Modern Family. Retro Sass. Highly Trained--To Kick Your Ass! Take a semester off with Dominic Price, his mom, his boyfriend, and \$40,000 of black-market weapons. What could possibly go wrong? First there were three: Octavia, Charlotte, and Rosalyn, a trio of badass hit-women who picked up the slack when the going got too real for other so-called top-level assassins. But things happened. Octavia hung up her semi-automatic for a semi-lucrative kidnapping insurance scam. Charlotte chose an expensive Chardonnay, love, marriage and, until recently, a baby carriage. And Rosalyn? There's a lot of conspiracies, but according to the federal government, she's simply M.I.A. When a kidnapping hits too close to home, Octavia is forced out of retirement and back into the bounty-hunting business. Down two partners, she recruits her son Dominic and his boyfriend Taylor to aid and abet her in a semester of murder-based work study, where she'll teach them everything she knows (if she can get them to put down the video games, stop making out, and actually focus on the mission already). Can this dysfunctional modern family pull off the greatest mission in the history of the ASSASSINISTAS? Collects the complete miniseries, issues #1-6.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • NPR • New York Public Library • LitHub • Mental Floss "Influenced by the likes of Jane Austen and Rick and Morty, Smith tackles timely issues while leaving room for some delicious reality TV references."—Entertainment Weekly In the burned-out, futuristic city of Empire Island, three young people navigate a crumbling metropolis constantly under threat from a pair of dragons that circle the skies. When violence strikes, reality star Duncan Humphrey Ripple V, the spoiled scion of the metropolis' last dynasty; Baroness Swan Lenore Dahlberg, his tempestuous, death-obsessed betrothed; and Abby, a feral beauty he discovered tossed out with the trash, are forced to flee everything they've ever known. As they wander toward the scalded heart of the city, they face fire, conspiracy, mayhem, unholy drugs, dragon-worshippers, and the monsters lurking inside themselves. In this bombshell of a novel, Chandler Klang Smith has imagined an unimaginable world: scathingly clever and gorgeously strange, The Sky Is Yours is at once faraway and disturbingly familiar, its singular chaos grounded in the universal realities of love, family, and the deeply human desire to survive at all costs. Praise for The Sky is Yours "It's a mesmeric world, comic in the way teenage voyages of self-discovery inevitably are, but with an undertone of menace, horror, even hints of allegory. Satire, too . . . Smith's imagination is inexhaustible. The Sky Is Yours is a great and disturbing debut, which colonizes a new realm of the magic city."—The Wall Street Journal "Smith's gifts of imagination are staggering. . . . Much like Lev Grossman's The Magicians and Charlie Jane Anders's All the Birds in the Sky before it, The Sky is Yours filters youth through a warped yet poignantly canny speculative fiction lens. At the same time, it's funny as hell, full of madcap detail, firecracker dialogue, and a healthy dose of absurdism in the face of darkness."—NPR "Readers who love ambitious literary genre fiction should be on the lookout for Smith's first novel, a vibrantly uncanny dystopia set on an island metropolis, in the shadow of dragons that swoop overhead, where income inequality and mass incarceration have spun out of control."—HuffPost "An unmissable masterpiece."—PopSugar

A fun, funny, yet practical gift book containing 100 removable stickers that congratulate supposed grown-ups on a job well done... or at least a job done. Despite official reports, members of Generation X and younger feel completely and totally ill-prepared to deal with anything. They still, as purportedly self-sufficient adults, look toward Baby Boomers and the Greatest Generation and think, How did they do that? So the easiest and best way to find comfort is to look not ahead at uncertainty (or, heaven forbid, around at the chaos currently surrounding them), but to the past to their simpler childhoods. The generation who championed the coloring book-as-relaxation trend grew up in a world in which they spent hours obsessing over, trading, and decorating with stickers. And it is with brightly colored stickers that they will finally find peace of mind. For a little while, at least. Filled with 100 full-color removable stickers that can be used to decorate journals, notebooks, or your lapel to proudly and publicly proclaim life's little victories, **I Adulted!** is the ideal nostalgic and practical book for anyone who feels a sense of accomplishment by making it through a day without calling their mother for help.

A must-have gift book: the wit, wisdom, and frequent diatribes of mad scientist Rick Sanchez of Cartoon Network's **Rick and Morty**, the critically-acclaimed, #1 animated series on TV. For the first time anywhere, the wit, wisdom, observations, rants, raves, and general ramblings of mad scientist Rick Sanchez from Cartoon Network's hit animated TV series **Rick and Morty**, compiled in one essential volume. Now Rick is eager to impart his unique (and sometimes disturbing) take on life, love, and everything in-between for the benefit of aspiring mad scientists everywhere. Fully illustrated with color images from the show, **The World According to Rick** is a collection of Rick's most famous (and not so famous) sayings, monologues, and quotes, complete with a personal introduction by the mad man himself. A truly unique and special book, this collectible is sure to become a cult favorite like the show that inspired it. **RICK AND MORTY, ADULT SWIM**, the logos, and all related characters and elements are trademarks of and (c) 2018 Cartoon Network.

