

## *Sacrifice Of Love Book 7 Of The Grey Wolves Series By Quinn Loftis*

A powerhouse grimdark fantasy of bloodshed, ambition, and fate, The House of Sacrifice is the thunderous conclusion to Anna Smith Spark's Empires of Dust trilogy, which began with The Court of Broken Knives. Marith Altrersyr has won. He cut a path of blood and vengeance and needless violence around the world and now he rules. It is time for Marith to put down his sword, to send home his armies, to grow a beard and become fat. It is time to look to his own house, and to produce an heir. The King of Death must now learn to live. But some things cannot be learnt. The spoils of war turn to ash in the mouths of the Amrath Army and soon they are on the move again. But Marith, lord of lies, dragon-killer, father-killer, has begun to falter and his mind decays. How long can a warlord rotting from within continue to win? As the Army marches on to Sorlost, Thalia's thoughts turn to home and to the future: a life grows inside her and it is a precious thing - but it grows weak. Why must the sins of the father curse the child? Empires of Dust The Court of Broken Knives The Tower of Living and Dying The House of Sacrifice

My life changed forever the night my husband died. I was left with a shattered heart, a heap of bills, and our daughter, EVERLEIGH. I don't want to rely on anyone, least of all CREW GENTRY. He's my first love and the man who almost destroyed me, the man who has let me down every time I've needed him. But when tragedy strikes a second time, Crew just might be my only hope. My life changed forever the night my brother died. I was left with a guilty conscience, a pile of mistakes, and little else. I take care of JULIA GENTRY, my brother's widow and the love of my life, and their daughter. I know she doesn't want my help, but she gets it anyway. I owe her that. When another disaster hits, I'm given the opportunity to make things right. I'm taking it. I'm willing to sacrifice it all.

As one evil falls, another rises in its place. The powerful witch, Desdemona, has finally been killed by an alliance of wolf, elf, and fae. But Reyaz, brother to Cypher the warlock king, has vowed retribution for a life that was taken from him. Now Cypher must decide not only how to protect his newfound mate and his people, but also how to destroy the only family he has left. Meanwhile, Jen's pregnancy progresses and the fateful due date draws ever nearer. The thought of losing Decebel's child constantly threatens to overwhelm her. With each passing day, Decebel grows more distant, causing Jen to wonder what toll the impending loss of their child is taking on him. Unbeknownst to Jen, in an act of desperation to protect his unborn child and mate, Decebel strikes a deadly bargain with the Great Luna—his life in place of his child's. There is only one way for that to happen; the bond between him and Jen must be broken. As Jen as Decebel struggle through their darkness, another kind of darkness is infiltrating Fane's heart. Doubts and questions linger as he tries to cope with the emotions brought on in the aftermath of Desdemona's curse. He knows what happened wasn't real, but still, he can't rid himself of the terrible images seared into his memory. Jacques is his light, the one who keeps the darkness at bay, yet he won't let her inside to do just that. Sally continues to learn what it means to be a gypsy healer and Costin struggles to protect her as she runs full speed ahead to help her wolves, heedless of her own safety. She sees her best friends struggling, each enduring their own trials. She's desperate to help them, but can she keep them safe? With all of these things hanging heavy over the heads of the Serbia and Romania packs, their attention is divided. The wolves do not even realize a threat has slowly infiltrated their midst. Will they recognize the threat in time to save the lives that precariously hang in the balance? Against this backdrop of darkness, choices will be made, fears will be confronted, and the ultimate sacrifice will be made. Will the wolves stand together to defeat the threats arrayed against them, both from within and without? Will love conquer all? Or will the beleaguered wolves finally succumb to their demons?

