Diary of Saint Maria Faustina Kowalska

This beautifully designed book will help readers celebrate Catholicism throughout the years, across daily practice and milestones. Like the most useful field guides, it is divided into user-friendly sections, covering such topics as the veneration of relics, blessing your house, discovering a vocation, raising teenagers, getting a Catholic tattoo, brewing abbey ale, finding a spiritual director, and finding your own way in the tradition. With more than 75 inspiring chapters, this book promises to be a resource that individuals and families will turn to again and again.

Published and distributed by Marian Press, this bestselling Diary sparked the Divine Mercy Movement and chronicles the message that Jesus, the Divine Mercy, gave to the world through a humble nun. It reminds us to trust in His forgiveness - and as Christ is merciful, so, too, are we instructed to be merciful to others. The trade edition of this title is now in its 30th printing, with more than one million copies distributed worldwide since its release in 1981 in the original Polish edition.

In this addition to the critically acclaimed BECNT series, respected New Testament scholar Jeffrey Weima offers pastors, students, and teachers the most up-to-date and substantive commentary available on 1-2 Thessalonians. Weima, a Thessalonians expert, experienced teacher, and widely traveled speaker, presents well-informed evangelical scholarship at an accessible level to help readers understand the sociological, historical, and theological aspects of these letters. As with all BECNT volumes, this commentary features the author’s detailed interaction with the Greek text, extensive research, thoughtful chapter-by-chapter exegesis, and a user-friendly design. It admirably achieves the dual aims of the series—academic sophistication with pastoral sensitivity and accessibility.

Hebrews

When darkness envelopes us we are often frightened. Following one of the more poignant phrases in the Bible, at the end of John 13:30 – and it was night, Jesus begins to speak, illuminating His presence. Hereafter, as Jesus spoke, He removed the fear and foreboding surrounding His disciples. There was an urgency and a gentleness as He comforted His disciples. By His words, Jesus brought comfort to the darkness. Get to know Him, for He provides The Comfort of Night.

St. Thérèse of Lisieux’s “Little Way” has been embraced by people of all walks of life. In Twelve Little Ways to Transform Your Heart, author Susan Muto explores twelve facets of St. Thérèse’s simple spiritual path as a way to personal holiness and the secret to being a powerful witness to Christ in the world today. Though she lived only to the age of twenty-four and spent almost her entire life at her family home and in the Carmelite convent, St. Thérèse of Lisieux displayed a love for Jesus and a passion for his gospel that have made her the patroness of the missions. The “Little Flower’s” humility and childlike trust are still powerful examples of how ordinary people can grow closer to Jesus and respond to Pope Francis’s call for a new evangelization. The calls to holiness and to witness to Christ can seem daunting, but as Susan Muto—renowned speaker and expert on Carmelite spirituality—explains, Thérèse shows us that they are neither difficult nor dramatic. The Little Way can be lived by any of us, even with what Thérèse called the “ministry of the smile.” With deep insight and warm personal devotion, Muto explains the Little Way and will help you put twelve dimensions of it into practice, drawing others to Christ by living a simple, joyful life. These twelve ways, derived from the example of Thérèse, are: Learn to love the hidden life Appreciate what a treasure the ordinary is Trust in Divine Mercy as little children do Receive the sacraments devoutly day after day Abandon yourself to Father, Son, and Holy Spirit Foster friendship with God and others Take up your cross and follow Jesus Pray unceasingly Simplify your life Let God free you to be your best self Commit yourself—body, mind, and spirit—to living the Gospel Leave a legacy of evangelical virtues others want to cultivate Muto features short quotations from the saint’s autobiography, poetry, letters, and prayers, as well as perceptive reflection questions and personal prayers to show how imitating Thérèse can make us a powerful force of love. Muto also offers practical spiritual advice for those who want to deepen their faith and are attracted to the simplicity of St. Thérèse’s Little Way.

Drawing on comprehensive analyses of all of Sophocles’ plays, on structuralist anthropology, and on other extensive work on myth and tragedy, Charles Segal examines Sophocles both as a great dramatic poet and as a serious thinker. He shows how Sophoclean tragedy reflects the human condition in its constant and tragic struggle for order and civilized life against the ever-present threat of savagery and chaotic violence, both within society and within the individual. Tragedy and Civilization begins with a study of these themes and then proceeds to detailed discussions of each of the seven plays. For this edition Segal also provides a new preface discussing recent developments in the study of Sophocles.

Unity minister Linda Martella-Whitsett provides a new framework for thinking about prayer that will revolutionize the lives of readers everywhere. The good news here is that you can pray without believing in God; that you can have a rich and fulfilling spiritual practice without adhering to a set of creeds or dogmas. Martella-Whitsett encourages seekers to look within rather than outside themselves for a God in the sky, for the spark of the divine that is at the core of their being. How to Pray Without Talking to God shows how to develop a true spiritual practice by: re-forming the words of traditional prayers; cultivating a habit of daily prayer and meditation; learning how to pray with others. How To Pray Without Talking To God is filled with the author’s stories of her own evolving understanding of God. Each chapter includes a section called “Talk to Yourself” that poses questions for readers to write about or share in a study circle.
