"I love Christina Bauer's style of writing, the characters are fabulous, and the protagonist is truly amazing. I love Myla and the incredible Lincoln. Wow, incredible!" - Christina Blake, Goodreads Myla Lewis loves kicking demon ass. Sadly, now that she's the Great Scala as well as Queen of the demon hunting thrax, there's no time to battle baddies. Sure, it's great to rule alongside her main squeeze Lincoln--and their baby Maxon is adorbs--but what about some demon killing fun? Then Myla gets a chance to fight tons of evildoers, but it's in the worst way imaginable. All the thrax disappear, except for Lincoln. Even sweet baby Maxon vanishes. With the demon hunters gone, the worldwide population of big bads goes berserk. Talk about a nightmare. Turns out, the evil archangel Lucifer left behind another magickal trinket that's causing trouble. This time, Lucifer's signet ring has changed the past, preventing the thrax from ever organizing in the first place. To bring back the thrax and their son, Myla and Lincoln must travel back in history--to the era called the Brutal Time--and try to convince the pre-thrax peoples to team up. Trouble is, these folks already have a powerful leader, the Red Scourge, and that creep doesn't want his people hunting down demons. Nope. The Red Scourge has only one goal. Kill Myla and Lincoln, fast. "These books don't just capture your attention, they straight up demand it. WARNING - In this fantasy series, Myla Lewis kicks ass, takes names, and sasses off. Often in that order. As the Great Scala, Myla Lewis is the only being who can move Purgatory's souls to Heaven or Hell. It's a big job. Too bad Myla goes through assistants faster than a hot knife through brownies. Not that it bothers her much; Myla's always been a solo fighter. Then comes the problem of the fading angels. Millions of Heavenly residents are dying. According to a prophecy, the only way Myla can save them is by traveling back in time, meeting King Arthur, and creating her own knights of the round table. The catch? Doing so might end the after-realms in a bloody demonpocalypse. Yipes. Myla and her main squeeze, Lincoln, aren't afraid of taking a few chances (in between kisses). But this time the stakes may be too high, even for them. And the biggest challenge of all? Finding those knights. Because Myla Lewis doesn't play well with others. At all. Perfect for readers who love young adult fantasy books with romance, action, adventure, and one-of-a-kind worldbuilding. Oh, and demons. Lots of demons. "This book is definitely a mouth-watering chocolate cake for me, I chomped it all down in just one day!" - Four Eyed Cat Reviews Nineteen-year-old Myla Lewis has transformed into Great Scala, the only being with the power to move souls out of Purgatory and into Heaven or Hell. Trouble is, a magical object called Lucifer's Orb is limiting Myla's abilities. If she tries to move a soul, the Orb's forcing her to send that spirit straight to Hell. So, what's a girl to do? Send innocents to the fiery down-under? No way. Myla's gone on a supernatural strike. No souls go anywhere until the Orb's history. It's the right thing to do, but Purgatory's Soul Storage buildings are turning into time bombs. No spirits are moving out, while millions keep coming in. Myla's determined to find the Orb and send the innocent to Heaven, but she's running out of time. Soon, the containment fields will burst, releasing a mob of homicidal ghosts. With Soul Storage ready to explode, Myla's got enough on her plate without her old enemy, Lady Adair, causing problems. Adair is launching an ingenious campaign to take away everything that Myla holds dear, including Myla's Angelbound love, Prince Lincoln. Between their clever ideas and toe-curling kisses, Myla and Lincoln are fighting back. But will they beat the clock or lose everything to Adair's devious schemes? Extended version with an all-new wedding epilogue!!! Eighteen-year-old Myla Lewis is a girl who loves two things: kicking ass and kicking ass. She's not your every day quasi-demon, part-demon and part-human, girl. For the past five years, Myla has lived for the days she gets to fight in Purgatory's arena. When souls want a trial by combat for their right to enter Heaven or Hell, they go up against her, and she hasn't lost a battle yet. But as she starts her senior year at Purgatory High, the arena fights aren't enough to keep her spirits up anymore. When the demons start to act weird, even for demons, and the King of the Demons, Armageddon, shows up at Myla's school, she knows that things are changing and it's not looking good for the quasi-demons. Myla starts to question everything, and doesn't like the answers she finds. What happened seventeen years ago that turned the quasi-demons into slave labor? Why was her mom always so sad? And why won't anyone tell her who her father is? Things heat up when Myla meets Lincoln, the High Prince of the Thrax, a super sexy part-human and part-angel demon hunter. But what's a quasi-demon girl to do when she falls for a demon hunter? It's a good thing that Myla's not afraid of breaking a few rules. With a love worth fighting for, Myla's going to shake up Purgatory. "Loved it! A confident, independent, kick-ass heroine who doesn't suffer fools gladly... "Woohoo! I love this book! It made me so emotional and sucked me right into the story." - The Not So Public Library Years have passed since Myla Lewis last fought gladiator-style in Purgatory's Arena. Now, she's fighting again, only this time in Hell. And the stakes have never been higher. The demon King of Hell, Armageddon, has kidnapped Myla and Lincoln's young son, Maxon. In the wake of Maxon's abduction, all the after-realms are calling for war, and no one shouts louder than Lincoln. Myla knows that a war against Hell will cost millions of lives, so she devises her own plan, involving a small attack team and

