Edward
Frederic Benson (1867-1940) was an English novelist, biographer, memoirist, archaeologist and short story writer, known professionally as E.F. Benson. Benson was also known as a writer of atmospheric, oblique, and at times humorous or satirical ghost stories.

Kids will delight in this witty story of mistaken identity from acclaimed author-illustrator Petr Hor á cek. Peter and Paul are puffins and the best of friends. But one day Peter gets lost in a terrible storm, and Paul is nowhere to be found. With the help of a big blue whale, Peter sets out, determined to find his pal. What the pair discovers is that many other birds match the description Peter gives of Paul, but none are quite like his friend. With gorgeous collage artwork and a lighthearted touch, this fun read-aloud tale will both amuse and enlighten.

Kaye Webb, a journalist with no publishing experience, burst into the world of children's books in 1961 and changed the face of children's publishing forever. Her child-like enthusiasm and shrewd business mind led her to become Puffin's most successful editor and the genius behind the Puffin Club, which opened up the exciting world of authors and books to children across Britain. But whilst Kaye's professional life had worked out beautifully, her private life had been the reverse. Kaye had two husbands before her marriage to the artist Ronald Searle, and the torment of his sudden and shocking departure never left her. Yet to the outside world Kaye Webb remained passionate and unstoppable. This is the unknown story of the woman who brought the joy of books to children everywhere whilst battling the emotional pain that plagued her private life.

Breakout on Puffin Island

THE COLLECTED WORKS OF E. F. BENSON (Illustrated Edition)

One small act of kindness ripples out to connect four kids in this stirring novel by the author of the beloved The Benefits of Being an Octopus. Libby comes from a long line of bullies. She wants to be different, but sometimes that doesn't work out. To bolster herself, she makes a card with the message You are amazing. That card sets off a chain reaction that ends up making a difference in the lives of some kids who could also use a boost—be it from dealing with bullies, unaccepting families, or the hole that grief leaves. Receiving an encouraging message helps each kid summon up the thing they need most, whether it's bravery, empathy, or understanding. Because it helps them realize they matter—and that they're not flying solo anymore.

Description: One sheet of song lyrics.;Series 2: Race Relations Institute, 1943-1969;Race Relations Institute, 1965.

Meet Polly and her puffin Neil in the debut children's book from Sunday Times bestselling novelist, Jenny Colgan. Illustrated throughout and with recipes, activities and rhymes in addition to the irresistible story. Polly heard a CRASH downstairs. Was it a monster? NO! Was it a spider alien? NO! It was a little puffin with a broken wing... When Polly discovers an injured puffin, she and her mummy look after him in their cottage by the sea. Slowly, Neil's wing heals and Polly must prepare herself to say goodbye to her new friend. Will she ever see him again? Perfect for bedtime stories and early readers. From the author of The Little Beach Street Bakery, Contains recipes, activities and jokes in addition to the story.

'It would be hard to imagine a more thoughtful, intelligent and companionable person to go to sea with than Paul Heiney,' Bill Bryson 'High comedy on the high seas. Informative and warm and freeing. It's quite a combination.' Griff Rhys Jones The puffin is the joker amongst the seabirds of the north Atlantic, but what is happening to this much-loved bird is far from a laughing matter. This is the conclusion of writer and broadcaster, Paul Heiney, who set sail from the east coast of England bound for Iceland, propelled by a desire to breathe the cool, clear air of the high latitudes, and to follow in the wake of generations of sailors who have made this often treacherous journey since the 13th century. In almost every harbour he tripped over maritime history and anecdote, and came face to face with his own past as he sailed north along his childhood coastline of east Yorkshire towards the Arctic Circle. But there was one major thing missing from this voyage - the sight of puffins. They are remarkable birds, uplifting as a ray of sunshine after a storm. To see them and share their waters was also part of Heiney's ambition. Imagine then his disappointment when, first, no puffins appeared off the Farne Islands, then none to be seen on puffin hotspots like Orkney. When he failed to see puffins on Iceland, it was the last straw, and he started to become seriously concerned. Heiney senses that a new chapter is about to be written, and it is one in which we may have to say farewell to the puffin forever. This book is rich in travel and sailing narrative, natural and social history, and with a strong undercurrent of good humour. It provides not only an insight into the private life of the puffin, but an honest portrait of human life on the ocean waves, as well as a reflection on what we might lose if the puffin disappears from our icy northern waters.

