Physics is equally appropriate for average and gifted students. The entire program is based on introducing a topic to a student and then allowing them to build upon that concept as they learn new ones. Topics are gradually increased in complexity and practiced every day, providing the time required for concepts to become totally familiar. St. Jerome School happily presents a lovely full-color lesson plan for Preschool & Kindergarten! SJS is a traditional, pre-Vatican II Catholic Home Schooling Curriculum which assigns easy-to-handle daily tasks for the student to complete. Each day is coded with a different color font, as well as a seasonal background for each quarter to easily find one's place. These lesson plans will help both teacher and student enjoy the school year. Please note that our lesson plans do not include tests. They also have a handy report card in the back for the school year. If you choose to substitute a different
