presented its own unique difficulties. But no man had ever previously summited the continents' two highest peaks, Mt McKinley in Alaska and Aconcagua in Argentina, in the same climbing season, let alone cycling between them. Oh, and Mark had never even been up Ben Nevis before. Full of his trademark charm, warmth and fascination with seeing the world at the pace of a bicycle, Mark Beaumont's second book is a testament to his love of adventure, his joy of taking on tough mental and physical feats, and offers a thrilling trip through the diverse cultures of the Americas.