"DARK LANDS was full of kick-ass fighting scenes, quirky anecdotes, lots of family love, insanely cute babies, snooty reporters, and a sinfully sexy husband. Myla is the female Deadpool... her inner thoughts pivot between outrageously genius to manically insane!" -- Jessica Reads It Nineteen-year-old Myla Lewis is loving life--she's now a wife, mother, and Queen of the Thrax. Oh yeah, and being a super-powerful demigoddess who moves souls into Heaven or Hell doesn't suck, either. In fact, everything is pretty much awesome. Until something craptastic happens. Her honorary older brother Walker enters the Dark Lands, home to the rule-loving ghouls, and vanishes without a trace. Now it's up to Myla to solve the mystery of Walker's disappearance. Of course, Myla likes interacting with ghouls about as much as elective dental surgery. To make matters harder, everyone thinks that Walker is simply taking a well-deserved vacation. But Myla and her Angelbound love, Lincoln, both suspect that a new criminal called the Viper took Walker in order to release Lucifer, the ex-King of the Angels and bloodthirsty killer. Long story short, Myla and Lincoln have only twenty four hours to rescue their good friend and stop Lucifer from taking over the after-realms. Even for them, this may be a too-tall order, especially when Lucifer's mysterious past with Myla's father threatens the very future of the after-realms. "The snark that spills out of Myla makes everything worthwhile; I couldn't help but laugh all the way through the DARK LANDS!" -- Smada's Book Smack Angelbound Origins In which Myla Lewis kicks ass and takes names. Myla Lewis once fought gladiator-style in Purgatory's Arena. Now she's fighting again, only this time in Hell, and the stakes have never been higher. Only \$1.99 to celebrate the launch of KAPS, Book 5! Prince Maxon may be twenty-two years old now, but he's still haunted by his boyhood abduction and torture in Hell. To deal with his past, Maxon limits his present-day activities to killing demons and seducing women. No long-term relationships. No combat too dangerous. No problem, right? Wrong. Maxon's life has stalled out. The old thrills aren't there anymore, either on the battlefield or in the bedroom. While staking out his next fight, Maxon meets what seems like just another girl after a good time. What he gets is a close encounter with Lianna, a lady warrior with ties to the mysterious elemental rulers called the monarkki. It's love at first sight. Trouble is, Lianna's running from a dark history of her own, and her elemental enemies are closing in. When Lianna gets taken, Maxon realizes that after years of wrong choices and dead ends, the right woman is worth risking it all... "Christina Bauer has blessed us, people! This book, written from Lincoln's perspective, was simply a treat that I most definitely enjoyed!" Reading Life As the High Prince of the demon-fighting thrax, Lincoln knows he must marry for political gain. Not that he minds. For all of eighteen years, Lincoln's been bound to his duty. Fighting demons is his life, and he's never given romance a second thought. Instead, the Prince lives for the days when he leaves his hidden realm to fight demons on Earth. Then, everything changes. Lincoln and his nobles become forced to visit Purgatory, the home of quasi-demons (who are mostly human with a bit of demonic DNA). Here Lincoln spies Myla Lewis, warrior who enflames his heart, ignites his interest, and inspires his respect. Trouble is, Myla's also a quasi. By thrax law, Lincoln must keep anything demonic—not date them. For the first time in his life, Lincoln wonders if he'll follow his duty...or heed the demands of his heart's words. Takes place before Myla and Lincoln meet. Angelbound Lincoln 1. Duty Bound 2. Lincoln 3. Trickster 4. Baculum