As one evil falls, another rises in its place. The powerful witch, Desdemona, has finally been killed by an alliance of wolf, elf, and fae. But Reyaz, brother to Cypher the warlock king, has vowed retribution for a life that was taken from him. all of these things hanging heavy over the heads of the Serbia and Romania packs, their attention is divided. The wolves do not even realize a threat has slowly infiltrated their midst. Will they recognize the threat in time to save the lives that precariously hang in the balance? Against this backdrop of darkness, choices will be made, fears will be confronted, and the ultimate sacrifice will be made. Will the wolves stand together to defeat the threats arrayed against them, both from within and without? Will love conquer all? Or will the beleaguered wolves finally succumb to their demons?

There was one in each generation. Destined to leave their loved ones, their home, their coven, their way of life. To fulfill the age-old treaty with the demons. A Sacrifice. We all spoke about their fates in hushed whispers around open fires like ghost stories, conjuring up tales, each more horrifying than the last. I never thought I would become her. The Sacrifice. Ripped from everything I had ever known, thrown into a world of darkness and uncertainty, my life in the hands of creatures of pure evil. Nothing could have prepared me for the truth. Or the growing infatuation I felt toward one of my captors. But the questions remained: What did they want from me? What would happen to me once they got it? What price was I willing to pay? And what sacrifice was I willing to make to hold onto a love I never could have seen coming?

Bound in Sacrifice

Book 1 of the Grey Wolves Series

***Jaque Pierce was an ordinary 17-year-old girl getting ready to start her senior year in high school in Coldspring, TX when a mysterious foreign exchange student from Romania moves in across the street. Jacque and her two best friends Sally and Jen don't realize the last two weeks of their summer are going to get a lot more interesting. From the moment Jacque sets eyes on Fane, she feels an instant connection, a pull like a moth to a flame. Little does she know that the flame she is drawn too is actually a Canis Lupus, werewolf, and she just happens to be his mate, the other half of his soul. The problem is Fane is not the only wolf in Coldspring. Just as Fane and Jacque are getting to know each other, another wolf steps out to try and claim Jacque as his mate. Fane will now have to fight for the right to complete the mating bond, something that is his right by birth but is being denied him by a crazed Alpha. Will the love Fane has for Jacque be enough to give him the strength to defeat his enemy and will Jacque accept she is Fane's mate and complete the bond between them?***

***Once upon a time, a scorned Queen opened a box, unleashing horrible evil on the world's heroes. Instead of gallantry and chivalry, they now possessed much more perverse traits. They've fallen victim to their darkest and most deviant desires. This is one of their stories... A regular at my club racked up a large debt that he couldn't afford, so I sent my men to collect. Instead of delivering the money I was owed, they brought me her. Unable to fulfill her father's debt, I told her he would pay for it with his life. When she begged to trade her father's life for her own, I was intrigued. But she couldn't hide the shiver of fear cloaked beneath the façade of strength and bravery she tried to portray. Silly girl, you don't know what you've gotten yourself into. I'm going to snuff out your pride and stomp on your courage. My father was a good man with strong values, who put his family above everything else. We weren't perfect, but we were happy. Then, Mom died and took our happiness with her. Dad quickly got caught in a downward spiral that spun our world into chaos. The warm, caring man that I knew from my childhood was replaced with a complete stranger. It sucked the light from my world. Now, I fear I will pay greatly for his transgressions.***

***Love and Sacrifice is the true story of a father and son killed in World War II. The stories of the Reed family in Love and Sacrifice are vividly brought to life in the personal memoirs of wife and mother, Mildred Reed, enhanced by personal letters among family members through courtship, love, and loss. Mildred's words are richly illustrated with hundreds of photographs bringing the family's stories to life. Their travels are documented within the significant historical context of the time and places where the family was living. Colonel Ollie W. Reed, was the commanding officer of the 175th Regiment, 29th Division in Normandy. He died of the mortal wounds suffered on July 30, 1944 in Villebaudon, France during a German counter-offensive. Colonel Reed did not know that his son had been killed in action three weeks earlier. Lieutenant Ollie W. Reed, Jr., a 1942 West point graduate, was a platoon leader in the 363rd Infantry Regiment, 91st Division in Italy when, in their second day in combat, he was killed in action while trying to get his panicked men to cover during an artillery barrage. He left a wife and six-month-old son, Ollie W. Reed, III. Father and son are buried alongside one another in the Normandy American Cemetery.***

