Every chapter begins with a comprehensive, in-depth and updated bibliographic reference on the microorganism(s) dealt with in that particular section of the book. The latest facts on the taxonomic position

Download Ebook
Rf Manual 17th
Edition

of each group, genus or species are given, as well as clear guidelines on how to deal with changes in nomenclature on the internet. All chapters provide schematic comparisons between the methods presented, highlighting the

Download Ebook Rf Manual 17th Edition

main differences and similarities. This allows the user to choose the method that best meets his/her needs.

Moreover, each chapter lists validated alternative quick methods, which, though not described in the

Download Ebook Rf Manual 17th Edition

book, may and can be used for the analysis of the microorganism(s) dealt with in that particular chapter. The didactic setup and the visualization of procedures in step-by-step schemes allow the user to quickly perceive and
