Death in the Park (Book 1) With her social life and writing career in tatters at the ripe old age of thirty-five, Sunni Taylor decides to pack up her things and join her sisters, Lana and Emily, in the small town of Firefly Junction. Hoping to open a bed and breakfast, Sunni sets herself the task of refurbishing the rundown Cider Ridge Inn, a two-hundred-year-old house with a sordid past. In the meantime, she's stuck writing dull human interest stories for the Junction Times. But when Sunni decides to bend the rules on her first newspaper assignment, she soon finds herself in her favorite place—right in the center of a murder investigation. Now if she can just steer clear of the cocky, irritating and far too appealing local detective, Brady "Jax" Jackson. It isn't long before Sunni discovers that avoiding Jax is a piece of cake compared to staying clear of the equally cocky, irritating and far too appealing two-hundred-year-old ghost haunting the halls of the Cider Ridge Inn. Killer Bridal Party (Book 2) When a bridal shower in the woods turns deadly, Sunni sets her sights on solving the tragic case. Journalist, and occasional sleuth, Sunni Taylor is working hard on restoring the Cider Ridge Inn to its former glory so that she can open a bed and breakfast, but Edward Beckett, the resident ghost, is not exactly helpful. Still, Sunni has grown used to having the arrogant gentleman spirit hanging around. Despite her busy life, Sunni offers to help her sister Lana set up a bridal shower camping party in the mountains behind the inn. The festivities end in disaster when the maid of honor ends up dead. Now Sunni finds herself back in the center of a murder investigation and face to face with the absurdly charismatic Detective Brady Jackson. Sunni is determined to beat the detective to the clues and solve the murder mystery herself. Murder at the Inn (Book 3) When the Applegate Paranormal Preservation Society visits Firefly Junction, Sunni Taylor finds herself tasked with writing an article about the group as well as hosting them for an evening at the Cider Ridge Inn. When the society moves on to their next destination, the famously haunted Dandelion Inn in the neighboring town, one member dies in a tragic fall. But things don't seem quite right at the accident scene and soon Sunni finds herself wrapped up in a possible murder investigation with her favorite detective, Brady Jackson. Simmons brings together a most unusual group, led by a writer and talented ghosthunter, who is bent on helping a very handsome ghost who likes to run naked through a disintegrating mineral springs hotel searching for his lost love. The sulking action is funny, full of crazy antics, and it's downright endearing for a murder mystery." ~NOVELTALK "This exciting paranormal whodunit uses ghosts as support characters, which surprisingly seems real because of the interplay between the spirits and the brave living sleuths. Alice and Twila take the existence of ghosts in stride as if it is an everyday occurrence, which to them it is, while Alice's ex Jack denies their existence. As with DEAD MAN TALKING, T.M.
