*First time in the history of India, in 1958, a Sankaracarya visited West. The author, His Holiness Jagadguru Sankaracarya Sri Bharati Krsna Tirtha of Puri, went to America at the invitation of the Self Realization Fellowship, Los Angeles, to spread the message of Vedanta. This book is a compilation of some of his discourses delivered there. These discourses by a saint-yogi and master of ancient Indian scriptures, also well-versed in modern sciences, give the essentials of Vedanta. They combine authenticity of thought with simplicity of language. Being couched in the contemporary idiom they will be found to be particularly suited to the modern mind. Though addressed to American audiences, the discourses carry a message of eternal truth and of universal application. The steps of spiritual inquiry and the paths of God-realisation outlined in them will be of immense practical use to the readers in their quest for the Supreme.*

*Guru Charitra is one of the most revered scriptural texts of Hinduism. Containing the biographies of Lord Dattatreya, (Lord Bramha, Vishnu and Mahesh) and his subsequent incarnations Sripada Sri Vallabha and Sri Narasimha Saraswati, it clarifies several doubts on religious dogmas, rituals and doctrines through a conversation between the master and his disciple. This book, steeped in lofty Hindu philosophical ideas also portrays a picture of the social and economic condition of the medieval times in India, and the message conveyed by the numerous teachings of the Guru needs to be understood in the context of those days. Reading of this interactive account, written in simple and lucid language will give strength and encouragement to spiritual aspirants to continue with their sadhana (spiritual pursuit), enable them to overcome the various problems of modern day living and fulfil their inherent wishes.*

*The spread of the name and fame of Shri Sai Baba of Shirdi within the last two decades is a phenomenon by itself. From 1999 onwards a number of websites were created in the name of Baba, the world over. In the year 2000, Shri C.B Satpathy visited Chicago to inaugurate the Sai Utsav in the month of November. This event attracted a lot of devotees from all over the world including hundreds of families from the US, Latin America, Canada and UK, and by Baba's grace acted as the seed of the creation of an effective world forum of Sai devotees. It was followed by similar events and confrences in Sydney, Australia in 2001, Johannesburg and Nairobi in Africa in 2003 where an increasing number of devotees asked me questions regarding Sai Baba and his message. This trend continued over the years through the internet, till he decided to come up with a publication that would lend greater clarity about His message to His devotees as well as to those with a religious bent of mind. This book is a compilation of the questions he has received over the years, and answers to them in a structyred manner in a style and language which is easy to understand. His messages circulated on various festivals between 2004 and 2009 through diffrent magazines and websites are also included.*

**The book 'Ruthu Vidy' emerged in search of answers to questions asked by adolescent girls and women in India during the author's interactions with them as part of Menstrual Health workshops, conducted over a span of a decade across rural India. In an attempt to decode menstrual practices, the author undertook a journey across India and studied various indigenous knowledge systems such as 'A-Dar'ana, 'Yurved, Tantra, Cakra, Yoga, 'Gama 'stra, Jyotis'a 'stra, and several sub-texts from these categories. As a result, the book goes beyond just describing cultural practices and takes a deep dive into explaining the scientific and logical reasoning behind the origin of these practices. This book is for all Indian women who have unanswered questions pertaining to menstrual practices, for menstrual researchers who will find a treasure trove of potential areas for research pertaining to menstrual health, for sportswomen to discover the ancient techniques that worked in sync with women's periods and not against it, and also for the feminist who assumes that cultural practices around menstruation are a taboo that needs to be done away with. The correct understanding of the science behind menstrual practices, as given in this book, will help women prevent menstrual difficulties, develop a positive attitude toward menstruation, and learn to work in sync with nature's cycles. 'Ruthu (pronounced as ruthu) is one of the terms for menstruation in Sanskrit. Vidy' means knowledge. 'Ruthu Vidy' is the author's attempt to bring together various indigenous knowledge systems that provide information about the science of menstruation, which is relevant even to this day.**

**Singing and dancing, all is the voice of truth. Wide is the heaven of boundless Samadhi, Radiant the full moon of the fourfold wisdom. What remains to be sought? Nirvana is clear before him, This very place the Lotus paradise, This very body the Buddha. Remember the word 'this'. This very place the Lotus paradise... And once you have known your source, wherever you are, you are in the Lotus paradise. This very place the Lotus paradise, And this very body the Buddha. And whatsoever you do -- whatsoever, without any conditions -- is the expression of truth.**

