Frisky BBW + Sexy Alpha Alien + Alien Abduction = Scorching Hot Alien Romance! Wendy is a curvy woman working as a medical technician who had just been captured by alien slavers. She knows they want her and the other women captured in the raid for breeding purposes, but she doesn't know how much they want her body. She's put up for auction and sold to the gold-skinned warlord of the alien invaders. He takes her for his own property and uses her to satisfy his passions. Wendy is named "Princess" by him. He falls in love with her, but Wendy must remain loyal to the other women who have been kidnapped. Can Wendy get them all free? What hot love takes place in the alien warlord's chambers? And why doesn't he want her to know much about where they come from. Reader Note: This content contains hot romance with some scorching sex scenes, adult language and possible violence. Only for Adults!

Instead of being sent to reform school, Isa goes to live with her grandmother. It turns out Isa's mother is a murderer. Now a blue car starts showing up everywhere and Isa receives a threatening text message from an unknown person. Her life is in danger, and her friend Kai may not be able to protect her.

More than fifty years have passed since “peak oil” has left the Earth without access to modern technology while great Cloud Cities for the rich float above the oceans. On the ground below, Vivian Yates leaves Oklahoma on an epic 700-mile journey east to her ancestral home. Early on, she encounters Elizabeth, who preys on Vivian’s inexperience and naivety, luring her into a brief affair that ends in disaster. Betrayed and withdrawn, Vivian sets out again on her eastward trek. Along the way, she meets the beautiful, lighthearted Ida. Together they face obstacles both natural and manmade. Ida brings Vivian, wounded in both body and spirit, back to life. Destiny has thrown them into each other’s arms where they find not only love, but hope, trust, and forever.

From the #1 New York Times–bestselling author of Black Hawk Down: “a first–rate collection” of long–form journalism on war, sports, politics, and more (Booklist). Mark Bowden has established himself as one of America’s leading journalists and nonfiction writers. The Three Battles of Wanat collects the best of his long–form articles, including pieces from the Atlantic, Vanity Fair, the New Yorker, and the Philadelphia Inquirer. The titular article delves into one of the bloodiest days of the War in Afghanistan and the years–long fallout it generated within the United States military. In “The Killing Machines,” Bowden examines the strategic, legal, and moral issues surrounding armed drones. And in a brilliant piece on Kim Jong–un called “The Bright Sun of Juche,” he recalibrates our understanding of the world’s youngest and most baffling dictator. Also included are profiles of newspaper scion Arthur Sulzberger; renowned defense attorney and anti–death–penalty activist Judy Clarke; professional gambler Don Johnson, who won six million dollars in a single night playing blackjack; and David Simon, the creator of the legendary HBO series The Wire. “Mark Bowden marshals his finest for The Three Battles of Wanat.” –Vanity Fair

The White Knight Syndrome: Rescuing Yourself from Your Need to Rescue Others

Secrets, secrets, everybody has them... Tabitha Thompson is many things, but a liar isn't one of them. Unless you count the sexy secret she's spent a year hiding from everyone: her friends, her family. The secret she never counted on anyone discovering... One chance encounter. One clumsy mistake. One sexy discovery. Now, only Collin Keller stands in the way of her secret-and everyone else. And he just may be the one who ruins it all... Tabitha Thompson, you secretive little sneak.

In this 1912 volume, popular writer and suffragist May Sinclair builds on the extensive bibliography on the Brontë sisters with an absorbing look at their lives and works. "Because the best things about the Brontës have been said already," Sinclair writes, pointing to the appreciations of Mrs. Gaskell, Madame Duclaux, Clement Shorter, and Maurice Maeterlinck before continuing, "I have had to fall back on the humble day-labour of clearing away some of the rubbish that has gathered around them." What follows, though, is one of the freshest, most fascinating appraisals of Charlotte, Emily, and Anne Brontë, including insights on everything from Charlotte's fear of children ("She was afraid of children; she was awkward with them; because such passion has shynesses, distances, and terrors unknown to the average comfortable women who become happy mothers") to the secretiveness surrounding Emily Brontë ("She stands apart in an enduring silence, and guards for ever her secret and her mystery"). This is a must-read for Brontë fans or anyone just curious about the eminent literary sisters.

