ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF THE YEAR BY NPR, PARADE, REAL SIMPLE, and BUZZFEED AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK "[Moore's] careful balance of the hard-bitten with the heartfelt is what elevates Long Bright River from entertaining page-turner to a book that makes you want to call someone you love." – The New York Times Book Review "This is police procedural and a thriller par excellence, one in which the city of Philadelphia itself is a character (think Boston and Mystic River). But it's also a literary tale narrated by a strong woman with a richly drawn personal life – powerful and genre-defying." – People "A thoughtful, powerful novel by a writer who displays enormous compassion for her characters. Long Bright River is an outstanding crime novel... I absolutely loved it." —Paula Hawkins, #1 New York Times-bestselling author of The Girl on the Train Two sisters travel the same streets, though their lives couldn't be more different. Then one of them goes missing. In a Philadelphia neighborhood rocked by the opioid crisis, two once-inseparable sisters find themselves at odds. One, Kacey, lives on the streets in the vise of addiction. The other, Mickey, walks those same blocks on her police beat. They don't speak anymore, but Mickey never stops worrying about her sibling. Then Kacey disappears, suddenly, at the same time that a mysterious string of murders begins in Mickey's district, and Mickey

becomes dangerously obsessed with finding the culprit--and her sister--before it's too late. Alternating its present-day mystery with the story of the sisters' childhood and adolescence, Long Bright River is at once heart-pounding and heart-wrenching: a gripping suspense novel that is also a moving story of sisters, addiction, and the formidable ties that persist between place, family, and fate.

In 1954, in the cookhouse of a logging and sawmill settlement in northern New Hampshire, an anxious twelve-year-old boy mistakes the local constable's girlfriend for a bear. Both the twelve-year-old and his father become fugitives, forced to run from Coos County—to Boston, to southern Vermont, to Toronto—pursued by the implacable constable. Their lone protector is a fiercely libertarian logger, once a river driver, who befriends them. In a story spanning five decades, Last Night in Twisted River depicts the recent half-century in the United States as “a living replica of Coos County, where lethal hatreds were generally permitted to run their course.” What further distinguishes Last Night in Twisted River is the author's unmistakable voice—the inimitable voice of an accomplished storyteller. A NEW YORK TIMES NOTABLE BOOK Once in a great while a writer comes along who can truly capture the drama and passion of the life of a family. David James Duncan, author of the novel The River Why and the collection River Teeth, is just such a writer. And in The Brothers K he tells a story both striking and in its originality and poignant in its universality. This touching, uplifting novel spans decades of loyalty, anger, regret,

and love in the lives of the Chance family. A father whose dreams of glory on a baseball field are shattered by a mill accident. A mother who clings obsessively to religion as a ward against the darkest hour of her past. Four brothers who come of age during the seismic upheavals of the sixties and who each choose their own way to deal with what the world has become. By turns uproariously funny and deeply moving, and beautifully written throughout, The Brothers K is one of the finest chronicles of our lives in many years. Praise for The Brothers K "The pages of The Brothers K sparkle."—The New York Times Book Review "Duncan is a wonderfully engaging writer."—Los Angeles Times "This ambitious book succeeds on almost every level and every page."—USA Today "Duncan's prose is a blend of lyrical rhapsody, sassy hyperbole and all-American vernacular."—San Francisco Chronicle "The Brothers K affords the . . . deep pleasures of novels that exhaustively create, and alter, complex worlds. . . . One always senses an enthusiastic and abundantly talented and versatile writer at work."—The Washington Post Book World "Duncan . . . tells the larger story of an entire popular culture struggling to redefine itself—something he does with the comic excitement and depth of feeling one expects from Tom Robbins."—Chicago Tribune

War between Bayern and Tira is finally over. To cement the peace with their old sworn enemies, a group from each kingdom will cross to the other for a 'season of friendship'. At first all is well, but mysterious events in the Tiran capital arouse suspicions and anger bubbles just beneath the surface. Enna's friend Razo must find out who is masterminding these events before it's too late and they find themselves trapped in the heart of Tira as war breaks out.