***The TROJAN WAR SONG OF PRINCES, Book One of the Homeric Chronicles Sing Muse. Sing of the shining citadel of Troy rising from the hot sands of Asia. Sing of the Greek palaces ascending from their rocky hilltops. Sing of one woman's dream heralding the madness of men and the murder of innocents. From bull dancing rings and wild meadows, the Forgotten Prince must choose between love and a golden crown. From seclusion and safety, the Golden Warrior must choose between his honor and his life. From behind the Great Wall, the Golden Prince must choose between his family and his city. And from a rugged realm on the far side of Greece, the Warrior King must choose between his son's life and certain exile. Here shepherds and princes, warriors and kings, and seers and lovers seek to conquer their passions, outwit destiny or surrender to it. PARIS, the FORGOTTEN PRINCE. ACHILLES, the GOLDEN WARRIOR. HEKTOR, the GOLDEN PRINCE. ODYSSEUS, the WARRIOR KING. Where did their legends begin before their lives***

*converged at Troy in one of the most famous battles of all time? The HOMERIC CHRONICLES tell the stories of Paris, Achilles, Hektor, and Odysseus in one chronological tale, beginning before the ILIAD and ending long after the ODYSSEY. Blending both history and myth, the Homeric Chronicles will satisfy your love of Greek mythology, while paying homage to the original storyteller, Homer. SONGS OF PRINCES begins with the birth of Paris and Achilles, and introduces us to a young Hektor and Odysseus. The journey of the princes begins... Fall in love with Greek mythology for the first time or all over again. ...READ THEM ALL... #songofprinces #riseofprinces #returnofkings #homerichronicles THE BIRTH OF PARIS The labor began with the pull of the full moon. Hecuba's eyes opened. She recognized the familiar dull ache. The squeeze tightened down her lower back and wrapped itself around her lower hips and belly like a merciless snake. It begins, she thought. The child whose destiny she'd agonized over these many weeks pressed his entrance into a hostile world. She rolled onto her side to ease the progressing pains. She knew precious little time remained before she would be forced to call Tessa to fetch the midwife. Hecuba planned to endure as much pain as she could bear buying time with her unwelcomed son...unwelcomed by all, except for her. She loved the child despite the prophecy. Tears filled her eyes for the child pushing his way to the light. Hecuba wept into her pillow. His innocence would be her life's burden. She would never know the burn of the first milk passing to her breasts as his little mouth suckled for the first time. She would not know the smell of his baby skin. She would not feel the weight of him in her arms as she cradled him to sleep, or the weight of his little body as it grew to fill the circle of her arms, making them ache with his increasing size. She would not know him at all. He would be stolen away from her and lost forever. With each new tug on her body, she clenched her teeth and tried to breathe as quietly as possible. In between the pains, she shifted to the opposite side to keep the mounting pressure from making her cry out. As the moonlight shifted past the high window, the birthing process accelerated. A piercing pain below Hecuba's pelvis forced a shrill scream into the stillness shattering the silver calm. The warm sticky wetness washed down her thighs. Eleithyia wasted no time bringing the child along. Why goddess? Let him stay with me a while longer, I beg you. Her plea hung unheeded in that space between earth and sky.*

*The opportunity of a lifetime... Genevieve Holt headed to New Orleans to interview with one of the top advertising agencies in the country. It's one of her most cherished dreams – to become an advertising executive before she hits thirty-five. She figured she would tackle the interview, and celebrate by spending a few days enjoying the fabulous French Quarter. She never expected to wind up stuck in her pajamas on the eleventh floor of her hotel while it was on fire. Or that she would be rescued by the hottest firefighter she had ever met, and experience the most erotic night of her life in his arms. But all actions have consequences... Firefighter Killian Raveau loves his job. It doesn't hurt that in his profession, women throw themselves at him. He never lacks for female company if he wants it. And yet, there was a one-night stand that he wishes had developed into more. Then again, it could just be that he is at a crossroads professionally, and unsure of the direction he should proceed. When that same woman appears on his doorstep three months later and drops a bombshell, totally upending his life, it leaves him rethinking all of his priorities. Can Killian convince Gen to turn their one night into forever? Or will Gen's strict dating policies get in the way?*

