

Saga Volume 1 Saga Comic Series

From the superbly gifted Sherry Thomas comes this beautifully written romance about a marriage of convenience that turns inconveniently passionate... Felix Rivendale, the Marquess of Wrenworth, is The Ideal Gentleman, a man all men want to be and all women want to possess. Even Felix himself almost believes this golden image. But underneath is a damaged soul soothed only by public adulation. Louisa Cantwell needs to marry well to support her sisters. She does not, however, want Lord Wrenworth—though he seems inexplicably interested in her. She mistrusts his outward perfection, and the praise he garners everywhere he goes. Still, when he is the only man to propose at the end of the London season, she reluctantly accepts. Louisa does not understand her husband's mysterious purposes, but she cannot deny the pleasure her body takes in his touch. Nor can she deny the pull this magnetic man exerts upon her. But does she dare to fall in love with a man so full of dark secrets, any one of which could devastate her, if she were to get any closer?

"When Snow White's party-girl sister Rose Red is apparently murdered, it's up to Fabletown's sheriff--the reformed Big Bad Wolf, Bigby--to find the killer. Meanwhile, trouble of a different sort brews at the Fableupstate farm, where non-human inhabitants are preaching

revolution and threatening the carefully nurtured secret of Fabletown"--

This collection offers cultural historical analyses of enfreakment and freak shows, examining the social construction and spectacular display of wondrous, monstrous, or curious Otherness in the formerly relatively neglected region of Continental Europe. Forgotten stories are uncovered about freak-show celebrities, medical specimen, and philosophical fantasies presenting the anatomically unusual in a wide range of sites, including curiosity cabinets, anatomical museums, and traveling circus acts. The essays explore the locally specific dimensions of the exhibition of extraordinary bodies within their particular historical, cultural and political context. Thus the impact of the Nazi eugenics program, state Socialism, or the Chernobyl catastrophe is observed closely and yet the transnational dimensions of enfreakment are made obvious through topics ranging from Jesuit missionaries' diabolization of American Indians, to translations of Continental European teratology in British medical journals, and the Hollywood silver screen's colonization of European fantasies about deformity. Although Continental European freaks are introduced as products of ideologically-infiltrated representations, they also emerge as embodied subjects endowed with their own voice, view, and subversive agency.

A teenage girl struggles to overcome the trauma of war in an alternate, matriarchal 1900s Asia that's brimming with

arcane dangers. This task is made all the more difficult by her mysterious psychic link to an eldritch monster of tremendous power a connection that will transform them both, and place them in the crosshairs of both human and otherworldly powers. Creator/writer MARJORIE LIU (who made history as the first woman to win an Eisner Award for Best Writer) and creator/artist SANA TAKEDA present a deluxe, oversized hardcover edition of their beloved breakout comic in MONSTRESS, BOOK ONE. This massive edition features a striking new cover and includes never-before-seen sketches, script pages, and more for over 500 pages of award-winning content. Collects MONSTRESS #1-18

THE #1 NEW YORK TIMES BESTSELLER RETURNS! Visit new planets, meet new adversaries and explore a very new direction, as Hazel becomes a toddler while her family struggles to stay on their feet. Collects SAGA #19-24.

Traveling to a cosmic lighthouse on planet Quietus in order to find their literary hero, new parents Marko and Alana are chased by a host of pursuers.

Fed up with receiving poorly-written "Twilight" knockoffs, editor Shannon Wade did what any reasonable person would: she started killing the worst of the would-be authors sending them to

her! Meanwhile, a stuttering, overweight vampire has targeted those who portray vampires in a light he deems unrealistic. Not exactly novel but terribly graphic, Done To Death follows Andy and Shannon's paths towards a collision as darkly funny as it is ridiculously violent.

After a dramatic time jump, the three-time Eisner Award winner for Best Continuing Series continues to evolve, as Hazel begins the most exciting adventure of her life: kindergarten. Meanwhile, her starcrossed family learns hard lessons of their own.

A Patternist Novel: a story of love and hate, in which two immortals chase each other across continents and centuries, binding their fates together - and changing the destiny of the human race. Doro knows no higher authority than himself. An ancient spirit with boundless powers, he possesses humans, killing without remorse as he jumps from body to body to sustain his own life. With a lonely eternity ahead of him, Doro breeds supernaturally gifted humans into empires that obey his every desire. He fears no one - until he meets Anyanwu. Anyanwu is an entity like Doro and yet different. She can heal with a bite and transform her own body, mending injuries and reversing ageing. The moment Doro meets Anyanwu, he covets her; and from the villages of 17th-century Nigeria to 19th-century United States, their courtship becomes a power struggle that echoes

through generations, irrevocably changing what it means to be human.

"Maggie understands that splatter for splatter's sake is boring. Psychopathy is boring. Coldness is boring. She's interested in feeling, and when her stories turn violent (as they frequently do), it's with a surreal emotional barbarity that distorts the entire world. You can mop up blood with any fabric. Maggie's concern is with the wound left behind, because the wound never leaves-it haunts. As a result, each of these stories leaves a wound of its own. Some weep, watching as you try (and fail) to recover. Others laugh. But never without feeling." -B.R. Yeager, author of Negative Space "And once finished, I felt like my tongue had been misplaced, guts heavy and expanded ... gums numb with a tongue that'd been put elsewhere, my mouth clean around a pipe weaving up through pitch and shadow ... and well past ready, primed for delight, waiting but knowing I had already been filled to skin; crying shit, hearing piss, fingernails seeping bile, pores dribbling blood, soles slopping off and out to meet a drain mid-floor ..."

-Christopher Norris, author of Hunchback '88