Discover everything you ever wanted to know about the Thoth Tarot with this incredibly detailed and illustrated guide. The Ultimate Guide to the Thoth Tarot presents the ten most important symbols on every card in the deck complete with hundreds of color illustrations for easy use. TWO STORIES-ONE PAPERBACK I'll Be Your Beast For years I watched everyone in my family find their mates... everyone but me. Then one day, she walks in to my forest. Lost, afraid, a true damsel in distress. I can sense her, feel her... I have to have her. I'll drag her back to my manor and keep her by my side until she understands what we are to each other. I'll Be Your Wolf As a lone wolf, I've been out on my own for a long time. Until the day I find her lying on the forest floor, beaten, broken, alone. I never expected my mate to be a human, or so beautiful. Everything about her makes me want to mark her and claim her as mine.

Settle in for a thrill-a-minute journey to the land of the ancient Incans in H. Rider Haggard's novel The Virgin of the Sun. An antique dealer whose life is thrown into disarray by a sudden tragedy sets off for the adventure of a lifetime -- and along the way finds a romance that begins to heal his hardened heart.

A missing girl. An expat amateur sleuth. And a whole lot of croissants. Meet Molly Sutton, 38 years old and out of work, who moves to the French village of Castillac to recover from the end of her marriage. She's looking for peace, beautiful gardens, and pastry--but she's barely gotten over jet-lag when a local girl goes missing. In between getting her old ramshackle house in order and reveling in French food, Molly ends up embroiled in the case, along with the gendarmes of Castillac. And unlike the Nancy Drews she loved as a child, this mystery stirs up emotions she thought had been put to rest...and terrifies the residents of her beloved village.

Everything is not always what it seems. After losing the love of her life, Portia (Peaches) Jackson will face her most difficult obstacle to date; moving on. With no clue about what happened to her beloved Mase, she struggles to hang on to what little sanity she has left. Will a change of scenery promise a better life than the one she left behind? A new career, a new outlook, and a new man might give Peaches the happiness she never dreamed possible ... or maybe her nightmare will continue where it left off. Find out where this BBW saga takes Peaches to next in Thick Sweet Georgia Peach.

It is 1855, and Nathaniel Hood walks between two worlds. As the Watchmage of New York City, Nathaniel is charged with protecting, regulating, and administering justice to the myriad supernatural beings immigrating to the city. When his policeman son, Jonas, is brutally beaten by Veil Dwellers while investigating a kidnapping, Nathaniel breaks his vow not to interfere with mundane society and joins the search. Together and apart, the father and son uncover the secret lives of the supernatural and the broken lives on the Bowery, only to find a terrible secret. The Watchmage of Old New York-Book 1 of The Watchmage Chronicles-is an expansion of the award-winning serial of the same name. It's a blend of fantasy, history, humor, and mystery, wrapped in a vivid mid-19th century New York.

Over 61,000 words of ALIEN ROMANCE AND BONUS STORIES at the end! This Scorching Hot Collection Includes: -- The Alien's Seed -- The Alien's Slave -- The Alien's Lust 3 for the Price of ONE! Chastity 'Chase' Temple isn't fond of domesticity or permanence. She's an expert on survival and enjoys her freedom in the Sierra Nevada, and is less than pleased when she's called back to Independence to lead a wagon train to Oregon Territory. She expects it to be a difficult journey. She doesn't expect Mara and Ari. Mara is a missionary and talented healer trying to start a new life, one well away from the family she's leaving back East. Ari is the daughter of a runaway slave, a professional thief of mysterious ability who's traveled the country carrying a dark past. All three prefer to walk alone, but if they're going to survive legendary beasts and powerful magic of the unforgiving west, they'll have to learn that sometimes there's strength in numbers.