"Myla is a magnificent heroine, fierce and outspoken, hilarious and mischievous, and yet compassionate and mature when the need arises. Did I mention that her demon tail is sentient? Best. Sidekick. Ever." - The Nocturnal Library Myla Lewis has her life back. Wife. Mother. Queen of the Thrax. Great Scala and mega boss of supernatural igni. Yay! Then one day, Myla runs across a strange fountain and her igni screams crazy. Our heroine speaks the fateful words, "Some days, I wish I weren't the Great Scala." Turns out, a demon-titan named Bedlam lurks at the fountain... and he grants her wish. Moments later, Myla returns to her teenage days of Purgatory High. No husband. No child. And zero over igni. Without Myla around as the Great Scala, all quasies now live under Armageddon's rule. That sucks. Hard. So Myla sneaks into Angelbound in search of her husband, Lincoln. Together, they'll take down the evil Bedlam and return life to normal, easy peasy. But once Myla arrives, problems arise. First, her husband doesn't know her. At all. Second, Lincoln is married to someone else. Fuuuuuuu... Angelbound Origins In which Myla Lewis kicks ass and takes names. Nuff said. 1. Angelbound 2. Scala 3. Acca 4. Thrax 5. The Dark Lands 6. legends, myths & fables... or dark fairy tales and folk lore? This series is perfect for teen and young adult readers who want their dark fantasy book series to deliver: action & adventure, badass world building, angels, demons, paranormal romance, fresh themes from contemporary LOL romantic comedy, gods and goddesses, dark fantasy, strong girls and women as heroines, themes about loners and outcasts, the best humorous literature, general coming of age whackery, and (most importantly) truly unusual epic fantasy.

The Great Scala Fights The Grim Reaper! Years ago, the ghouls ruled my homeland of Purgatory with all the gentle care of a throat punch. I even controlled the Great Scala, the only being who sends souls to Heaven or Hell. These days, the ghouls are gone and I'm the Great Scala. So awesome as it sounds. Then the Grim Reaper shows up and says, hold my scythe. I'm told to go home and find a new job. Me. And my origins come from none other than Lady Regina the Reaper, a Victorian-style chick who sports a tiny hat and some huge attitude. Simply put, Regina is a rule-loving snob. She's also the new favorite of my old nemesis, the Oligarchy, aka the four undead kings of all ghouls kind. And much as I don't admit it, she's put together a pretty effective evil scheme. No question what's truly happening, though. The ghouls want to step back into Purgatory by giving me the boot through Regina. I'm having none of it. And this time, I'm taking the fight to the ghouls' homeland. After all, no one knows ghouls better than I do. I've got myself a Nazgul-style disguise along with a plan to oust the Oligarchy in three simple steps. The first to do is control my tail and temper. Not a problem. Regina the Reaper can kiss my quasi butt. No one fires the Great Scala. Angelbound Origins which Myla Lewis kicks ass and takes names. Nuff said. 1. Angelbound 2. Scala 3. Acca 4. Thrax 5. "Super interesting and wonderful! The world Christina Bauer creates is gorgeous and incredibly believable." - Mikayla, Goodreads Although she's only eighteen, Huntress is a rare and powerful glass dragon shifter, giving her the ability to turn invisible at will. Thanks to her hard-learned fighting skills---along with some not-too-legitimate blood ties to the throne---Huntress has been appointed Enforcer of the Dragon Realms, meaning she's the only one trusted to execute the will of the beloved Emperor and Empress. So when Huntress is tasked to kill a new human threat, she doesn't think twice about the request. She merely travels to Earth with her favorite set of daggers in hand. But then, Huntress meets her target: Mack, a human bounty hunter who seems to know every turn in the Enforcer

playbook. Even worse, Mack ignites emotions in Huntress that she long thought impossible. Affection. Attraction. Perhaps even love. Add to that the fact that Mack doesn't seem entirely human---the man wields lightning in a very particular way---and it all leads to one inescapable conclusion. Mack is the long-lost Scala Heir, one of only two beings who can move souls to Heaven or Hell. He must be protected at all costs, not killed. Suddenly, Huntress has more questions than answers. Who wants Mack dead? How has he stayed hidden for so long? And most frightening of all, what can Huntress do to protect her heart from Mack's sly smile? Huntress takes off in pursuit of answers, and she won't stop until she has them, no matter what. "I read all the time, I love reading, and every once in a while I come across a series that is superb. This series is one such, although superb doesn't even begin to do it justice." - C. Blake, Goodreads Publisher's Note: Christina Bauer is a non-linear thinker who came up with ARMAGEDDON and then went back and wrote some earlier books. WARNING – In this fantasy series, Myla Lewis kicks ass, takes names, and sasses off. Often in that order. Long live the me! As Queen of Antrum, I rule an underground realm of demon hunters who love finding new caves. Hey, it ' s boring down here; I ' m glad they all have a hobby. Per usual, I try to act interested about their latest

discovery, but all I hear is blah blah blah new cavern blah blah blah Forbidden Tombs blah blah blah massive bronze pyramids blah blah blah creepy ticking sounds. It ' s a little odd, but I ' m not worried. My bad. Suddenly, the Forbidden Tombs burst through the ground in my home realm of Purgatory. Bronze pyramids smash through abandoned buildings and highways, making rush hour a nightmare. Even worse, the metal structures attract tiny lightning bolts called igni, which are my very special supernatural buddies. Within minutes, every last igni gets stolen away. Now. I ' m. Pissed. Whoever hides inside those pyramids? Time to dust off your mummies and shine up your sarcophagi. Because my husband, Lincoln, and I are breaking in and kicking ass. Perfect for readers who love young adult fantasy books with romance, action, adventure, and one-of-a-kind worldbuilding. Oh, and demons. Lots of demons.