**Known around the globe for her indefatigable work on behalf of the poor, the sick, and the dying, Mother Teresa has devoted her life to giving hope to the hopeless in more than one hundred and twenty countries. She inspires us all to find a way to translate our spiritual beliefs into action in the world. How has one woman accomplished so much? And what are the guiding principles that have enabled this humble nun to so profoundly effect the lives of millions? Now, in her own words, Mother Teresa shares the thoughts and experiences that have led her to do her extraordinary charitable work. A candid look at her everyday life--at the very simplicity and self-sacrifice that give her the strength to move mountains--A Simple Path gives voice to the remarkable spirit who has dedicated her life to the poorest among us. Just as important as her beliefs are how they are put into action in the world, and A Simple Path also tells the story of the founding of the Missionaries of Charity, their purpose and practice, and the results of their tireless work. Through faith, surrender, and prayer, the missionaries live to serve others; they have improved the lives of countless souls and given dignity to the dying. Their mission has also produced a ripple effect, spreading human compassion to communities where there is need. Through these examples, as well as the uplifting words and guiding prayers of Mother Teresa and those who work with her, everyone can learn how to walk the simple path that Mother Teresa has laid out for us, to help create a truly kinder world for the future. A Simple Path is a unique spiritual guide for Catholics and non-Catholics alike: full of wisdom and hope from the one person who has given us the greatest model of love in action in our time.**

**This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana. Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner.**

*This collection of studies had its origin in the Burdick-Vary Symposium of 1986, held at the University of Wisconsin-Madison. The symposium, sponsored jointly by the Institute for Research in the Humanities and the Hebrew Department of the University of Wisconsin-Madison, focused on the topic of the social role of temples in society. Participants presented the role of the temple in Sumer, Japan, the Far East, the Near East, Europe, and Meso-America. Together they sought to determine whether the temple as an institution was a single such entity, meeting fundamental human needs in similar ways throughout history, or whether the temples of various cultures are similar only in the fact that English uses the same word to refer to them.*

*In 2014, when 15,000 travelers were stranded at airport in Dallas, Texas, my wife and I helped a young Bengali woman who was visiting the US for the first time. We saw to it that she reached her destination safely. We remained friends and grew close, staying in touch online. In 2015, she asked that we come to India to be in her wedding party as her "American parents." It was an incredible way to experience India for the first time! At the request of a few Indian friends from an online forum, I wrote a short travelogue about that first experience in India. More than 100,000 Indians read what I wrote! Some were young people who became close online friends. Some wrote me about their personal issues. They began calling me "Baapu", "Baba", "Angel Paa", "Touji", "Papa Rick", and "Dad." I called them the sons and daughters of my heart. In 2017, we returned to India and stayed with the families of some of them in five different cities. This book tells that story.*

*A fascinating look at India's remarkable impact on Western culture, this eye-opening popular history shows how the ancient philosophy of Vedanta and the mind-body methods of Yoga have profoundly affected the worldview of millions of Americans and radically altered the religious landscape. What exploded in the 1960s, following the Beatles trip to India for an extended stay with their new guru, Maharishi Mahesh Yogi, actually began more than two hundred years earlier, when the United States started importing knowledge--as well as tangy spices and colorful fabrics--from Asia. The first translations of Hindu texts found their way into the libraries of John Adams and Ralph Waldo Emerson. From there the ideas spread to Henry David Thoreau, Walt Whitman, and succeeding generations of receptive Americans, who absorbed India's "science of consciousness" and wove it into the fabric of their lives. Charismatic teachers like Swami Vivekananda and Paramahansa Yogananda came west in waves, prompting leading intellectuals, artists, and scientists such as Aldous Huxley, Joseph Campbell, Allen Ginsberg, J. D. Salinger, John Coltrane, Dean Ornish, and Richard Alpert, aka Ram Dass, to adapt and disseminate what they learned from them. The impact has been enormous, enlarging our current understanding of the mind and body and dramatically changing how we view ourselves and our place in the cosmos. Goldberg paints a compelling picture of this remarkable East-to-West transmission, showing how it accelerated through the decades and eventually moved from the counterculture into our laboratories, libraries, and living rooms. Now physicians and therapists routinely recommend meditation, words like karma and mantra are part of our everyday vocabulary, and Yoga studios are as ubiquitous as Starbucks. The insights of India's sages permeate so much of what we think, believe, and do that they have redefined the meaning of life for millions of Americans—and continue to do so every day. Rich in detail and expansive in scope, American Veda shows how we have come to accept and live by the central teaching of Vedic wisdom: "Truth is one, the wise call it by many names."*

Why do we offer Vishnu butter, but Shiva milk? Why is Krishna offered the chappanbhog—fifty-six items of food—during Annakuta? Do the goddesses not like bhog? Where does the custom of hanging a lemon and seven chillies come from? Is there a legendary male cook among the gods? Anna is called Brahmin, the way bhasha is called Brahmin. Food and the action of eating maintain life. And yet, traditionally the devis remind you that whenever you eat, you've killed something, sacrificed someone, even plants which come from farms, decimating forests and rivers. The devi reminds one that to build your civilization—sanskriti—you destroy your nature—prakriti. Feast your mind on intricate details behind how we offer food to the gods, and why certain foods are part of the Indian tradition, in this short, sweet read from Devlok.