The research is in: The next fad diet will not work! Of the millions of people every day battling temptation and trying to drop unwanted pounds, only a small percentage are successful. And of those, a whopping 80 percent quickly pack the weight back on! So what went wrong? The answer won't be found in whatever the next new diet is. The answer to lasting weight loss can only be found from within.In Thin from Within, renowned psychologist Joseph J. Luciano delves into the root causes of overeating and reveals that in order to lose weight and keep it off, you have to retrain your brain. Combining insight and inspiration with powerful cognitive tools, this remarkable guide enables you to:• Embrace change• Strengthen your self-discipline• Resist the lure of comfort foods• Free yourself from destructive thinking• Replace even the most stubborn bad habits with positive ones• Learn from setbacks• And much more!Complete with simple self-coaching techniques proven to control cravings and break the cycle of self-sabotage, Thin from Within puts the decision in your hands. Will you try yet another fad diet and fail—or deal with the root problem within and find a permanent solution? There are reasons we fear the night. Now he must become one of them .Bill Ryder has a powerful destiny. He just never expected it to involve an amnesiac bloodsucker, a bunch of D&D dorks, and a hormonal witch. It's time for the gamer, geek, and legendary vampire to embrace his fate. Ordered to storm the vampire stronghold in Boston, Bill must approach the doorstep of the invincible undead warlord he's destined to face. It's his only chance of stopping Armageddon. As his enemies stand in his way and his allies falter, the vicious beast inside of him wants out. If he stands tall and faces his fate, the world might just have a chance of surviving. If he fails, an unquenchable evil will destroy everything Bill knows and loves. Why can't the end of the world ever be easy? The Wicked Dead is the seventh book in the Tome of Bill saga, a series of foul-mouthed horror comedies with a nasty overbite. If you like bloody fight scenes, geeky in-jokes, and breakneck-paced action, then you'll love Rick Gualtieri's latest installment in the perfect vampire series for the 21st century adult. Buy The Wicked Dead to watch the nerdy vamp fight for his life today!

The Time Before Now

The Ultimate Catch

They Call Me Papa

Tasher Baker, Undercover Detective Two things were immediately apparent to her. Number one: Her rescuer was the finest man she'd ever seen in her life, and Number Two: He was none other than Raymond Carter. Tasha would have recognized those eyes anywhere. The unique gold-green of them left her absolutely breathless. But, aside from those eyes, the man looked completely different than their reference pictures. Why the hell was she so nervous? One of the things she prided herself on was being cool under pressure. But Raymond Carter...and his body...did things to her. Raymond Carter, Federally Wanted Criminal Goddamn, where had she come from? Of course, when the cops had caught his scent, his girl had disappeared just as quickly as all of his other so-called friends. It was funny, when you came up in the hood, cash was a lot more important than blood or loyalty. Maybe that was why he had turned. God knew he needed a break from all the drama going on in his life. Reader Note: 18+ Only

This book deals with a number of scientific issues, but focuses primarily on the Big Bang theory. The Big Bang theory has numerous vexing, and some insurmountable, problems. The Big Bang, at best, is in disrepair. At worst, it is, as numerous scientists concede, completely out of kilter and in need of a serious overhaul.The V-Bang is that overhaul. Although sometimes referred to in this book as the 'new Big Bang', the V-Bang is actually a completely new theory describing the same event that the Big Bang was supposed to. The difference is the V-Bang solves many cosmological mysteries in one fell swoop, without the need for a myriad of patchwork theories. The V-Bang will probably do the same for observations astronomers have yet to make.

The "Future Chronicles" has grown, from a single collection of robot stories, into a series whose unique take on major science fiction and fantasy themes - A.I., aliens, time travel, dragons, telepaths, zombies, immortality, galactic battles, cyborgs, doomsday - has made it one of the most acclaimed short story anthology series of the digital era. Its companion series - "Alt.Chronicles, The Illustrated Chronicles" and "Chronicle Worlds" - are similarly ground-breaking in their coverage of less mainstream tropes such as alternative history and shared universes. Created by award-winning author Samuel Peralta, and edited by some of the most-respected editors in the genre, each volume brings together work from visionary new voices and from the grandmasters of modern science fiction and fantasy. This "Future Chronicles - Special Edition" volume is a compendium of stories selected from the Chronicles' standalone titles, and includes five new stories, never before published, from some of today's best writers in speculative fiction.

