139 POWERFUL and Scientifically PROVEN Health Tips to Boost Your Health, Shed Pounds and Live Longer!

Can you remember that one time you got recognized or someone thanked you for your contribution to their life? You were a rock star, even for just one second. This book isn't about a charmed path to success or some untouchable fairy tale that nobody can relate to-this is about going from rock bottom to rock star, something that everybody can relate to. In his first book, Blair shared the brutally honest story of how he went from an at-risk youth, sleeping on a mattress on the floor of a shack, to a self-made multimillionaire by his early twenties. As his story became a national sensation, fans started asking him how they too could become entrepreneurs, take their careers to the next level, and achieve financial freedom. Rock Bottom to Rock Star answers those questions. Blair has battled extreme obstacles: life as a former gang member, balancing a demanding career with single parenthood, building and selling multiple companies, and making and losing tens of millions of dollars (sometimes all in one day). He wants to help others avoid the mistakes he made in the school of hard knocks, so he has compiled his unique advice for going from rock bottom to rock star in whatever field you chose to pursue. Much of his advice is counterintuitive, and definitely not what you would learn in business school.

Here's one example: "Don't believe your own hype. The moment you start celebrating, you've left the stage. It wasn't celebration that made the most of your life and you're ready to become the "rock star next door" instead of just looking up to them, this may be the most rewarding book you'll ever read.

What was your dream when you were growing up? Are you living it now? Gone are the days of settling for less in life and quitting on your dreams. Dr. Lee has spent the last ten years researching what it takes to cultivate a life of resilience. This simple formula (resilience plus persistence) has been instrumental for many who are living their dreams. Whether you feel unfulfilled at work, or you have a vision to start a business, this book is the step-by-step guide on how to get started and how to keep going after your vision. Join Dr. Lee as he teaches you the following: The top ten reasons why we quit and how to beat them How to turn fear on its head and use it as fuel How to start your business now with no money Why setting realistic goals is killing your dream How to schedule your time to maintain momentum in your key area of impact Why a comfortable life may be the thing thats holding you back How to bring purpose into your day and live a more fulfilled life

Do you remember your mother telling you when you were little that you'd never meet Mr. Right if you were spending all your time and energy with Mr. Wrong? And what about the book out a few years ago that created such a hoopla with the single crowd – He's Just Not That Into You? The two main characters in Winter Interlude either didn't heed their mother's advice or haven't read the book. Now, add into the plot that the two in question are enemies who regularly run into each other, given their current relationships. Paul Morrison, a hunky, blond, financial planner, has been putting time and energy into winning the heart of Kate Winter's best friend for almost as long as Kate, a strong willed antiques dealer, has been dating James Morrison, Paul's brother. The sparks start to fly when the two get stuck together for a three-hour drive to the mountains and years of misconceptions about each other are slowly being wiped out. It is in the confines of the BMW that the two begin their journey, taking them from being mortal enemies to lovers. Winter Interlude tells the story of their adventure – of how they finally find love. Kate and Paul's story is the first one in a series of four friends caught in a time warp. They can't move on because they are stuck on their idea of their perfect dreams. But sometimes life works in mysterious ways and they are all forced by circumstances to change.Show More Show Less

Abigail Walker and Jarvis Daniels are longtime sweethearts headed in opposite directions. Abby, an aspiring cellist, wants out of her humble Detroit surroundings and is willing to shed blood, sweat, and tears to make it happen. Jarvis, on the other hand, is perfectly content with life. For him there's plenty of time to become a "responsible adult." For now, heâ??s got everything he could want: a roof over his head, a PlayStation, and the love of a good woman. When Abby's music career takes off and she moves to Chicago, Jarvis gets the boot---sort of. Abby still loves him, but his penchant for faded sweaters and meatball subs just doesnâ??t fit into her new, sophisticated world of designer gowns and concert halls. They're in different leagues and Abby makes no qualms of reminding him of it whenever she deigns to visit him. When the couple is involved in a near-fatal car crash, they are broken, stripped, and broken again both stumbling through a journey of healing and self-discovery as they struggle to accept the merciful hand of the only One who can help them up after a fall.

One week is all we were supposed to share. One week as strangers. All the things you did differently irked me. I thought it meant we couldn't get along, that there was no chance we'd work out. But when it came time for me to leave, you know what I figured out? You were my echo. My call back.

And damn it if I didn't find home in the end.