The Sands of Time are filled with dangers and new enemies to face. But for Keira to stand tall in a world she does not know, she must first brave the differences in loving the man she calls Draven and the man she must now call her King. Join Keira as she is thrown into an ancient time and faces her biggest challenge yet... How to get a Demon King to fall for a human girl he is forbidden to love.

Follows the dual storylines of Small Sam on his search for Ella and of Shadowman's discoveries about Saint George and the Disease itself.

All my life, I've wanted nothing more than to escape my father's compound. Half human, half vampire, I have none of the perks and all of the weaknesses. Well, my father's finally found a use for me. He's sent me to Malachi Zion, the last vampire in his family. My role is to play resident blood bank and, should Malachi knock me up, my father gets access to a whole new bloodline to control. No one asks me what I want. But the longer I spend with Malachi, the more I realize that he's not the monster I first thought, which makes it harder to resist the heat that flares between us. And then his two friends show up and complicate things exponentially. As long as we're stuck in this house together, I'm a trap just waiting to be sprung. But if we break free, there's nothing holding these vampires to me... In gaining the one thing I want more than anything--my freedom--I might just lose everything. CW: blood play, breeding, abusive parent (father), cliffhanger

The Sacrifice picks up after Small Sam and The Kid arrive at the Tower of London at the end of The Dead. Though Sam finds safety and friendship at the Tower with Jordan Hordern's crew, he can't settle down. The only thing he wants is to be reunited with his sister, Ella. Despite Ed's protests, Sam and the Kid strike out westward, through the no-go zone. Meanwhile, Shadowman is tracking Saint George across north London, watching him build up his army. Shadowman knows that Saint George is an extremely dangerous threat, but no one will take his warnings seriously. Some answers to the questions we've been wondering about--What is the Disease? Where did it come from? Is there a cure?--are addressed by an unexpected source: a diseased adult nicknamed Wormwood who has the ability to speak, though his ravings are difficult to decipher. Unspeakable horror, edge-of-the-seat suspense, and stomach-churning plot twists continue in Book 4 of Charlie Higson's masterful Enemy saga.

This updated second edition of the Catechism of the Catholic Church incorporates all the final modifications made in the complete, official Latin text, accompanied by line-by-line explanations

of orthodox Catholicism, summaries of each section, a detailed index, extensive cross-references, and helpful footnotes.

A Mythos Legacy Novel

*Give the streets an inch and the streets will take a mile. They will also destroy a man's soul. Antonio "Ameen" Felder learns this through the most painful of circumstances. Finally a free man with the love of his children and the woman of his dreams beside him, Antonio prays that the streets allow him to chill so that he never has to go back behind the wall. Set on creating a decent life for his family, he squashes all beef with his enemy, puts his dark, murderous past far behind, and like the ultimate hustler, pursues his dreams. The streets, however, disregard this gangster's prayer and commits the most diabolical of deeds against him, resurrecting the old Antonio out of the trenches and back into beast mode. Now all bets are off and he takes no prisoners, leaving the guilty and collateral damage in his wake. This sacrifice may be the greatest Antonio has ever offered.*