Tanus is the fair-haired young lion of a warrior whom the gods have decreed will lead Egypt's army in a bold attempt to reunite the Kingdom's shattered halves. But Tanus will have to defy the same gods to attain the reward they have forbidden him, an object more prized than battle's glory: possession of the Lady Lostris, a rare beauty with skin the color of oiled cedar--destined for the adoration of a nation, and the love of one extraordinary man. The riveting true story of Dick Conant, an American folk hero who, over the course of more than twenty years, canoed solo thousands of miles of American rivers—and then disappeared near the Outer Banks of North Carolina. This book “contains everything: adventure, mystery, travelogue, and unforgettable characters” (David Grann, best-selling author of *Killers of the Flower Moon*). For decades, Dick Conant paddled the rivers of America, covering the Mississippi, Yellowstone, Ohio, Hudson, as well as innumerable smaller tributaries. These solo excursions were epic feats of planning, perseverance, and physical courage. At the same time, Conant collected people wherever he went, creating a vast network of friends and acquaintances who would forever remember this brilliant and charming man even after a single meeting. Ben McGrath, a staff writer at *The New Yorker*, was one of those people. In 2014 he met Conant by chance

just north of New York City as Conant paddled down the Hudson, headed for Florida. McGrath wrote a widely read article about their encounter, and when Conant's canoe washed up a few months later, without any sign of his body, McGrath set out to find the people whose lives Conant had touched--to capture a remarkable life lived far outside the staid confines of modern existence. Riverman is a moving portrait of a complex and fascinating man who was as troubled as he was charismatic, who struggled with mental illness and self-doubt, and was ultimately unable to fashion a stable life for himself; who traveled alone and yet thrived on connection and brought countless people together in his wake. It is also a portrait of an America we rarely see: a nation of unconventional characters, small river towns, and long-forgotten waterways.

In "lyrical, openhearted prose" (Michael Glitz, The New York Post), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, The Seattle Times) novel is a "perfect book for an anxious time ... of great literary merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, Detroit Free Press).

NEW YORK TIMES BESTSELLER • The harrowing story of one of the great feats of exploration of all time and its complicated legacy—from the New York Times bestselling author of *The River of Doubt* and *Destiny of the Republic* For millennia the location of the Nile River's headwaters was shrouded in mystery. In the 19th century, there was a frenzy of interest in ancient Egypt. At the same time, European powers sent off waves of explorations intended to map the unknown corners of the globe – and extend their colonial empires. Richard Burton and John Hanning Speke were sent by the Royal Geographical Society to claim the prize for England. Burton spoke twenty-nine languages, and was a decorated soldier. He was also mercurial, subtle, and an iconoclastic atheist. Speke was a young aristocrat

and Army officer determined to make his mark, passionate about hunting, Burton's opposite in temperament and beliefs. From the start the two men clashed. They would endure tremendous hardships, illness, and constant setbacks. Two years in, deep in the African interior, Burton became too sick to press on, but Speke did, and claimed he found the source in a great lake that he christened Lake Victoria. When they returned to England, Speke rushed to take credit, disparaging Burton. Burton disputed his claim, and Speke launched another expedition to Africa to prove it. The two became venomous enemies, with the public siding with the more charismatic Burton, to Speke's great envy. The day before they were to publicly debate, Speke shot himself. Yet there was a third man on both expeditions, his name obscured by imperial annals, whose exploits were even more extraordinary. This was Sidi Mubarak Bombay, who was enslaved and shipped from his home village in East Africa to India. When the man who purchased him died, he made his way into the local Sultan's army, and eventually traveled back to Africa, where he used his resourcefulness, linguistic prowess and raw courage to forge a living as a guide. Without Bombay and men like him, who led, carried, and protected the expedition, neither Englishman would have come close to the headwaters of the Nile, or perhaps even survived. In *River of the Gods* Candice Millard has written another peerless story of courage and adventure, set against the backdrop of the race to exploit Africa by the colonial powers.