Summits have always been opportunities to learn from experts in a field in a very concise and compressed form. And physical summits will always be relevant. Today a new form of summits emerges - virtual summits. A virtual summit is an event or conference or show that utilises modern digital technologies and the internet to make the content, the speakers, the audio and video available remotely on various devices like computers, laptops, tablets and smartphones. The power of a virtual summit is that you can engage with hundreds, thousands or even tens of thousands of participants through various digital channels. This becomes a very powerful additional tool which can be used in

conjunction with classical summits or as a stand-alone event. This book talks about the seven steps process broken down into 20 elements on how to plan, prepare, and execute a virtual summit to grow your list, establish your brand, and boost your business.

Weary from running his printing business in Southern California, Scott Mallon hops on a jet bound for Thailand with three bags and \$10,000 to his name. Originally planned as a one year sabbatical, his journey ends up as a twenty year stay. In They Call Me Farang, Mallon delivers a timeless collection of insightful, compelling short stories in the only way he knows, with dry humor and a straightfwd expatriate in Thailand: there is action, advice, comedy, love and of course, plenty of commentary on Thailand's beautiful women. Get all the gritty details in this semi-autobiographical account of his two decades in the country.

"Forget the bloody Da Vinci code, Mick. We've got to crack the Tesla Legacy. If we don't we're both dead." Despite the Pentagon, it had to be found... 'Forget the bloody Da Vinci Code, Mick. We've got to crack the tesla Legacy. If we don't, we're both dead.'Newcastle electrician Mick Vincent had almost everything in life he wanted. Jesse Osbourne, the Stockton bookshop owner he loved. A big he only thing Mick was missing was a pressure plate for his cherished car. through a strange old lady, Mick finds his pressure plate. He also finds a diary belonging to Nikola tesla, the electronics genius reputed to be smarter than Einstein. But just what did tesla build in outback New South Wales in 1925?the Pentagon knows, and the race is on to be the first to find the tesla Legacy. Mick and Jesse tears of Fire.Robert G. Barrett's novel the tesla Legacy, set in Newcastle, Muswellbrook, Scone and mysterious Burning Mountain in New South Wales, is an action-packed, pace-driven thriller woven with intrigue and a delightful touch of humour and romance, and an ending guaranteed to send chills down your spine. Barrett is, according to the Australian unless you are comfortable laughing in front of strangers' Sydney Morning Herald'a cracker of a read ... a good touch of the smarts and lashings of heartfelt humour' West Australian'a flat-out terrific yarn' the Australian

Rescuing others, losing yourself. Are you a white knight? Are you attracted to needy, damaged, or helpless people? Do you feel like your love can heal your partner? Are you overly involved in your partner's problems? Are you hungry for constant reassurance in relationships? Do you make excuses for your partner? Do you try to "save" people from themselves? In legends and fairytales, the white knight life white knights are men and women who enter into romantic relationships with damaged and vulnerable partners, hoping that love will transform their partner's behavior or life-a relationship pattern that seldom leads to a storybook ending. If this dynamic sounds familiar to you, you may be a white knight: hoping to receive admiration, validation, or love from your partners, but managing only to hurt your own rescue, and this book can help. With well-written analysis, engaging insight, and salient case studies, The White Knight Syndrome is a much-needed and well-executed guide to understanding and resolving the white knight syndrome in yourself.

Charismatic Colin Anderson is going for it. He is running to be the next President of the United States and it seems very likely he is going to win the election. But behind the scenes Colin's marriage to his wife Laura is not going well and her problems with alcohol could threaten to derail Colin's bid for the Oval office. So when Laura is admitted to a rehabilitation center, Colin's team have to take her place. They will hire a woman who looks exactly like Laura to pose as her in public situations. With Colin's reputation on the line this is an arrangement that carries risks in more ways than one. Especially when it seems that Colin may actually like his new wife better than his old one... Could this wife swap actually be for keeps?