*A reverse twist on the Robin Hood story filled with romance, adventure, twists, and turns, a treat for all fans of historical fiction and medieval stories, featuring a strong female character who can kick butt in a cloak. For three years, the Cloaked Bandit has terrorized Wessex, robbing the nobility by knifepoint and a well-placed arrow. But little does anyone know, this bandit is in fact Juliana Wessex, the rightful ruler of the land, and a girl her tyrannical uncle—the current Lord Wessex—believes was killed along with father. Juliana has become skilled at hiding from Lord Wessex in the forest, using her stolen goods to provide food and shelter to the peasants her uncle has taxed into poverty. But when she robs Collin Goodrich, her red hair betrays her true identity. Lord Collin remembers Juliana from their childhood—and challenges her to stay on his estate for a week in hopes she will leave her thieving ways and become a proper lady once more. Juliana is intrigued by Collin and his charms, but only time will tell if he can overcome her distaste of the nobility—as well as win her heart. Praise for the An Uncertain Choice series: “An enjoyable read.” —Christian Library Journal “This sweet story will not disappoint!” —USA Today Happy Ever After blog A Daring Sacrifice: Is a medieval, clean, YA romance novel by Judy Hedlund Features a strong female heroine Is a reverse twist on the Robin Hood story, featuring a female Robin Hood-type lead Is a perfect mix of romance and action and adventure Is the second book in the An Uncertain Choice series*

*#1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of I Am the Messenger, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with The Diary of a Young Girl by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.*

*With Modifications from the Editio Typica*

**Aeneas appears in The Illiad in vague snatches and starts as a traveling warrior of great piety who was loosely connected to the foundation of Rome. Virgil weaves these fragments into a powerful myth about the founding of Rome in The Aeneid. Aeneas travels from his native Troy to Italy then wages victorious war upon the Latins.**

**In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over-the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, The Enemy is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.**

**A desperate act to save her family . . . Dilly is devastated: with her husband unable to work and four children already at home, they cannot afford to feed their newborn baby. Heartbroken, she heads into the night to deliver her baby girl to the Farthing family at the big house. Having just lost their own daughter to measles, the Farthings adopt the baby and offer Dilly a lifeline: a job as a maid. This act of desperation will change the lives of both families irrevocably ? and the onset of WWI even more so. Sons are taken, love is declared, hearts are broken and terrible acts are committed. Through it all, Dilly does everything she can to preserve her family. But when the chance for true love finally comes, will she choose family over her own happiness? A moving and uplifting story of family, loyalty and love, from much-loved author Rosie Goodwin.**

**The debate in 17th-century France between the Quietists and their opponents raised the question whether we should be willing to sacrifice the salvation of our own souls for love of another. Descartes's views on freewill were cited by both sides.**

**Lakshmi is a thirteen-year-old girl who lives with her family in a small hut on a mountain in Nepal. Though she is desperately poor, her life is full of simple pleasures, like playing hopscotch with her best friend from school, and having her mother brush her hair by the light of an oil lamp. But when the harsh Himalayan monsoons wash away all that remains of the family's crops, Lakshmi's stepfather says she must leave home and take a job to support her family. He introduces her to a glamorous stranger who tells her she will find her a job as a maid in the city. Glad to be able to help, Lakshmi journeys to India and arrives at "Happiness House" full of hope. But she soon learns the unthinkable truth: she has been sold into prostitution. An old woman named Mumtaz rules the brothel with cruelty and cunning. She tells Lakshmi that she is trapped there until she can pay off her family's debt—then cheats Lakshmi of her meager earnings so that she can never leave. Lakshmi's life becomes a nightmare from which she cannot escape. Still, she lives by her mother's words— Simply to endure is to triumph—and gradually, she forms friendships with the other girls that enable her to survive in this terrifying new world. Then the day comes when she must make a decision—will she risk everything for a chance to reclaim her life? Written in spare and evocative vignettes, this powerful novel renders a world that is as unimaginable as it is real, and a girl who not only survives but triumphs.**