In the fall of 1948, Ernest Hemingway made his first

extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare."

They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. A "beautifully written, poignant exploration of family, art, culture, immigration...and love" (Jean Kwok, author of Searching for Sylvie Lee and Girl in Translation) set against the backdrop of China's Cultural Revolution that follows a father's quest to reunite his family before his precocious daughter's momentous birthday, which Garth Greenwell calls "one of the most beautiful debuts I've read in years." How many times in life can we start over without losing ourselves? In the summer of 1986, in a small Chinese village, ten-year-old Junie receives a momentous letter from her parents, who had left for America years ago: her father promises to return home and collect her by her twelfth birthday. But

Junie's growing determination to stay put in the idyllic countryside with her beloved grandparents threatens to derail her family's shared future. Junie doesn't know that her parents, Momo and Cassia, are newly estranged from one another in their adopted country, each holding close private tragedies and histories from the tumultuous years of their youth during China's Cultural Revolution. While Momo grapples anew with his deferred musical ambitions and dreams for Junie's future in America, Cassia finally begins to wrestle with a shocking act of brutality from years ago. For Momo to fulfill his promise, he must make one last desperate attempt to reunite all three family members before Junie's birthday—even if it means bringing painful family secrets to light. Swimming Back to Trout River is a "symphony of a novel" (BookPage) that weaves together the stories of Junie, Momo, Cassia, and Dawn—a talented violinist from Momo's past—while depicting their heartbreak and resilience, tenderly revealing the hope, compromises, and abiding ingenuity that make up the lives of immigrants. The classic novel of fly fishing and spirituality, originally published in 1983. Since its publication in 1983, THE RIVER WHY has become a classic. David James Duncan's sweeping novel is a coming-of-age comedy about love, nature, and the quest for self-discovery, written in a voice as distinct and powerful as any in American letters. Gus Orviston is a young fly fisherman who leaves behind his comically schizoid family to find his own path. Taking refuge in a remote cabin, he sets out in pursuit of the Pacific Northwest's elusive steelhead. But what begins as a physical quarry becomes a spiritual one as his quest for self-knowledge batters him with unforeseeable experiences. Profoundly reflective about our connection to nature and to one another, THE RIVER WHY is also a comedic rollercoaster. Like Gus, the reader emerges utterly changed, stripped bare by the journey Duncan so expertly navigates.

A disturbing tale about a young university student who loses herself in a destructive relationship, *The River* Ophelia will provoke, sadden and engage. Unconventional, compelling and controversial, this postmodern account of domestic violence deservedly became an instant best-seller making its author a household name. Justine loves Sade but Sade loves sex; indeed, he's a brutish sex addict. Despite this, Justine can't seem to leave: for all her education, she's looking for love and commitment in all the wrong places. While the feminist lore of previous generations seems to work well in theory, Justine can't seem to make it work in practise. Owning her power and experimenting with her own sexuality only leaves her feeling more empty and despairing than before. Both a parodic homage to and subversion of de Sade's *Justine* and Shakespeare's *Hamlet*, Justine Ettler's second novel recalls the work of Kathy Acker and Bret Easton Ellis. The acclaimed bestseller--a selection of Oprah's Book Club--that brings vividly to life the Georgetown neighborhood of Washington, DC, circa 1925, a community reeling from a young girl's tragic death. Five-year-old Clara Bynum is dead, drowned in the Potomac River in the shadow of a seemingly haunted rock outcropping known locally as the Three Sisters. *River, Cross My Heart*, which marks the debut of a wonderfully gifted new storyteller, weighs the effect of Clara's absence on the people she has left behind: her parents, Alice and Willie Bynum, torn between the old world of their rural North Carolina home and the new world of the city, to which they have moved in search of a better life for themselves and their children; the friends and relatives of the Bynum family in the Georgetown neighborhood they now call home; and, most especially, Clara's sister, ten-year-old Johnnie Mae, who must come to terms with the powerful and confused emotions stirred by her sister's death as she struggles to decide what kind of woman she will become. This highly accomplished first novel resonates with ideas, impassioned lyricism, and poignant historical detail as it captures an essential part of the African-American experience in our century.