Romance:

A Collection of Humorous Poems

The Virtuous Business Woman

For many in the baby boomer generation, the retirement years have arrived. For some it's frightening, but for others, it's a fantastic time of exploration, revival, and rejuvenation. Best of all, it's the time when you can finally pursue your dreams, not the dreams others have imposed on you. In "They Call Me Papa," author Ron Turner presents an extraordinary collection of thoughts, musings, and reflections about this unique period of his life and the distinct perspective he has gained about what it means to be alive. With sections titled "Time," "Love," "Men," "God," and "Joy," Turner offers thoughtful and often humorous reflections of a young boomer on the joys and challenges of retirement, aging, grandchildren, mortality, and much more with readable, honest language that penetrates straight into the heart, soul, and mind. Works such as "Baby Steps," "Baggage," "Fathers and Sons," "My Stomach Hurts," and "Victoria's Secret" are a candid and deeply personal glimpse into a life full of rich memories and keen insight. Turner is a man comfortable in his own skin and unafraid to share his philosophical-and even physical-struggles. Insightful, poignant, and entertaining, this collection is a must-read for anyone entering into a new phase of life, regardless of age.

The Annual Fourth Grade Pumpkin Contest is just around the corner. What will happen to Tommy McMichaels when he finds himself faced with the ultimate challenge? When things get tough, it's easy to give up, but not Tommy McMichaels when he finds himself stuck with the ugliest pumpkin.

Lawerence Pencey left England as a sailor in the British Navy for the shores of India. He did not return to England until three years afterward, leaving no record of his travels. When he had returned, he had lost all human capability to reason, overcome with severe illness of the mind and left to the caretaking of his sister, Ms. Augusta Pencely. Three years after, he was confined to York asylum after being convicted of murder. Now Augusta is left with the task of redeeming her brother from imprisonment and rebuilding a life that has seemingly been left in tatters.

Will Laney's gift to communicate with ghosts lead her to help or hinder the restless souls who haunt her? After Laney MacKenzie learned she could communicate with spirits, life became much more challenging. It was one thing when it was her grandmother who came to her, but now it seemed as though every random ghost felt the need to seek her out - and she has no interest in figuring out how to move them on. She has enough troubles of her own--her ghosthunter boyfriend Emmett is pressuring her to develop her so called gift, her ex-husband keeps creeping back into her life for unknown purposes, and she has a fledging new business. She's near to calling it quits on both her gift and Emmett when she learns about a little boy who's experiencing a ghostly visitor. She can't say no to a child in trouble, and his attractive architect father has a way of being persuasive.

Alien Romance Boxed Set

When she's awake in the world, the Young Dread can hear an enemy approach from a mile away, manipulate a whipsword into a thousand forms, and attack with it faster than the human eye can see. And yet, the Young Dread is not often awake. She, like the Old and the Middle Dreads, lives outside the stream of time, frozen for vast stretches. She was a child in the 1400s, but she's alive today, and aged only into a teen. She wakes for short bursts, to observe the training of the families known as Seekers. Past and future intertwine in Seeker traditions—they are the keepers of both ancient knowledge and advanced weapons—and the Dreads must oversee it all, testing their skills, swearing them to loyalty, bringing them justice. Master storyteller Arwen Elys Dayton takes readers centuries into the past to follow this ageless Dread's footsteps. This time, when the Young Dread wakes, things will change. She is about to discover the first threads of a web in which she and so many others will be trapped. A ruthless killer to some, an enigmatic upholder of justice to others, the Young Dread is destined to shape the future in ways she is only beginning to understand.

The Solar Queen is a trader ship crewed by Dane Thorson, Tau, and Captain Jellico. These are her voyages. 'The Plague Ship:' The Solar Queen and her crew have the trading rights to the wealthy planet Sargol, but to take advantage of them and see any return on their investment they must fight the Reptilian Gorp, negotiate with the cat-like Salariki, and find a cure for the sleeping sickness that has caused the Solar Queen to be called a plague ship and which has other ships looking to destroy them on sight. 'Voodoo Planet:' After a flyer crash, Dane Thorson, Tau, and Captain Jellico find themselves lost in a strange jungle. To make it back to the space port they will have to fight their way. Standing between them and civilization are alien animals and a powerful Voodoo priest who has plans for them.

Jolanda is willing to do whatever it takes, even face off against the Bering Sea, to raise the money for a balloon payment on her father's house. She challenges Keller and wins a bet to get on the recently inherited crab fishing boat, forcing the young captain to buck tradition and superstition. Will his season be doomed or will he end up with the ultimate catch?
