On the life and works of Vallabhbhai Patel, 1875-1950, Indian statesman; for juvenile.

Without wasting time on any further questions, Shankar dialled the telephone number of the Prime Minister's residence. Unfortunately, the Prime Minister had left for the radio station.

Shankar rushed back to give the message to Sardar.

Sardar impatiently said : "Shankar, leave immediately for the Radio Station. Go quickly. Try to hold back

the Prime Minister's speech. By no means should the matter related to plebiscite and UNO be relayed. If this happens, the whole country will be put into a great trouble. If need be, cancel this programme. Please leave immediately." Having waded through the traffic on the way, Shankar reached finally to the radio station but he was late. The Prime Minister was reading his speech on the microphone. Shankar heard him referring to the plebiscite and UNO. The whole world was listening to it. Shankar banged his head.

knowledge alive and relevant.

The life of only those people in the world is purposeful who are able to dedicate a part or whole of their life in others' good and service. Such great people have made special contribution in constructing the world's history. In Bharat; in 1925 Rashtriya Swayamsevak Sangh was established to achieve the exalted goals of nationbuilding and individualbuilding. The work of the Rashtriya Swayamsevak Sangh has been progressing continuously. A large number of people have contributed in taking ahead this task. Prime Minister Shri Narendra Modi; a Swayamsevak himself; during his journey for refinement and transformation got an opportunity to come into contact with a number of selfless and devoted people who dedicated every moment of their lives and every particle of their bodies in the service of the Motherland. Reminiscences of some

greatest social workers who relentlessly and untiringly burnt their lives to glow the motherland Maa Bharati.

This book outlines Patel's crucial role in the integration of princely states into India, in saving the Kashmir valley from Pakistani raiders, and his perceptive and farsighted approach with respect to China, Tibet and Nepal. The book reproduces rare and unpublished correspondence from distinguished persons including Lord Mountbatten and K. P. S. Menon, among others. India's Bismarck explores the courageous and pivotal role of Sardar Patel in the creation of One India.

In this award-winning novel, Tharoor has masterfully recast the two-thousand-year-old epic, The Mahabharata, with fictional but highly recognizable events and characters from twentieth-century Indian politics. Nothing is sacred in this deliciously irreverent, witty, and deeply intelligent retelling of modern Indian history and the ancient Indian epic The Mahabharata. Alternately outrageous and instructive, hilarious and moving, it is a dazzling tapestry of prose and verse that satirically, but also poignantly, chronicles the struggle for Indian freedom and independence.

Contributed articles on the life and work of Vallabhbhai Patel, 1875-1950, politician and statesman from India.

attempt to fill that gap. As prime minister of Britain, Winston Churchill had ordered the preparation of an imperial strategy with the intention of Balkanizing India and tightening Britain's post-war hold over her. The strategy envisaged two Pakistans, one in the west and the other in the east, both large in size at India's expense; the west to include the non-Muslim east Punjab; the east, the whole of Bengal (despite Hindus comprising almost half the population), and the predominantly Hindu Assam. Within her borders, India was to be Balkanized with the creation of independent

confederations of princely states. Attlee's policy statement of 20 February 1947 was to implement the same, and Mountbatten was given the mandate to transfer power and quit India by June 1948, a date that was advanced to August 1947. However, Sardar Vallabhbhai Patel foiled Churchill's strategy. This book examines Patel's extraordinary contribution, from his unflinching support to Gandhi's satyagrahas and the Indian freedom struggle, to his farsighted and courageous approach in building a strong, integrated India.