And why won't anyone tell her who her father is? Things heat up when Myla meets Lincoln, the High Prince of the Thrax, a super sexy part-human and part-angel demon hunter. But what's a quasi-demon girl to do when she falls for a demon hunter? It's a good thing that Myla's not afraid of breaking a few rules. With a love worth fighting for, Myla's going to shake up Purgatory. "I'm virtually speechless when it comes to this novel. I have not found an author that I adore the writing style of this much since Jennifer L. Armentrout. The world that this author created was amazing." - Brittany's Book Reviews Ideal for readers who enjoy kick-ass chicks, gamma guys, paranormal romance, urban fantasy and happily ever afters. Experience the events of Angelbound from Lincoln's perspective!!! When it comes to fighting demons, Prince Lincoln is the greatest warrior in the history of his people, the thrax. Now Lincoln faces his hardest fight yet...and it's not on a traditional battlefield. Lincoln is falling in love. And the girl is part demon. Between a fated dance at the Ryder mansion...a life-changing walk through a

hedgerow maze...and a massive battle with none other than the King of Hell...Lincoln realizes that he wants to share his life with Myla Lewis, the part-demon girl who has captured his heart. However, an evil thrax noble-the powerful Earl of Acca-is prepared to do anything to stop Lincoln and Myla from having a future. But Lincoln won't give up on his Myla. Ever. To fight Aldred, Lincoln works to create a different kind of marriage-an Alliance of the lesser thrax houses against Acca. Sadly, just as Lincoln starts to makes some progress, the nobles who've joined his Alliance begin to vanish. Is Aldred behind the disappearances, or is someone else vying for power? When Lincoln discovers the truth, it upends his entire world, threatening his future with Myla in ways no one could ever have imagined. She's descended from one of the three magical races-shifters, fairies, or witches. That makes her one of the Magicorum, and Magicorum always follow a fairy tale life template. In Bryar's case, that template should be Sleeping Beauty. Should being the key word. Trouble is, Bryar is nowhere near the sleeping beauty life template. Not even close. She doesn't like birds or woodland creatures. She can't sing. And she certainly can't stand Prince Philpot, the so-called "His Highness of Hedge Funds" that her aunties want her to marry. Even worse, Bryar's having recurring dreams of a bad boy hottie and is obsessed with finding papyri from ancient Egypt. What's up with that? "Exciting and well-conceived" - Kirkus All Bryar wants is to attend a regular high school with normal humans and forget all about shifters, fairies, witches, and the curse that Colonel Mallory the Magnificent placed on her. And she might be able to do just that--if only she can just keep her head down until her eighteenth birthday when the spell that's ruined her life goes buh-bye. But that plan gets turned upside down when Bryar Rose meets Knox, the bad boy who's literally from her dreams. Knox is a powerful werewolf, and his presence in her life changes everything, and not just because he makes her knees turn into Jell-O. If Bryar can't figure out who-or what-she really is, it might cost both her and Knox their lives... as well as jeopardize the very nature of magic itself. Don't miss this super-short yet totally FREE excerpt from LADY REAPER! About the story: Years ago, the ghouls ruled my homeland of Purgatory with all the gentle care of a throat punch. They even controlled the Great Scala, the only being who sends souls to Heaven or Hell. These days, the ghouls are gone and I'm the Great Scala. It's as awesome as it sounds. Then the Grim Reaper shows up and says, hold my scythe. I'm told to go home and find a new job. Me. And my orders come from none other than Lady Regina the Reaper, a Victorian-style chick who sports a tiny hat and some huge attitude. Simply put, Regina is a rule-loving snob. She's also the new favorite of my old nemesis, the Oligarchy, aka the four undead kings of all ghoul kind. And much as I hate to admit it, she's put together a

pretty effective evil scheme. No question what's truly happening, though. The ghouls want to step back into ruling Purgatory by giving me the boot through Regina. I'm having none of it. And this time, I'm taking the fight to the ghoulish homeland. After all, no one knows ghouls better than I do. I've got myself a Nazgul-style disguise along with a plan to oust the Oligarchy in three simple steps. All I need to do is control my tail and temper. Not a problem. Regina the Reaper can kiss my quasi butt. No one fires the Great Scala. Angelbound Origins In which Myla Lewis kicks ass and takes names. Nuff said. 1. Angelbound 2. Scala 3. Acca 4. Thrax 5.