At the 2013 NZ Post Childrens Book Awards Into the River was judged the Margaret Mahy Book of the Year. It also won the Young Adult Fiction category of the awards. An engaging coming-of-age novel, it follows its main protagonist from his childhood in small-town rural New Zealand to an elite Auckland boarding school, where he must forge his own way - including battling with his cultural identity. This prequel to Ted Dawe's award-winning novel Thunder Road is gritty, provocative, at times shocking, but always real and true. The awards' chief judge Bernard Beckett described a character "caught between two worlds ... the explicit content was presented as the danger of people being left adrift by society. And within that context, hard-hitting material is crucial; it is what makes the book authentic, real and important." The Deputy Chief Censor of Film and Literature ruled that the book is not offensive: 'The

book deals with some stronger content. There are sexual relationships between teenagers, encounters with possible child sexual exploitation, the use of illegal drugs and other criminal activities, violent assault, and a moderate level of highly offensive language. These are well contextualised within an exciting fast moving narrative that has as its protagonist, a young teenage Maori boy from a rural community who is finding his way through the strange uncomfortable environment of a boys' boarding school and unfamiliar social mores. The story captures the raw and real extremes of adolescence in teenage boys along with their yearnings and obsessions. The book is notable for being one of the first in the New Zealand which specifically targets teenage boys and younger men - a genre that does not have great representation. The genre character is therefore significant. The content immerses the reader in action, wit, and intrigue, as well as a level of social realism, all likely to engage teen and young adult readers and with particular appeal for older boys and young men.'

of two college students on a wilderness canoe trip--a gripping tale of a friendship tested by fire, white water, and violence Wynn and Jack have been best friends since freshman orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. When they hear a man and woman arguing on the fog-shrouded riverbank and decide to warn them about the fire, their search for the pair turns up nothing and no one. But: The next day a man appears on the river, paddling alone. Is this the man they heard? And, if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.

social unease— there’s a certain solace to a dark escape, in the promise of submerged truths coming to light.

—Vogue A single mother turns up dead at the bottom of the river that runs through town. Earlier in the summer, a vulnerable teenage girl met the same fate. They are not the first women lost to these dark waters, but their deaths disturb the river and its history, dredging up secrets long submerged. Left behind is a lonely fifteen-year-old girl. Parentless and friendless, she now finds herself in the care of her mother's sister, a fearful stranger who has been dragged back to the place she deliberately ran from—a place to which she vowed she'd never return. With the same propulsive writing and acute understanding of human instincts that captivated millions of readers around the world in her explosive debut thriller, *The Girl on the Train*, Paula Hawkins delivers an urgent, twisting, deeply satisfying read that hinges on the deceptiveness of emotion and memory, as well as the devastating ways that the past can reach a long arm into the present. Beware a calm surface—you never know what lies beneath.