Four men, brought together by fate, connected in more powerful ways than they'd ever imagined. Lidon, the powerful alpha-cop, determined to never trust another partner-until he helps a vulnerable omega through his heat and connects with him in a way that leaves him reeling. Enar, the alpha-doctor who dedicates his life to serving omegas who need his help. He works himself to the bone, anything to drown out his inner voices that scream at him he's not a real alpha. Palani, the sassy beta reporter who will do anything to save his omega lover and childhood friend, even if it means watching another man claim him. Vieno, the omega who suffers from a medical condition that requires an alpha's help. It was supposed to be sex, but his attraction to the alpha goes much deeper. But how can he betray his soulmate and lover Palani like this? When Vieno's freedom is endangered, he needs Lidon to save him. The alpha steps up, but the consequences of his choice are more far-reaching than anyone of them had foreseen. Four men try to figure out what they are to each other amidst political unrest, investigations into corruption and fraud, a medical issue that is far bigger and more sinister than it seemed at first, and old legends that are turning

out to be real. Alpha's Sacrifice is an MMMM mpreg gay romance and the first book in the Irresistible Omegas series. It is not a stand-alone and ends on a cliffhanger. Please note the triggers warnings in the front of the book.

A legendary vampire known as the Blood Countess journeys from her castle in the Carpathian Mountains to the glitter of the modern-day world of rock music, in search of a beautiful young woman named Chloe who is destined to become her faithful servant, but Chloe is determined to stop the depraved huntress's evil, regardless of the personal cost. Original.

To save his race, he must keep the chosen virgin pure. But she has other plans... A shapeshifting unicorn desperate to save his race... The last guardian of his kind, Markos Ambrostead must keep the chosen Virgin hidden and untainted. But when an attacker breaches his protective magic, he's forced to reveal himself to defend her life. A tenacious woman who refuses to be ignored... Celia Hawkins wishes the world would get a clue and stop treating her like she's invisible. Only one man notices her, or is that her imagination? After narrowly escaping an attempted rape, she demands answers from her mysterious rescuer—starting with why he's been following her. Rules were made to be broken... Markos can't risk being tempted by the Virgin, yet emboldened by his attention, Celia's determined to become his friend. Maybe more. Maybe much more. Now he must hold onto his crumbling willpower to maintain her purity—or his tribe will become extinct. \*\*\*\*\* Note: For adult readers--contains hot sex scenes and edgy situations. With peace finally descending on the Romanian Grey Wolves, longtime fae ambassador to the wolves, Perizada, has been given a new mission by the Great Luna. But Peri's desire for revenge against her sister, Lorelle, burns in her heart. Further complicating matters, the great white wolf, Lucian Lupei, has been returned to the pack after centuries trapped in the Dark Forest, and it appears he is destined to be with Peri. Can she put aside her thoughts of vengeance long enough to accept Lucian's love and complete her mission?

The last few days have been the darkest of Sally's life. After experiencing the joy of finding her mate, she now suffers the pain of losing everything she holds dear. Both the Romanian and Serbian packs have been captured, ripping Sally's soul mate away from her almost as soon as she had found him. Her best friend and the emotional glue that usually holds Sally together, Jacque Pierce, lies writhing in a restless coma, having been put down by Desdemona's dark magic. Jennifer Adams, the unshakable one, has revealed to her friends and her mate that she is pregnant, but the Fates have marked her unborn baby for death. Though she rails against the darkness, deep inside Jen knows that Decebel's baby must die as payment for her own life, and the knowledge is tearing her soul to pieces.

Crazy Love

7 Eccentric Women Would Sacrifice All (Even Their Shoes) For Their Dreams

The Book Thief

*Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. *The A Life of Faith: Millie Keith novels follow the exciting life and times of Millie Keith, a girl of strong Christian faith growing up on the Indiana frontier in the mid-1800s. Adapted from Martha Finley's 1876 sequel to the popular Elsie Dinsmore novels, these revised and updated, modern-language books introduce readers to yet another delightful Christian heroine.*

*A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in All About Love. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the "100 Visionaries Who Can Change Your Life." All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.*