\*\*\*\*Ryan Blair paham bagaimana caranya membangun sebuah bisnis dari nol. Seperti banyak pengusaha lainnya dia tidak memiliki pendidikan bisnis yang formal. Akan tetapi dia memiliki insting bertahan hidup yang sangat tinggi, ketekunan, dan, di atas segalanya, dia memiliki pola pikir \*\*\*\*\*nothing to lose.\*\*\*\*\* Kehidupan kelas menengah Blair saat masih belia berhenti saat ayahnya yang kasar menjadi pecandu narkoba dan meninggalkan keluarganya. Blair dan ibunya pindah ke sebuah lingkungan yang buruk, dan dengan cepat dia keluar-masuk Lapas Remaja, bergabung dengan suatu geng hanya untuk bertahan hidup. Kemudian ibunya jatuh cinta dengan seorang pengusaha sukses yang kemudian membimbing Ryan. Dengan bantuan dari mentornya inilah, Ryan mengubah dirinya menjadi seorang pengusaha yang luar biasa sukses. Dia membangun perusahaan pertamanya pada usia 21 tahun, dan sejak saat itu dia telah membangun dan menjual sejumlah perusahaan dengan nilai ratusan juta dolar. Dalam buku ini, Blair menunjukkan pada para pembaca cara memulai dan membangun bisnis yang menguntungkan dengan mengikuti filosofi-filosofinya yang sering kali bertolak belakang dengan filosofi lain. Sebagai contoh: – Di dalam Lapas Remaja, jika pada hari pertama Anda membiarkan seseorang mengambil susu Anda, orang itu akan mengambilnya setiap hari. Hal yang sama berlaku di dalam dunia bisnis. – Ketika Anda sedang berurusan dengan uang investor, Anda harus bersikap seolah-olah Tuhan sendiri yang telah menuliskan cek itu untuk Anda. – Kebanyakan rancangan bisnis hanya berharga seperti selembaar kertas. – Upaya saja tidak akan cukup untuk membiayai hidup Anda. Jangan bersimpati terhadap karyawan yang menceritakan kepada Anda betapa kerasnya mereka bekerja untuk Anda. – Kewirausahaan sangat menyenangkan, karena Anda dapat mengatur jam kerja Anda sendiri – Anda dapat memilih 17 jam mana pun dalam satu hari, tujuh hari dalam seminggu. Tetapi jika Anda sedang mengerjakan sesuatu yang Anda cintai, pekerjaan itu tidak akan melelahkan Anda seperti lingkaran kematian jam kerja yang dimulai dari jam 9 pagi sampai jam 5 sore. Buku ini merupakan panduan inspirasional bagi mereka yang bersedia bekerja keras, meluangkan waktu, dan mendedikasikan diri mereka untuk meraih cita-cita mereka. Blair membagikan pelajaran-pelajaran yang ia terima dari mentornya, nasihat-nasihat dari pengalamannya sendiri yang mengubah hidupnya, dan menyediakan sebuah peta untuk mencapai kesuksesan dalam dunia kewirausahaan.\*\*\*\*

But the only way to get these items is to time travel. His friends who accompany him on his journey are Diego, Ashley, and Richard. That's when they find out that there is something evil lurking around them.*

*Conservative political commentator Kathy Barnette shares how liberal leadership has failed the black community and how being a democrat is not synonymous with your skin color. During his first historic run for the presidency in 2016, Donald Trump made an impassioned plea to the black community. "Give me a chance," he said. "What the hell do you have to lose?" According to Kathy Barnette, black Americans have nothing to lose, except for crime ridden communities, neighborhoods that have become shooting galleries, more social welfare programs, and the mocking indifference of the Democrat party. Barnette argues that even a cursory look into the black community reveals the destabilizing effect liberal policies have had on the black family. There was a time when Barnette bought into the same lie as everyone else-that if you're black, you must be a democrat. In fact, she was born into the Democrat party just as much as she was born into brown skin. There was no point of separation. Until she began to understand what it truly means to be black in America. Barnette contends that being black is more than just the color of her skin. It's a culture and a consciousness, too. In NOTHING TO LOSE, EVERYTHING TO GAIN, Barnette writes about why liberal policies have failed the black community time and time again - and will fail the larger American community as Democrats rush to the hard Left of the party. From the "Great Society" to Kanye West's ongoing war with the liberal establishment, this book provides sharp, eloquent commentary on the most pressing issues facing black Americans today: broken family structure, loss of identity, the legacy of slavery, and more. Barnette argues that President Trump has not been willing to presume that the "black vote" is a foregone conclusion resting comfortably in the back pockets of Democrats. With his plainspoken style and willingness to face harsh truths, the president has done more for the black community than any president since Abraham Lincoln. Barnette insists the time is now to get back what has been lost, to fix the brokenness, and to recognize and support those who are actually working in our favor. We have nothing to lose, and even more to gain.*

*Why do entrepreneurs constantly search for success, when it is happiness they are after? It is this question that many never stop to think about on their entrepreneurial journey. This blind push has created a crisis that is driving many entrepreneurs down the wrong path, and leading to lives of complete unhappiness, frustration, and a loss of who they are. Regardless of their success.Despite how they feel, they push even harder hoping that they will be able to move forward and feel better once they reach the next level. But no matter what they do, or what level they are at, these deep feelings, thoughts, and emotions, never go away.The constant barrage of emotions, influence, and beliefs has only strengthened this crisis. It has become a large epidemic that very few people are talking about or even realize exists. It is destroying who entrepreneurs are, and ultimately keeping them from what they really want."The Entrepreneurial Identity Crisis" aims to answer why this is happening to so many entrepreneurs, and why so many of them don't even realize they have been drawn into this crisis.Along with explaining why this is happening, this book aims to show entrepreneurs what they can do to not only reach the level of success that they want, but to feel happy, content, and fulfilled as well.*
