In *A City Called Heaven*, gospel announcer and music historian Robert Marovich shines a light on the humble origins of a majestic genre and its indispensable bond to the city where it found its voice: Chicago. Marovich follows gospel music from early hymns and camp meetings through the Great Migration that brought it to Chicago. In time, the music grew into the sanctified soundtrack of the city's mainline black

Protestant churches. In addition to drawing on print media and ephemera, Marovich mines hours of interviews with nearly fifty artists, ministers, and historians--as well as discussions with relatives and friends of past gospel pioneers--to recover many forgotten singers, musicians, songwriters, and industry leaders. He also examines how a lack of economic opportunity bred an entrepreneurial spirit that fueled gospel music's rise to popularity and opened a gate to social mobility for a number of its practitioners. As Marovich shows, gospel music expressed

Freedom will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include:

- Repentance and forgiveness;
- The power of the cross over sin, Satan, and demonic strongholds;

While many played a role in its composition, it was especially Zacharias Ursinus and Caspar Olevianus who imparted its theological content and practical spirit. Having received hearty approval by the pastors and teachers in Heidelberg, it was published on January 19, 1563. Its influence in Germany, the Netherlands, Hungary, and beyond

imagination is a "Heartland" characterized by traditional cultural values and mass market dispositions. Whether cast positively —; as authentic, pastoral, populist, hardworking, and all-American—or negatively—as backward, narrow-minded, unsophisticated, conservative, and out-of-touch—the myth of the Heartland endures.

Heartland TV examines the centrality of this myth to television's promotion and development, programming and marketing appeals, and public debates over the medium's and its audience's cultural worth. Victoria E.

Johnson investigates how the "square" image of the heartland has been ritually recuperated on prime time television, from The Lawrence Welk Show in the 1950s, to documentary specials in the 1960s, to The Mary Tyler Moore Show in the 1970s, to Ellen in the 1990s. She also examines news specials on the Oklahoma City bombing to reveal how that city has been inscribed as the epitome of a timeless, pastoral heartland, and concludes with an analysis of network branding practices and appeals to an imagined "red state" audience. Johnson argues that non-white, queer,

and urban culture is consistently erased from depictions of the Midwest in order to reinforce its "reassuring" image as white and straight. Through analyses of policy, industry discourse, and case studies of specific shows, Heartland TV exposes the cultural function of the Midwest as a site of national transference and disavowal with regard to race, sexuality, and citizenship ideals.
