Do you own a skin care business or are you an esthetician wishing for new opportunities? Discover the business, treatments and skills needed to work in a medical setting.Estheticians have an increased value to the medical profession now more than ever. The role of the esthetician in a clinical setting be it surgical consultation, medi-spa, or general practice office is a fast-growing one. Pre- and post-operative care is oftentimes a secondary concern, despite the fact that it is absolutely crucial to the overall health and well-being of the patient/client and a requisite regimen toward realizing the results desired or promised from the medical procedure. Demand continues to grow for non-surgical services including chemical peels and microdermabrasion. In addition, physicians are offering cosmetic treatments, pre-and post-surgical treatments, and skin care products. For the esthetician and medical professional alike, this book emphasizes a working philosophy that esthetic treatment should benefit the mental and emotional well-being of the patient/client, along with healing the body. In eight well-organized sections comprising 32 chapters, Wojak discusses topics that include: The Science of Beauty Regulatory Implications to Treatment and Proper

Documentation Procedures Common Skin Conditions, including but not limited to Acne, Rosacea, and Age-compromised Skin LED and IPL Therapy Understanding Ingredients and Products in Order to Make Proper Recommendations and Applications Ultrasound Microneedling and Microcurrent Advanced Esthetic Treatments, such as Dermaplaning and Chemical and Oxygen Treatments Techniques for Building Your Esthetic Business and Client Roster And more...

Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Milady's Standard Esthetics Fundamentals, International Edition is an introductory text for students who are enrolled in an esthetics training course up to 600 hours. The text is designed to deliver a complete overview of all of the information necessary to introduce a newcomer to the world of professional skin care, including human anatomy, chemistry, electricity, skin analysis, conditions and disorders. Learners are given a comprehensive tour of the most well-known, best-used treatment techniques and services requested by clients: facial massage, the use of facial machines, hair removal, advanced topicals and makeup. The material covers the history of and the opportunities in Esthetics, as well as how to create a competent and lasting professional image and effectively communicate for success in the skin care business. The text prepares the learner for management of the skin care business operations and successful retailing of products and services.

Step-by-step technicals: Photos and accompanying text help students visualize procedures as theymove through every step of a process. The easy-to-follow format significantly raises self-confidence, making a seamless transition to hands-on applications. Real-life scenarios: On the last page of every chapter, we offer students a chance to apply their new knowledge. Hypothetical scenarios require students to use decision making skills mastered in that chapter. It is a chance for students to mentally leave the classroom and envision themselves a successful professionals. Key concepts: Throughout each chapter, we use imaginative ways to call attention to key points. Look for colored text, bold print, bullets, and charts. These relate to important theories your students must remember and makes chapter review for tests much easier! Learning strategy: More complex technicals include a checkmark beside any step that calls for specific safety precautions. This indicates an ideal moment to check on a client's comfort level. - Publisher.

Single mom Karina Barrett is thrilled to treat her kids to a fairytale Christmas vacation... but will a sexy innkeeper make her own holiday dreams come true? For Karina, it's the chance of a lifetime: a free cocoa and gingerbread-filled holiday at a quaint Michigan B&B called The Christmas House. In return, Karina will play spy and report back to the company hoping to buy out the popular hotel. It's all too good to be true...especially when Karina meets innkeeper Reid Sullivan. The man is a walking talking Christmas miracle—and she's hoping to meet him under the mistletoe... Single dad turned globe-trotting adventurer, Reid isn't quite sure how he and his daughters got roped into helping out this year at his family's B&B. But once he arrives, it doesn't take long for a certain guest to catch his eye. Fun-loving California girl Karina is hard to miss, and Reid senses the attraction is mutual. As Christmas approaches and the weather grows colder, things between Reid and Karina heat up. But when the true reason behind Karina's visit is revealed, will the holiday magic disappear before the ball drops on New Year's Eve?
