

Sagan Om Isfolket Margit Sandemo

It was not until S ö lve Lind was nearly grown up that he discovered that he was one of the “touched” of the Ice People, and that he had abilities that were out of the ordinary. He always got what he wished for, even when his wishes were selfish or even criminal. S ö lve cynically took advantage of his abilities to gain wealth and seduce beautiful women. But one day he was told that he had a son – a monster, whom no one in the world must ever see ...

His name was Tamlin, and Tengel the Evil had sent him to spy on the Ice People. He would visit them in their nightmares, tricking their plans for the future out of them. But Tamlin hadn't reckoned with young Vanja, who had very special talents even compared with those of the Ice People. Whereas Tamlin was invisible to everybody else, Vanja could see him – and fall in love with him.

The Ice People 7 - Nemesis

The Ice People 9 - Without Roots

A finalist for the Edgar and Mary Higgins Clark Awards, in her riveting debut Invisible City, journalist Julia Dahl introduces a compelling new character in search of the truth about a murder and an understanding of her own heritage. Just months after Rebekah Roberts was born, her mother, an Hasidic Jew from Brooklyn, abandoned her Christian boyfriend and newborn baby to return to her religion. Neither Rebekah nor her father have heard from her since. Now a recent college graduate, Rebekah has moved to New York City to follow her dream of becoming a big-city reporter. But she's also drawn to the idea of being closer to her mother, who might still be living in the Hasidic community in Brooklyn. Then Rebekah is called to cover the story of a murdered Hasidic woman. Rebekah's shocked to learn that, because of the NYPD's habit of kowtowing to the powerful ultra-Orthodox community, not only will the woman be buried without an autopsy, her killer may get away with murder. Rebekah can't let the story end there. But getting to the truth won't be easy—even as she immerses herself in the cloistered world where her mother grew up, it's clear that she's not welcome, and everyone she meets has a secret to keep from an outsider.

The Legend of the Ice People has already captivated 29 million readers across the world. Spellbound is the first volume in the series Legend of the Ice People. The year is 1581. Silje is only seventeen and the plague has already struck her entire family. Famished and perished and with two orphaned children to take care of, she approaches the pyres outside Trondheim to get some warmth into her body. Strangely enough, only one person offers to help Silje in the hour of need: It is a man of the Ice People whom Silje finds bestial and intimidating - but also immensely charming. The series about the Ice People is a moving legend of love and supernatural powers, and not least the struggle between good and evil.

The Pursuit of Happiness

The Ice People 46 - The Black Water

Player One

A Novel

While on a dig at Norwich Castle, forensic archaeologist Ruth Galloway uncovers the bones Mother Hook, a serial killer who was executed in 1867 for the murder of five children, while DCI Harry Nelson investigates a serial child-abductor called the Childminder. 15,000 first printing.

Mikael Lind of the Ice People has been separated from his family his whole life. He's obediently followed orders and expectations of those who raised him, but always against his own wishes. His life is suffocating, and dark visions are threatening to consume him. But a chance encounter changes everything. It leads him to his family, the Ice People. When Mikael meets his extraordinary family, he finally finds his roots. Meanwhile, Mikael's young son Dominic develops powers of his own and joins the next generation of the Ice People - who are both powerful and cursed.

Global Infatuation

Vinterstorm Hft 10 Sagan om Isfolket

Manhattan, Thanksgiving eve, 1945. The war is over, and Eric Smythe's party was in full swing. All his clever Greenwich Village friends were there. So too was his sister Sara, an independent, outspoken young woman, starting to make her way in the big city. And then in walked Jack Malone, a U.S. Army journalist just back from a defeated Germany, a man whose world view was vastly different than that of Eric and his friends. This chance meeting between Sara and Jack and the choices they both made in the wake of it would eventually have profound consequences, both for themselves and for those closest to them for decades afterwards. Set amidst the dynamic optimism of postwar New York and the subsequent nightmare of the McCarthy era, *The Pursuit of Happiness* is a great, tragic love story; a tale of divided loyalties, decisive moral choices and the random workings of destiny.

In *Yearning*, the historic evil curse so feared by the dwindling descendants of the Ice People comes to fruition. A terrifying child, Kolgrim, is born to Sunniva, daughter of the unrepentant witch, Sol Angelica, whom Silje rescued from the plague in the first novel *Spellbound*. As Kolgrim grows up, the lives of Silje and Tengel are drawing to a close and the focus moves to their children and grandchildren. A granddaughter Cecilie, governess to the family of King Christian IV, is caught up in the court intrigues in Copenhagen - and with the Thirty Years War raging across Europe, recruiting squads begin dragging off the youngest descendants of the Ice People to fight in that harsh conflict in Germany.

Galgdockan

Story of five people caught inside an airport cocktail lounge during a global disaster.

As the clan of the Ice People are scattered across Norway and Denmark, their lives bring new joys – and new dangers. When young Tancred, great grandson of Tengel the Good, sets off on his first adventure, he's drawn into a nightmarish vision of deception and murder. Could it be real? Here he meets Jessica, a young noblewoman, who could be his salvation. But she is haunted by the malice and madness of a family who were meant to protect her. As they are both drawn into the highest circles of Court, intrigue and betrayal surround them, and each must face their nemesis.

