**"Tree of Qliphoth" is the third anthology by the Temple of Ascending Flame, exploring the dark side of the Qabalistic Tree as a map of Draconian Initiation. In essays, rituals and other expressions of personal research and experience, magicians and initiates of the Draconian Tradition discuss the realms of the Nightside, teachings and gnosis of its dark denizens, as well as practical methods developed both within the Temple and through their individual work. Material included in this book will give the reader a foretaste of these forces and a glimpse of what you can expect while embarking on the self-initiatory journey through the labyrinths of the Dark Tree. Compiled and edited by Asenath Mason, the book contains contributions from active magicians, students, and practitioners of the Left Hand Path: Rev Bill Duvendack, Edgar Kerval, Christiane Kliemannel, Pairika-Eva Borowska, M. King, Calia van de Reyn, Leonard Dewar, Mafra Lunanigra, N.A: O, S.TZE. Swan, and Zeis Araujo. Tiamat is the Primal Dragon Goddess,**

**the first one, who gave birth to the gods of the universe," the Mother of Everything, the self-procreating womb, the source of all life and all manifestation. The work described in this book was inspired by the Babylonian epic known as the "Enuma Elish," one of the oldest Creation myths in the world. The Grimoire of Tiamat presents a complete system of magick based around the Mesopotamian primordial goddess Tiamat and the eleven demons she created to aid her in her fight against the new order of gods lead by Marduk. The book is divided into three sections: first, a lengthy introduction of the theme and cosmology, followed by individual workings for each of the eleven demon-gods, and then a concluding appendix of thematically related workings focusing directly on Tiamat and Kingu. The second section, The Children of Tiamat, presents ways of working with each of the eleven demon-gods, prefaced with an explanation of the techniques that follow and the use of the Key of Night, a master sigil that is employed throughout the workings as a way to access the Nightside. The final**

**The Western magical traditions are currently undergoing an international resurgence. In Stealing Fire from Heaven, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual**

**traditions associated in many different cultures with the Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred--a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as "stealing fire from heaven." Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm. ***As a self-created god, Set is a powerful archetype of the Adversary and an attractive model for a practitioner seeking initiation into mysteries of self-deification. Feared by the faint-hearted and worshipped by those who sought power, he has become a symbol of storm and change, movement and transformation, force and energy. His fiery nature represents lust and fury, which is the driving force on the path, and his Black Flame is the inner spark of Godhood that successively becomes the fiery pillar of ascent on the path of self-initiation. His forked knife cuts attachments to the surrounding world, liberating the initiate from bonds of slavery and mindless ignorance, and his scepter represents authority and power, showing us how to devour our gods and be the masters of our destiny. These portrayals of Set and many more are the subject of this anthology. Here you will find glimpses into his mysteries, provided by active practitioners of Draconian magic and initiates of the Left Hand Path. Essays and poetry, portraits and sigil art, rituals and meditations - all these contribute to the portrayal of Set as a god that is still alive and active in modern times, perhaps even more than ever before. We will look into his origins, ancient myths and legends, and modern interpretations of his role on the Left Hand Path - all this written from the perspective of the Draconian Tradition. These two works are part of a very special cluster of Jewish apocalyptic texts that exhibit features not only of the apocalyptic worldview but also of the symbolic universe of early Jewish mysticism. The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—Library Journal

form of working with the Qliphothic Tree of Da'ath and tunnels. The second part of the grimoire is based on the ritualistic inversions of the Avestan texts and the forbidden path of Predatory Spiritualism. LIBER HVHI contains the 22 spheres of the Infernal Qliphoth, the methods of filling and draining those "shells" and the Luciferian Rites of the Supper of Cain, symbolic of the first Satanist from the ancient Hebrew texts relating to the devouring process from a symbolic and ritualistic approach. The second half of Liber HVHI is the workings based on the demonology of the Avestan texts and ancient persian sorcery and predatory spirituality.

This anthology brings together essays, rituals, and unique artwork dedicated to the Queen of the Night and the Dark Goddess of the Qliphoth. Denied and rejected, worshipped and venerated, Lilith has been a part of the Western culture for ages. Viewed both as a beautiful seductress and a ruthless demon, she is the Serpent in the Garden of Eden, the first woman, and the primary initiatrix into the mysteries of the dark side of the Qabalistic Tree of Life. Her rites are the works of love and pain, sex and transgression, transcendence and immanence, for she exists at the roots of all desire of all humans past, present, and future. This archetype has never been fully grasped in its profundity and is constantly unfolding, challenging us to recognize our fears and passions and to transform them into tools of power. Instead, you will see not only an analysis of the temple itself, but also personal gnosis that was gained through working the temple's system. In this way, it is not just a memoirs, rather it is closer to a manifesto. Even then, this work is set apart due to the fact that what is being written about is an active temple, and not one that is a footnote in a magical history book. He is the fallen angel of Christian legends, the Devil of witches' Sabbats, one of primal Draconian Gods, Demon Prince of the Air, and Infernal Emperor of old grimoires. Essays and rituals included here explore both his bright and dark aspects, the face of the Light Bearer and the horned mask of the Devil. She is the first initiatrix, the psychopomp, and the sentinel who meets the aspiring Initiate at the Crossroads of the Worlds, leading us into the Womb of the Dragon through the gateways of the Nightside. The Jewish Question in German Literature, 1749-1939 is an erudite and searching literary study of the uneasy position of the Jews in Germany and Austria from the first pleas for Jewish emancipation during the Enlightenment to the eve of the Holocaust. Trying to avoid hindsight, and drawing on a wide range of literary texts, Ritchie Robertson offers a close examination of attempts to construct a Jewish identity suitable for an increasingly secular world. He examines both literary portrayals of Jews by Gentile writers - whether antisemitic, friendly, or ambivalent - and efforts to reinvent Jewish identities by the Jews themselves, in response to antisemitism culminating in Zionism. No other study by a single author deals with German-Jewish relations so comprehensively and over such a long period of literary history. Robertson's new work will prove stimulating for***
