Foreword In the modern world knowledge has become the chief instrument of human progress. The creation and application of knowledge, and therefore the creation of a country ' s wealth is squarely predicated on the quality of its human resources. Human resources of a country have thus become a strategic consideration with the developed and the developing country ' s alike. Many countries in Asia, Europe and the American continent are already reviewing and re-assessing their education systems with a futuristic perspective. India, upon its economic liberalization at the

turn of the century, emerged as a strong contender world over, both in economic and technological arenas. The promise of a large and educated work force, often referred to as the demographic dividend, has been a subject matter of discussion on various forums. However, down the road the country ' s education system seems to have gotten mired in vexing issues relating to quality and relevance of higher education. This is clearly reflected by the mounting pile of unemployable and un-trainable degree holders generated by the colleges and Universities of the country. This is likely to lead to unpleasant social and economic consequences in future. Need therefore arises to identify and address the issues that give rise to misalignments between the human resource needs of the country and its

The book "COMMERCE SET-NET-JRF-A COMPREHENSIVE LOOK" is a comprehensive book for aspirants in the domain of Commerce and Management. All the subjects are very well incorporated in this book. NTA has revised the new pattern of examination and we have designed the book to meet those specific requirements. Practically speaking since last eight years I have given SET-NET Exams, I have faced a big challenge of books for exams. There are very few books in the domain of Commerce and Management. These books are like guide format which consists question and answers without proper justification of answers. Exams are tough

nowadays and relying on limited source of information is waste of time. By realizing this need we have designed this book “ COMMERCE SET-NET-JRF-A COMPREHENSIVE LOOK ” This book has taken into consideration every single aspect which aspirant think he should have in his hand while preparing for the exam. My expertise in this domain is since last eight years and I have qualified exams for record 17 times in the domain of Commerce and Management. We have carefully gone through all the state level exam papers, their level of difficulty and provided valuable justification at the end of the each question. Subject like Economics can be very well understood through diagrams. We have incorporated diagrams in the book wherever necessary. Most of the information provided in this book is taken from