In search of hidden diamonds, Claire returns to the German countryside At the height of World War II, Iris is a young Jewish girl living in Munich. One night, while on a double date, she lets herself get talked into staying out far past curfew. When she returns home, her family has disappeared. With her uncle Oswald, Iris races for the frontier, pausing at Saint Hildegard's Mill to bury the family diamonds. She escapes to the United States, where she lives quietly for five decades. She will never return to look for her diamonds, but she has a friend who will. Claire Breslinsky lived in Munich during her wild, carefree youth, but those days are long gone. When an old friend invites her to a wedding at Saint Hildegard's Mill, Claire demurs—until Iris tells her about the hidden fortune that awaits her. Claire returns to Munich to attend the wedding, take some pictures, and do some light treasure hunting. But she will end up investigating a murder instead.

Satire and Supernatural

The beloved Atlantic Puffin was nearly extinct, till some enterprising scientists came to its rescue... Gail Gibbons introduces readers to the fascinating lives of puffins and puffin conservation. Puffins along the coast of Maine were once hunted to near-extinction. Now, through a careful breeding program, scientists eagerly await the puffins' return each year to hatch their young. With cheerful illustrations and clear text, Gail Gibbons explains the conservation program and the life cycle of this amazing bird. According to The Washington Post, Gail Gibbons, "has taught more preschoolers and early readers about the world than any other children's writer-illustrator." She has published more than 100 informational titles, all fully vetted by experts.. Her many honors include The Washington Post/Children's Book Guild Nonfiction Award and the NSTA Outstanding Science Trade Book Award.

A narrator sets out to prove that there is nothing exactly like a puffin but discovers that many things, including a newspaper and a helicopter, are a little bit like one and that a penguin is very much like a puffin.

A life worth living is worth recording, and what better place than this journal? These lined pages crave your scribbled notes, thoughts, ideas, experiences, and notions. Fill the lines, remember your life, don't lose your ideas, and keep reaching higher to live the best life you can. It all starts here, folks, but you'll need your own pen or pencil. Write on!

Pippi Longstocking
Reproduction of the original: Miss Mapp by E.F Benson

Have you ever wanted to take a sabbatical from work and go travelling? Reading these stories again takes me back immediately to the windswept green hills of Rum, the howling huskies of Greenland and the far-off plains of Alaska, where a green camper bus waits for me to board. What are you doing next summer? This is a book about puffins and polar bears. Santa's elves and wife carrying. About wonderful people doing strange things in faraway places. About letting your guard down and the world in. Proceeds from book sales go to Birdlife International to support seabird conservation.

With its colourful beach and fast, whirling flight, the Atlantic Puffin is the most recognisable and popular of all North Atlantic seabirds. Puffins spend most of the year at sea, but for a few months of the year the come to shore, nesting in burrows on steep cliffs or on inaccessible islands. Awe-inspiring numbers of these birds can sometimes be seen bobbing on the sea or flying in vast wheels over the colony, bringing fish in their beaks back to the chicks. However, the species has declined sharply over the last decade; this is due to a collapse in fish stocks caused by overfishing and global warming, combined with an exponential increase in Pipefish (which can kill the chicks). The Puffin is a revised and expanded second edition of Oystein S 1984 title on these endearing birds, widely considered to be a Poyser classic. It includes sections on their affinities, nesting and incubation, movements, foraging ecology, survivorship, predation, and research methodology; particular attention is paid to conservation, with the species considered an important 'indicator' of the health of our coasts.

The Puffins Are Back

Say It With a Puffin

Freedom Songs

Einstein, Bounce and Puzzle are thrilled to be back at Sandcliff Lighthouse for another holiday. There are lots of other pups staying there this time which means fun for everyone! But when the local beach is covered in dog poo, the pals find themselves in a sticky situation. It gets so bad that even the puffins - who visit every year - are staying away! And then the local people start to blame the kennels, even though the pups know that Jackie and Trevor always clean up after them. Who is behind the smelly secret of Sandcliff Beach? Can the pups uncover the stinking truth in time to save Trevor's kennels and persuade the puffins to come back?

At night, this mischievous bunch peeks out from under your bed. When you hear that creak . . . creak . . . THE CREAKERS are there! Discover a hilarious and eerie middle-grade story by a UK star. What would you do if you woke up to a world with no grown-ups? When all the parents in the world disappear, most kids think this is amazing! They can finally run wild and eat candy for breakfast, lunch, and dinner. But Lucy Dungenst wants to get her mom back, especially because her dad disappeared not long ago. Lucy wants the truth, and she's convinced that the creaking sounds that come from under her bed can lead her to it. Creak . . . creak . . . That's when Lucy meets the Creakers, a bunch of sticky, smelly creatures who live under children's beds. This troublesome bunch has taken all the grown-ups to an upside-down world called the Woleh. Lucy must act fast if she wants to rescue the grown-ups, because adults who stay in the Woleh too long start becoming Creakers!
