Written by a mother who lost her 21 year old son to suicide, this book deals with the themes of suicide loss through the lens of the author's personal grief. Addressing the process of post-traumatic growth, this memoir provides the bereaved with therapy exercises and creative activities to help them come to terms with their loss. Although it deals directly with losing a child, much of the book pertains to grief generally, especially complicated grief after a sudden death, and thus provides comfort to any reader who has lost a close one to suicide or anyone interested in young people struggling with mental health. Organised thematically, it addresses the many issues and stages involved in the grieving process and ends each chapter with a variety of beneficial yoga, breathing and therapy activities. This allows readers to dip in and out of the book, and go at their own pace - replicating the fact that grief is not a linear journey but an iterative one that goes back and forth. This book is a lifeline for anyone struggling to process loss.

"HOW TO WRITE YOUR BOOK, From an Idea...to your Finished Story," as narrated by "The Three Wise Writing Guides," is a journey into the exciting world of writing. A writing guide can be very dry and boring, but "How to Write Your Book..." takes the reader on a journey with our three guides: the Writer, Ms. Iwanna B. Writer, the Editor, Ms. Edi Tor, and the Publisher, Mr. I.M. Publisher. Each guide provides writing tools designed to help anyone who wants to write; from the novice to the published author. This book was developed as a direct result of the authors' years of experience, as editors and publishers and also as published authors. "From our writing workshops and interactive seminars, we gained an understanding of writers' specific needs. We concluded that most participants were unable to take their ideas from the seedling stage to the finished story. For the most part, great story ideas would pop-up, then ultimately fizzle just from the task of getting these ideas down on paper. Workshop questionnaires and writing assignments revealed that not only aspiring writers, but also the more experienced, could benefit from learning how to properly structure their great ideas into finished stories. Once each writer could overcome their obstacles by setting realistic goals, and understanding the process through the eyes of established writers, editors and publishers, those writers stayed on track and were motivated to complete their projects. They saw the quality of their work immediately improve and were able to know how to keep writing, what to do next and even how to overcome the road blocks. When these writers followed our step-by step process they were able to see their writing projects through to completion." This book was also used in the actual creation of a currently published novel. The "Chapter Review Maps," show how each of the techniques benefitted the story line in, "Code 47 to BREV Force," and how any writer can put those tools to work for any story. Madry and Barish-Stern filled this book with their writing journeys' as authors of numerous books in many different genre; as editors of hundreds of books, from their experiences with publishing unknown authors. They also were able to see the issues from a cross section of writers garnered from years of teaching classes. "How to Write Your Book," is a fun, exciting, interesting and educational way to achieve your dream of writing a book, ..."from an idea to your published story."

Write Your Way into Animation and Games

This upbeat memoir is full of the edgy humor Patti Ann Browne's fans love. She takes an honest look at the highs and lows of her life, both on and off the air. She provides insights into the turbulent world of television news and weaves in advice for aspiring journalists, parents of preemies, working moms, and anyone trying to stay grounded in a

world that increasingly values superficiality. In this entertaining and intimate memoir, the woman known by fans as "The Notorious P.A.B." reveals why she walked away from her TV news career after three decades. Patti Ann Browne also shares funny and poignant stories of her life off camera—from how she met her husband four years after turning down a blind date with him, to her son's near death shortly after his premature birth and how it changed her perspective on life. She chronicles life as an "Irish triplet," and tells the dramatic story of her twin sister secretly placing a baby for adoption and being reunited with him decades later. While many books declare that you can "have it all," Patti Ann dares to say no one can...but with flexibility and gratitude, you can come close. From local cable to MSNBC and then Fox, the #1 cable news network in America, Patti Ann describes her determination to write her own story. She resists the pressures of climbing to the top and the sacrifices that entails, ultimately choosing faith and family. From her humble upbringing in Queens to rubbing elbows daily with the world's movers and shakers in Manhattan, Patti Ann explains how she found a way to enjoy the perks of the glamorous life of an anchor while (mostly) avoiding the pitfalls. Fiercely protective of her middle-class lifestyle, Patti Ann believes simple pleasures are life's greatest joys. Her uplifting story is one of following your heart, owning your mistakes, living with integrity, and leaving the rest to God. Rooted in faith and optimism, it's a redemptive tale of humility and serendipity. Patti Ann demonstrates that with hard work and a willingness to change course, we can all write a life story with a happy ending.
