**"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff** What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem

very different, confusing, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. **THE DOOR IS OPEN** uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.

Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional Mayberry that Griffith obviously used to in his highly successful Andy Griffith Show that ran on CBS for eight years ending its run as the number one

show on television.

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

Take a bus ride, a lunch break, or a warm bath, and get to know a Legend like you never thought you could... Backpack Bios: Give us 30 minutes- and we'll give you a Lifetime... "Whitney Houston: Tragic Diva The Epic Life and Shocking Death of Whitney Houston" Whitney Houston was a Miracle. A Legendary performer known as "The Voice," her astonishing talent was undeniable and her music moved

millions. But she also battled personal demons, toxic dependencies, and crippling self-destructive behaviors. Her startling beauty, indisputable charisma, and divinely-gifted voice made her meteoric rise to superstardom virtually inevitable. But her erratic behavior, tumultuous relationships, and crushing addictions made her premature and tragic end almost equally irrevocable. Just who was this tragic diva, truly? And how, like so many other legends before her, did we lose her so very young? In this intimate and insightful book, Music Industry insider David Cline tries to discover how... Author's Note from the Book: Where does one possibly begin in telling the epic story of an iconic performer the likes of Whitney Houston? How does one approach a life as triumphant and tragic as hers, and make it Human? How can one speak for a superstar known as "The Voice," when that Voice has been so sadly and prematurely silenced? These were the formidable questions we faced as we sat down to compose a brief but intimate portrait of a Legend. The answer to all of them however, became evident very, very quickly: Through her Music. As we organized the research, assembled the elements, and prepared to outline our approach, we were struck by a profound

revelation: Whitney Houston had lived her life through her Music, so how could one ever begin to tell her astounding story, unless they started with her Music? As we examined her history through the prism of that Music, it immediately became amazingly clear that every phase of her remarkable life could be viewed through the telling titles of some of her greatest songs. Whitney moved us because she sang from Life--is it any wonder then, that in the words she sang, lay the touchstones to examining that Life? They are her songs. It is her music. It is her story. It is our hope that through our telling of it, you will feel closer to the woman and the wonder that was Whitney Houston. ---David Cline From author Amara Russell, comes A Rare Diamond, her debut novel that teaches us all to use the wisdom and insight from within to learn to trust in the plan that God has for our lives.