The Indian Struggle,

Life, Work and Views

A Man of Few Words and Many Triumphs

Vallabhbhai Patel

With his initial plans for an independent India in tatters, the desperate viceroy, Lord Mountbatten, turned to his seniormost Indian civil servant, Vappala Ponguni Menon—or VP—giving him a single night to devise an alternative, coherent and workable plan for independence. Menon met his stringent deadline, presenting the Menon Plan, which would

Read Book Sardar Vallabhbhai Patel Life Work And Views

change the map of the world forever. Menon was unarguably the architect of the modern Indian state. Yet startlingly little is known about this bureaucrat, patriot and visionary. In this definitive biography, Menon's great-granddaughter, Narayani Basu, rectifies this travesty. She takes us through the highs and lows of his career, from his determination to give women the right to vote; to his strategy, at once ruthless and subtle, to get the princely states to accede to India; to his decision to join forces with the Swatantra Party; to his

Read Book Sardar Vallabhbhai Patel Life Work And Views

final relegation to relative obscurity. Equally, the book candidly explores the man behind the public figure— his unconventional personal life and his private conflicts, which made him channel his energy into public service. Drawing from documents—scattered, unread and unresearched until now—and with unprecedented access to Menon's papers and his taped off-the-record and explosively frank interviews—this remarkable biography of VP Menon not only covers the life and times of a man unjustly

palyed by him in framing the constitution and his indulgence in Congress party affairs are given in the book in the form of select correspondence between him and the other natioanl leaders of repute of his time.

There is perhaps no political figure in modern history who did more to secure and protect the Indian nation than Sardar Vallabhbhai Patel. But, ironically, seventy years after Patel brought together piece by piece the map of India by fusing the princely states with British

Read Book Sardar Vallabhbhai Patel Life Work And Views

India to create a new democratic, independent nation, little is understood or appreciated about Patel's enormous contribution to the making of India.

Caricatured in political debate, all the nuances of Patel's difficult life and the daring choices he made are often lost, or worse, used as mere polemic. If Mahatma Gandhi was the spiritual core of India's freedom struggle and Jawaharlal Nehru its romantic idealism, it was Sardar Patel who brought in the vital pragmatism which held together the national

Read Book Sardar Vallabhbhai Patel Life Work And Views

movement and the first ideas of independent India. A naturally stoic man, Patel, unlike Gandhi or Nehru, wrote no personal history. He famously argued that its was better to create history than write it. This is why even his deepest misgivings and quarrels have been easily buried. But every warning that Patel left for India - from the dangers of allowing groups to create private militias to his thoughtful criticism on India's approach to Kashmir, Pakistan and China - are all dangerously relevant today.

the functioning of the Congress ministries post-1937 provincial elections. Patel's post-1945 role concerned India's freedom, and also marked the end of his being Gandhi's blind follower.

Disillusioned with his own party in the failure of the Cabinet mission parleys, he negotiated directly with Cripps and helped the Congress form the Interim government. He wanted to keep Jinnah out in the cold and suffer in his isolation. The book discusses his failure, rather than of the party, with Wavell's maneuvering in getting the Muslim League into the Cabinet as an equal with the congress. With that Jinnah conducted his fight from within.

Realizing that united India had become an impossibility and the country faced chaos and total disintegration, Patel rose above all considerations to save and consolidate what would be left of India after Partition. This he achieved through administrative unity by forming the IAS on an all-India basis, and the country's unity through the integration of the Princely States. This book returns to the earlier two decades to show the unity of Patel's thinking and actions. The history of the Gandhian era cannot be complete and properly understood unless Patel is read and appreciated for what he did and achieved for India. Contents •

different facets of Sardar Patel's political life, his ideas and their applications. The book provides a detailed analysis of his perspectives on liberal democracy, nationalism and the state—the three pillars of his political life. Patel's role in the Constituent Assembly, transfer of power, integration of princely states with independent India and their territorial reorganization, administrative reforms, formation of the Planning Commission and creation of India's foreign policy were decisive to the consolidation and the very survival of India as a nation. He played an equally decisive role in the formulation of India's economic policies. After Patel's death in 1950, his

contributions to the nation have often been undermined and various negative characteristics have been attributed to him. This book aims to debunk these notions. It is based on the collected works of Patel and attempts to fill in the gap created by the absence of any significant academic work on his life and work. The 'Iron Man of India', Sardar Patel played a leading role in the Indian freedom struggle. One of the leaders of Indian National Congress and founding fathers of Republic of India, He was a strong-willed man. He fought for the rights of the farmers and proclaimed by them as their leader or 'Sardar'. a barrister by profession, he was much influenced by Mahatma Gandhi and