From the instant #1 New York Times bestselling author of the “eerie and fascinating” (USA TODAY) *The Thirteenth Tale* comes a “swift and entrancing, profound and beautiful” (Madeline Miller, internationally bestselling author of *Circe*) novel about how we explain the world to ourselves, ourselves to others, and the meaning of our lives in a universe that remains impenetrably mysterious. On a dark midwinter’s night in an ancient inn on the river Thames, an extraordinary event takes place. The regulars are telling stories to while away the dark hours,

when the door bursts open on a grievously wounded stranger. In his arms is the lifeless body of a small child. Hours later, the girl stirs, takes a breath and returns to life. Is it a miracle? Is it magic? Or can science provide an explanation? These questions have many answers, some of them quite dark indeed. Those who dwell on the river bank apply all their ingenuity to solving the puzzle of the girl who died and lived again, yet as the days pass the mystery only deepens. The child herself is mute and unable to answer the essential questions: Who is she? Where did she come from? And to whom does she belong? But answers proliferate nonetheless. Three families are keen to claim her. A wealthy young mother knows the girl is her kidnapped daughter, missing for two years. A farming family reeling from the discovery of their son's secret liaison stand ready to welcome their granddaughter. The parson's housekeeper, humble and isolated, sees in the child the image of her younger sister. But the return of a lost child is not without complications and no matter how heartbreaking the past losses, no matter how precious the child herself, this girl cannot be everyone's. Each family has mysteries of its own, and many secrets must be revealed before the girl's identity can be known. *Once Upon a River* is a glorious tapestry of a book that combines folklore and science, magic and myth. Suspenseful, romantic, and richly atmospheric, this is "a beguiling tale, full of twists and turns like the river at its heart, and just as rich and intriguing" (M.L. Stedman, #1 New York Times bestselling author of *The Light Between Oceans*). The most inventive and entertaining novel to date from

“a master of the dark arts” (Kelly Link) A modest house in upstate New York. One in the morning. Three people—a couple and their child—hurry out the door, but it’s too late for them. As the virtuosic and terrifying opening scene of *Broken River* unfolds, a spectral presence seems to be watching with cold and mysterious interest. Soon the house lies abandoned, and years later a new family moves in. Karl, Eleanor, and their daughter, Irina, arrive from New York City in the wake of Karl’s infidelity to start anew. Karl tries to stabilize his flailing art career. Eleanor, a successful commercial novelist, eagerly pivots in a new creative direction. Meanwhile, twelve-year-old Irina becomes obsessed with the brutal murders that occurred in the house years earlier. And, secretly, so does her mother. As the ensemble cast grows to include Louis, a hapless salesman in a carpet warehouse who is haunted by his past, and Sam, a young woman newly reunited with her jailbird brother, the seemingly unrelated crime that opened the story becomes ominously relevant. Hovering over all this activity looms a gradually awakening narrative consciousness that watches these characters lie to themselves and each other, unleashing forces that none of them could have anticipated and that put them in mortal danger. *Broken River* is a cinematic, darkly comic, and sui generis psychological thriller that could only have been written by J. Robert Lennon.

A Finalist for the 2017 Nebula Award for Best Novella Sarah Gailey's wildfire debut *River of Teeth* is a rollicking alternate history adventure that Charlie Jane Anders calls "preposterously fun." In the early 20th Century, the United States government concocted a plan to import hippopotamuses into the marshlands of Louisiana to be bred and slaughtered as an alternative meat source. This is true. Other true things about hippos: they are savage, they are fast, and their jaws can snap a man in two. This was a terrible plan. Contained within this volume is an 1890s America that might have been: a bayou overrun by feral hippos and mercenary hippo wranglers from around the globe. It is the story of Winslow Houndstooth and his crew. It is the story of their fortunes. It is the story of his revenge. She didn't know how fast the current was moving her. It could take many more hours yet, perhaps more hours than she had the strength for. But she must not stop. She must keep going. She must try to catch the river boy, even though she was frightened at the thought of what he was. Jess's beloved grandfather has just had a serious heart attack, but he insists that the family travel as planned to his boyhood home on the river so that he can finish his painting, *River Boy*. As Jess helps her ailing grandpa with his work, she becomes entranced by the scene he is painting. Then she becomes aware of a strange presence in the river -- a boy who asks for her help and issues a challenge that will stretch her swimming talents to their very limit. Jess knows that Grandpa and the river boy are connected, but how? Can
