This fresh set of resources for Cambridge IGCSE Sociology syllabus 0495 (and Cambridge O Level Sociology syllabus 2251) is carefully crafted to match and support the revised syllabus for first examination in 2016. Written in clear and accessible language, the Coursebook provides comprehensive coverage of the syllabus in a visually-stimulating format. Key sociological research combined with case studies and thought provoking questions help in understanding concepts. Features such as Key terms and Revision checklists further reinforce learning and understanding of core subject areas. Engaging activities help in applying knowledge in various contexts and building interpretation, analytical and evaluation skills. The book provides complete exam support with each chapter culminating in exam-style questions and a further chapter dedicated to revision, and examination skills and practice. A Teachers CD-ROM is also available.

The Cambridge IGCSE Physics Coursebook has been written and developed to provide full support for the University of Cambridge International Examinations (CIE) IGCSE Physics syllabus (0625). The book is in full colour and includes a free CD-ROM. Topics are introduced in terms of their relevance to life in the 21st century. The CD-ROM offers a full range of supporting activities for independent learning, with exemplar examination questions and worked answers with commentary. Activity sheets and accompanying notes are also included on the CD-ROM. Written and

Extended Mathematics for Cambridge IGCSE

provides for the second year of a two-year course

leading to the Cambridge IGCSE Mathematics

Extended Level examination from University of

Cambridge International Examinations. This is the

second of two books (Core and Extended), which

together completely cover the syllabus for the

Cambridge IGCSE Mathematics Extended Level.

Students may either study the whole of the Core

course in their first year, followed by the Extended in

their second year, or they may study 1 from Core

followed immediately by 1 from Extended. Either

way, the books are designed to be worked through

sequentially and can be used both as classroom

textbooks and for self-study.

Covers the Cambridge IGCSE syllabus (0455) and

the Cambridge O Level syllabus (2281), first

examination from 2020. This series helps students

understand economic theory, terminology and

principles. It matches the Cambridge IGCSE and O

Level Economics syllabuses. The coursebook helps

students apply tools of economic analysis, make

judgements on economic issues, use basic

economic numeracy and literacy, and take greater

part in decision-making processes in everyday life.

Sample questions provide opportunities for students