Netflix's **BoJack Horseman** has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor **BoJack Horseman** (voiced by Will Arnett) as he attempts to turn his life around. **BoJack Horseman: The Art Before the Horse** is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show's cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of creator/ showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt's inimitable aesthetic vision, **The Art Before the Horse** goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. "This is a book to savor, especially if you're a fast-food fan."—Bookpage "This fun, argumentative, and frequently surprising pop history of American fast food will thrill and educate food lovers of all speeds." —Publishers Weekly Most any honest person can own up to harboring at least one fast-food guilty pleasure. In **Drive-Thru Dreams**, Adam Chandler explores the inseparable link between fast food and American life for the past century. The dark underbelly of the industry's largest players has long been scrutinized and gutted, characterized as impersonal, greedy, corporate, and worse. But, in unexpected ways, fast food is also deeply personal and emblematic of a larger than life image of America. With wit and nuance, Chandler reveals the complexities of this industry through heartfelt anecdotes and fascinating trivia as well as interviews with fans, executives, and workers. He traces

the industry from its roots in Wichita, where White Castle became the first fast food chain in 1921 and successfully branded the hamburger as the official all-American meal, to a teenager's 2017 plea for a year's supply of Wendy's chicken nuggets, which united the internet to generate the most viral tweet of all time. Drive-Thru Dreams by Adam Chandler tells an intimate and contemporary story of America—its humble beginning, its innovations and failures, its international charisma, and its regional identities—through its beloved roadside fare.

A dimension where the Dungeons & Dragons paradigms are real. The rules are absolute... or, at least, they were... until Rick and Morty make their mark. Get ready to plead the fifth (edition) in this unlawful, chaotically evil story of family friction and fantasy frolics. The world's greatest roleplaying game. Reality's most dysfunctional animated series. What could go wrong? A haunting gothic tale by master misery writer John Bellairs--soon to be a major motion picture starring Cate Blanchett and Jack Black! "The House With a Clock in Its Walls will cast its spell for a long time."--The New York Times Book Review

When Lewis Barnavelt, an orphan, comes to stay with his uncle Jonathan, he expects to meet an ordinary person. But he is wrong. Uncle Jonathan and his next-door neighbor, Mrs. Zimmermann, are both magicians! Lewis is thrilled. At first, watching magic is enough. Then Lewis experiments with magic himself and unknowingly resurrects the former owner of the house: a woman named Selenna Izard. It seems that Selenna and her husband built a timepiece into the walls--a clock that could obliterate humankind. And only the Barnavelts can stop it!

The biggest pickle-sized character in pop culture comes to comics! In this reimagined version, written by Delilah S. Dawson (Star Wars) and with art from series artists CJ Cannon and Nick Filardi, Rick gets out of some much-needed family therapy time by inventing a fruit gun, which he uses on himself, and things go...poorly. What's that, you say? You didn't know cucumbers are fruits? How embarrassing... Plus: Jaguar's back too, and he's on a mission to save his daughter from a fan-favorite character you'll never expect.

In A Feeling of Wrongness, Joseph Packer and Ethan Stoneman confront the rhetorical challenge inherent in the concept of pessimism and how it is represented in an eclectic range of texts on the fringes of popular culture, from adult animated cartoons to speculative fiction. Packer and Stoneman explore how narratives such as True Detective, Rick and Morty, Final Fantasy VII, Lovecraftian weird fiction, and the pop idea of

transhumanism are better suited to communicate pessimistic affect to their fans than most carefully argued philosophical treatises and show how these popular nondiscursive texts successfully circumvent the typical defenses against pessimism identified by Peter Wessel, distraction, isolation, anchoring, and sublimation. They twist genres, upend common tropes, and disturb conventional narrative structures catches their audience off guard, resulting in belief without cognition, a more rhetorically effective form of pessimism than philosophical. While philosophers and polemicists argue for pessimism in accord with the inherently optimistic structures of expressive thought or rhetoric and Stoneman show how popular texts are able to communicate their pessimism in ways that are paradoxically freed from the restrictions of optimism. A Feeling of Wrongness thus presents uncharted rhetorical possibilities for narrative, making visible the rhetorical efficacy of form and means of persuasion.