*Hailed by The New York Times as "a compelling dystopian look at paranoia from one of the most unique and perceptive writers of our time," this brief, captivating novel offers a cautionary tale. The story unfolds within a society in which all traces of individualism have been eliminated from every aspect of life — use of the word "I" is a capital offense. The hero, a rebel who discovers that man's greatest moral duty is the pursuit of his own happiness, embodies the values the author embraced in her personal philosophy of objectivism: reason, ethics, volition, and individualism. Anthem anticipates the themes Ayn Rand explored in her later masterpieces, The Fountainhead and Atlas Shrugged. Publisher's Weekly acclaimed it as "a diamond in the rough, often dwarfed by the superstar company it keeps with the author's more popular work, but every bit as gripping, daring, and powerful." Anthem is a dystopian fiction novella by Ayn Rand, written in 1937 and first published in 1938 in England. It takes place at some unspecified future date when mankind has entered another dark age characterized by irrationality, collectivism, and socialistic thinking and economics. Technological advancement is now carefully planned (when it is allowed to occur at all) and the concept of individuality has been eliminated.*

*The astonishing conclusion to the #1 international bestselling series... Murder. Love. Jealousy. And the ultimate sacrifice. The Queen is dead and the Moroi world will never be the same. Now, with Rose awaiting wrongful execution and Lissa in a deadly struggle for the royal throne, the girls find themselves forced to rely upon enemies and to question those they thought they could trust. . . . But what if true*

**It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.**

**Sacrifice Your Love develops the idea that sacrifice is a mode of enjoyment--that our willingness to sacrifice our desire is actually a way of pursuing it. Fradenburg considers the implications of this idea for various problems important in medieval studies today and beyond.**

**We've watched the Romanian Grey Wolves find their true mates, fight against evil and reunite with the other Canis lupis in the world. Now we will see just how the most powerful Alpha in their history met his match with the woman who became his mate, and helped him become the man he needed to be in order to lead. Every life leaves behind a legacy. Every story has a beginning and an end. The Alpha of the Romania Grey Wolves knows this better than most. He also knows it's the things that transpire to create that legacy and the experiences, triumphs and failures that happen in the middle of the story that matter. His story began a century ago and now a tragedy has led him to his rightful place as Alpha of the Eastern Romania pack. Before he led hundreds, he had to learn to lead a few. Before he sacrificed for all, he had to be willing to sacrifice for any. Before he could be the man destined to save his race he had to be willing to serve them. In order to be raised up he had to first be torn down. There was only one who could do this and live, only one who could light his way when the darkness closed in; his mate, his Luna. This is the building of their legacy, the middle of their story. Their triumphs, their failures, and their tragedy's that would one day make them strong enough to restore a race torn apart by greed, envy, and fear.**

**A brave warrior risks a battle with the gods to save his family in this “gripping, horrific, and unique” grimdark fantasy (Seanan McGuire, New York Times-bestselling author) Since time began, the Grakhul—immortal servants of the gods—have taken human sacrifices to keep the world in balance and the gods appeased. But when warrior Brogan McTyre's entire family is chosen as the next offering, the Grakhul are met with a resistance they never expected. Determined to free his family from their terrible fate, Brogan begins the toughest battle of his life. But when you challenge the power of the gods, you challenge the very fabric of society. Declared an outcast, Brogan and his family are hunted like criminals—though they aren't the only ones who suffer the consequences of their rebellion. When the gods turn their wrath elsewhere, Brogan realizes his fight is not just for the lives and freedom of his loved ones, but for the lives and freedom of the entire world. File Under: Fantasy [ Hunted by the Gods | A Great Refusal | By Land and Sea | The Ultimate Sacrifice ]**

*Concepcion Chapa, an Army veteran, FBI special agent, and the orphaned daughter of two CIA agents, has lived a life of sacrifice for her country. When she learns that her parents may not be dead, just undercover, she allows herself to be recruited as a killer-for-hire for the CIA. Faking her death and undergoing surgery to change her looks, Concepcion leaves everything behind—her friends, family, and country. Under the identity of Sofia Paltrini, she travels the globe doing the dirty work of the US government. But in a world of subterfuge and hidden motives, no one is quite who they seem. Concepcion is left not knowing who to trust and wondering if there's a way to live a life for herself that's beyond sacrifice.*