The Ice People 8 - Under Suspicion

The Historical Novel, Transnationalism, and the Postmodern Era

Tengel the Evil was ready to conquer the world. Slowly but surely, he was closing in on the black water, which would give him unlimited power. The chosen members of the Ice People, headed by Nataniel, had been sent to stop Tengel the Evil. But now Nataniel was stuck in the Great Abyss – a place from which nobody had ever managed to escape ...

The footprints were frightening: one naked human foot – and another that couldn't be properly identified. He roamed the country like a devil, killing everyone who got in his way. Dominic, Villemo and Niklas of the Ice People understood that this was the devil they had been chosen to stop. But who was he – and how were they going to neutralize a monster who appeared to be immortal...

We don't get a lot of NBA superstars coming through little ol' Pine Hill, Texas. That's why everyone is all in a tizzy over the fact that the USA men's Olympic basketball team will be training here of all places before this year's Summer Games. With little else to talk about, rumors about the players have been spreading like wildfire, and there's one man in the middle of it all holding a match. Ben Castillo. NBA champion. Olympic gold medalist. Widely hailed 'King of the Court'. The morning he walks into my dingy diner, I have enough sense to keep my head down and go right on wiping tables, pouring coffee, and serving up short stacks. A man who looks like that-superstar or not-has only ever meant trouble, and more trouble is the last thing I need, what with taking care of Nan and scraping by on tips from truckers. If anything, he seems drawn to my indifference. His steely gaze pierces me behind the counter. My knees nearly buckle under the weight of his attention. But while Mr. Pretty Boy is probably used to snagging city girls with a smile, this gal is country strong. I won't be some cliché d convenience for him on his way through town. So look over your choices carefully, Benny-boy. We serve up sides of hash browns here, not heartbreak.

This best-selling Scandinavian thriller follows its troubled heroine as she investigates a high-profile robbery for Stockholm's Violent Crimes Division. Naked and bloody, a seven-year-old girl walks into a bank in central Stockholm in broad daylight and gets away with millions. Leona Lindberg of Stockholm's Violent Crimes Division agrees to work on the case. With a long, distinguished history in the police force, she seems the perfect choice. But Leona is grappling with deep issues of her own--a gambling addiction, a strained marriage--that could jeopardize the investigation. As she struggles to keep the volatile pieces of her life under control, the line between right and wrong becomes increasingly unclear--and even irrelevant. This is a hard-boiled crime novel, filled with unexpected twists and turns, featuring an unusual heroine. Leona makes for gripping reading while challenging feminine norms and posing questions about what lies behind the choices we make.

Invisible City

This volume explores the genre of the historical novel and the variety of ways in which writers choose to represent the past. How does an author's nationality or gender impact their artistic choices? To what extent can historical novels appeal to a transnational audience? This study demonstrates how histories can communicate across national borders, often by invoking or deconstructing the very notion of nationhood. Furthermore, it traces how the concerns of the postmodern era, such as postmodern critiques of historiography, colonialism, identity, and the Enlightenment, have impacted the genre of the historical novel, and shows this impact has not been uniform throughout Western culture. Not all historical novels written during the postmodern era are postmodern. The historical novel as a genre

occupies a problematic, yet significant space in Cold War literary currents, torn between claims of authenticity and the impossibility of accessing the past. Historical novels from England, America, Germany, and France are compared and contrasted with historical novels from Sweden, testing a variety of theoretical perspectives in the process. This pitting of a center against a periphery serves to highlight traits that historical novels from the West have in common, but also how they differ. The historical novel is not just a local, regional phenomenon, but has become, during the postmodern era, a transnational tool for exploring how we should think of nations and nationalism and what a society should, or should not, look like. Rumour and suspicion continue to haunt the Ice People. When the bodies of four murdered women are found in the woods, the family with magical powers is immediately suspected. A young girl, Hilde, is also drawn into the investigation and accused of being a witch. She's lived alone with her cruel father for years, and is now threatened with death for witchcraft. But the Ice People are always kind to those in need. The family take Hilde in and protect her. As the mystery of the murders unfolds, new threats - and new loyalties - emerge. The Ice People must once again pull together to survive.

Blodshämnd

The Ice People 19 - Dragon's Teeth

In *Evil Inheritance* Mattias, a good-hearted grandson of Silje and Tengel inherits the vast, secret collection of Ice People medicines and formulas, including an all-powerful mandrake root. But the ominous Kolgrim wants the collection for himself and lures Mattias to a meeting in the depths of the infamous Kongsberg silver mines where slave children are forced to work without any hope of release. Kolgrim escapes with the collection of balms and potions and returns to the high Valley of the Ice People in search of a vital cauldron of evil water.

Seventeen year-old Silje Arngrimsdotter struggles to come to terms with the harshness of life in a high mountain valley among the witches and warlocks of the mysterious Ice People. Having fled there for her life with her adored 'wolf man' and two foundling infants from the Trondheim plague, Silje has bravely borne their first child.
