Scholastic Early Learners: Interactive board books for hands-on learning! Get ready for Pre-K with these giant-shaped flashcards that introduce first concepts and help develop pre-reading skills! Pre-K flashcards contains 26 giant shaped flashcards designed to help children learn a variety of first concepts in preparation for entering Pre-K. One side of the flashcards has a picture, while the other side has the written word. By sharing the flashcards with an adult, children are encouraged to sound out the simple words, developing their awareness of letter sounds, increasing their vocabulary, and promoting their reading skills. With fun, colorful images and clear word labels, children will be introduced to first words from key first-concept topics including colors, shapes, animals, and vehicles. The flashcards are perfect for little hands to hold and are shaped to allow clear distinctions for adults and children between the different first-concept topics.

A unique blend of age-appropriate tracing and writing activities are combined with puzzles to make learning fun while helping kindergarteners build early math skills and develop lifelong learning confidence. Identifying numbers, skip counting, and understanding basic addition and subtraction are important steps toward math readiness, and Highlights (TM) infuses Fun with

***My name is Lucie Blaise. I am sixteen years old. I have many aliases, but I am none of the girls you see. What I am is the newest recruit of Covert Ops. And we are here to take down Hitler. After the Nazis killed my brother on the North African front, I volunteered at the Office of Strategic Services in Washington to do my part for the war effort. Only instead of a***

***desk job at the OSS, I was tapped to join the Clandestine Operations--a secret espionage and sabotage organization of girls. Six months ago, I was deployed to German-occupied France to gather intelligence and eliminate Nazi targets. My current mission: Track down and interrogate a Nazi traitor about a weapon that threatens to wipe out all of Western Europe. Then find and dismantle the weapon before Hitler detonates it. But the deeper I investigate, the more danger I'm in. Because the fate of the free world hangs in the balance, and trusting the wrong person could cause millions of lives to be lost. Including my own.***
