The late Anton Szandor LaVey, founder of the Church of Satan, may be the most notoriously familiar for his Satanic Bible, but The Satanic Witch best reflects the discoveries Anton made in his younger days working the carny shows and Mitt Camps. This is undiluted Gypsy lore regarding the forbidden knowledge of seduction and manipulation. The Satanic Witch is not designed for Barbie Dolls, but women cunning and crafty enough to employ the workable formulas within, which instantly surpass the entire catalogue of self-help tomes and New Age idiocies. The Introduction — Peggy Nadramia, High Priestess of the Church of Satan, tells us how this book changed her life. The Afterword — Blanche Barton, Anton LaVey's biographer, Chairmistress of the Council of Nine, and mother of Satan Xerxes Carnacki LaVey, Anton's third child, informs us how The Satanic Witch came to pass and influence the behavior of so many women.

Jesus was tempted in every way like you and I are tempted. Though He was fully God, He endured the temptation of Satan. Throughout His temptation in Luke 4:1-13 Jesus maintained His integrity by holding firm against all that Satan threw at Him. Because He was tempted as we are, He is able to understand what we face. He is also a powerful example of how to overcome the temptations and testing that comes our way. The secret to His victory was the Word of God and the power of the Spirit of God. These tools are available to us as well. Jesus shows us the power in these tools to overcome the enemy. Luke 4:1-13 is the story of Jesus' temptation. It

teaches us something of the devil's tactic but also shows us the power of God's Word and the Spirit to overcome.

Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God." This book is a comprehensive survey of the core issues in rebuilding America and rescuing the world, which the US will have to address with urgency to survive and sustain its democratic and superpower status. Blind leaderships have led America to the destruction of its very foundations. America can afford no more mistakes in the gruesome ideological battle. America might be defeated

through the moral decay of its own people. Military will not help. The ideological subversion of USA through the invasion of the Trojan Horses of Yoga and refugees will lead to the democratic demise of the greatest democracy in history. America is confronting a crisis in jurisprudence. Many are legislating for devil and executing national death. Advocating and legalizing ethical perversions like abortion, same sex marriage, bestiality etc. in the name of democracy, freedom and individual rights will reverse American civilization back into Stone Age and Babylonian Captivity. Europe and USA rejected Christian faith and Biblical values. There is selective discrimination against Christian faith. They have rejected the true God Jesus and the true religion of Christian faith and have gone after all kinds of false religions. Thus America is losing the image of God and is shifting to the image of animals via bestiality. So God will soon reject them and punish them. Europe will soon democratically succumb to an antagonistic religious dictatorship and USA will fall in line with.

Democracy will be folklore in Europe and USA within the next 30 years. Future generations will curse the irresponsible secular idiocratic leaders who legalize all the evils in the name of freedom. God will replace America with China as the next superpower. But if America repents like Nineveh, it will be a different story. America needs a President who really knows and agrees to the basic values of the nation. America needs a President who knows why and how empires rise and empires fall. Trump is not a leader with a senseless direction but a leader with a sense of direction. He is the David of American politics. Many Goliaths will fall before him, if he is faithful to God and Christian values. Clinton's support for abortion and same-sex marriage is an index in the wrong direction. In "Red Devil," an exciting novel of international intrigue by David Saperstein - author of the best seller, "Cocoon" - Nickolai Valarian stalks the Kremlin halls where Vladimir Putin now resides. Valarian spins a fiendish Cold War web of deception and brutality to seize control of the entire

Soviet Union and beyond, to world domination. Against that diabolical a threat, the Secret Services of the whole fragmented world must work together to try to stop him. "Red Devil" - newly updated and revised - is the first book in the exciting new series by David Saperstein: The Evil on Earth.

DEMONIZATION OF GLOBAL SOCIETY

For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

This, the Christian Satanic Bible, is from an author who poses to be a replacement for Christ, the Satan's Jesus and petitions to God for the Devil, whom he's taken as a father, or perhaps a brother, and so my expression of what our faith is: When you wish upon a star MmMakes no difference who you are Every-thing your heart's desire will come to You..

Satanism is a complex and controversial phenomenon co-existing in many social and

rhetorical contexts. Some consider it the root of all evil in the world. Others see it as a juvenile proxy for rebellion or as a misapplication of serious esoteric beliefs and practices. Then again, some consider it a specific religious or philosophical position serving as a personal and collective identity. This book, written by three experts in the field of Satanism studies, examines Satanism as a contemporary movement in continuous dialogue with popular culture, aiding as a breeding ground for other newreligious movements. Shifting the focus from mythology to meaning-making, this is a book about the invention of Satanism among self-declared religious Satanists. Like all ideologists and believers, Satanists incorporate, borrow, and modify elements from other traditions, and this book explores how traditional folklore and prior strands of occultism were synthesized by Anton LaVey in his founding of the Church of Satan and the creation of the Satanic Bible. Later chapters examine contemporary Satanist subcultures from various perspectives, also demonstrating how Satanism, despite its brief history as an organized phenomenon, continues to reinvent itself. There are now numerous Satanisms with distinctive interpretations of what being a Satanist entails, with some of these new versions deviating more from the historical "mainstream" than others. In this fascinating account of a seemingly abstruse and often-feared movement, Dyrendal, Lewis, and Petersen demonstrate that the invention of Satanism is an ongoing, ever-evolving process.

NEW AGE YOGA PHILOSOPHY OF MAN IS GOD - REFUTED

There are reasonable symptoms of the weakening of the church and Christian faith in the USA, and thereby the silent death American democracy and American Empire. The

vacuum created in the American mind by the secular humanism, anti-supernatural liberal theology and godless philosophies have prepared the fertile ground for the silent take-over of USA by Islam, Hinduism, Advaita and yoga. New Age religion legitimizes almost anything in the name of religion. There is an explosion of sorcery. The absolutely unwise philosophies like all is one, man is God etc become widely accepted among the people. New age psychology rejects the supernatural and God of the Bible, but accepts the paranormal miracles of devil. When the people begin to love the lie and hate the truth, the future is bleak. A strong democratic America would guarantee a better world. But what if the whole nation is hypnotized into paranormal and abnormal by secular spiritualities?

Gibreel Farishta, a legendary Indian movie star, and Saladin Chamcha, the man of a thousand voices, fall earthward from a bombed jet toward the sea, singing rival verses in an eternal wrestling match between good and evil. Reprint. 20,000 first printing. Satan worship. Witches. New Age channelers. The last two decades have witnessed a vast upsurge in occult activity. Scores of popular books have warned Christians of the dangers and urged them to do battle against these spiritual forces. Few books, however, have developed a careful biblical theology on demons, principalities and powers. Clinton Arnold seeks to fill this gap, providing an in-depth look at Paul's letters and what they teach on the subject. For perspective, he examines first-century Greek, Roman and Jewish beliefs as well as Jesus' teaching about magic, sorcery and divination. Arguing against many recent interpretations that have seen principalities and powers as impersonal social, economic and political structures, Arnold contends

that the New Testament view is that such forces are organized, personal beings which Jesus defeated at the cross and will bring into full subjection at his return. In his concluding section Arnold suggests practical ways in which Christians today can contend with the forces of evil. A thoughtful, biblical look at an urgent challenge facing the church.

Many Muslims and Atheists ask the question "Did Jesus Say I Am God?" in the Bible. This book explains why this question is unreasonable and tricky. The book explains how Jesus had sufficiently proved His deity on several occasions and means.
