are all guided by the same invisible life force that controls our physical, mental and emotional well-being "being". When the energy flows freely, we can draw on reserves of unknown power. When you come across blockages (often caused by negative thoughts, untreated trauma or stress overload), we operate at a sub-optimal level. This may seem like voodoo magic to some, even non-believers who have spent an hour with a skilled Reiki master (as they are called) have felt a positive change of some kind. Many describe Reiki sessions as a combination, a*

light touch of energy over the body as calming or rooted, for others, seems like an emotional realignment. Reiki masters, like Kelsey Patel, have been training for years to understand and navigate small changes in energy, but Patel says that anyone can learn (quickly) to work with energy and influence the flow of others. If you want to know how to activate the energy within yourself if you want to know how to channel

energy through the palms If you want to know the breathing techniques to lower stress and anxiety. If you want to know how to seal energy with gratitude In this book you will find: Beginner, intermediate and advanced level Reiki training sessions that will give you the opportunity to heal others and yourself. In addition to its practical applications, this book will be an entire spiritual journey and a powerful vehicle for

personal development. Each time you do or receive treatment, you will feel the energy flowing through you to the recipient, creating a cycle of giving and receiving. As a healer, you will become more sensitive to your energy, the energy of others and the environment around you. You will also develop a strong intuition and clarity, creating a closer connection with your internal and spiritual strength. Learn the principles

and history of Reiki. Learn the positions of hands in Reiki for self-healing and healing of others. Written in a remarkably precise and lucid style by two

foremost authors on Reiki, this compendium reveals indispensable information of tremendous spiritual value.
